9. Internal Risk Factors

The below mentioned are top 5 risk factors as per the Letter of Offer:

- Our business and profitability are significantly dependent on the performance of the real estate market in India and particularly in Bengaluru, Karnataka which contributed 66.12% and 63.45% of our total Sales in Fiscal 2024 and Fiscal 2023, respectively. Varying market conditions in Bengaluru, Karnataka, may affect our ability to ensure sale of our projects and the pricing of units in such projects, which may adversely affect our results of operations and financial condition.
- Our Company is currently involved in proceedings initiated by the Directorate of Enforcement (“ED”) in relation to alleged non-compliances with the Prevention of Money Laundering Act, 2002. While our Company has preferred an appeal before the Hon’bl Appellate Tribunal, New Delhi to set aside a provisional attachment order (“PAO”) issued by the ED and confirmed by the Adjudicating Authority, New Delhi, we cannot assure you, that such PAO will be set aside, which could adversely affect our business, financial condition, results of operations, prospects and reputation.
- We propose to utilise ₹ 6,585.86 million from the Net Proceeds towards funding acquisition of unidentified land parcels and general corporate purposes. The project acquisition process is a time-consuming process which requires exhaustive set of diligence procedures to assess the title and is influenced by other factors. Inability to finalize such activities in a timely manner may adversely affect our business and future growth.
- We intend to utilise ₹2,100.28 million from the Net Proceeds for purchase of equipment and machinery, and ₹2,123.58 million from the Net Proceeds towards funding certain project related expenses for Ongoing Projects and Forthcoming Projects. Our funding requirements and proposed deployment of the Net Proceeds are based on management estimates and we have not entered into any definitive arrangements to utilize certain portions of the Net Proceeds of the Issue. We have relied on the quotations received from third parties for estimation of the cost for our capital expenditure requirements and have not been independently appraised by a bank or a financial institution.
- Our businesses and manufacturing facilities are subject to operational risks, including compliance with, and changes in, environmental, health, safety and labour laws and regulations, which could adversely affect the development of our projects and our financial condition.

For further details, see “Risk Factors” beginning on page 17 of the Letter of Offer.
