RISK FACTORS RELATING TO THE UNDERLYING TRANSACTION, THE PROPOSED OFFER AND THE PROBABLE RISK INVOLVED IN ASSOCIATING WITH THE ACQUIRER AND THE PACs

The risk factors set forth below are limited to this Open Offer, the Underlying Transaction contemplated under the SPA, SSA and SHA, and the Acquirer and the PACs, and are not in relation to the present or future business operations of the Target Company or other related matters. These are neither exhaustive nor intended to constitute a complete analysis of all the risks involved in participation by Public Shareholders in this Open Offer, or in associating with the Acquirer and the PACs, but are merely indicative in nature. Public Shareholders are advised to consult their stockbrokers, legal advisors, investment consultants and/or tax advisors, for understanding and analysing all risks associated with participation in this Open Offer.

For capitalized terms used herein, please refer to the section on Definitions set out below.

A. Relating to the Underlying Transaction

1. Pursuant to receipt of the Required Statutory Approval on June 10, 2025, the Underlying Transaction has been completed upon allotment of the Subscription Shares to the Acquirer on June 23, 2025 (i.e., the date on which the share allotment committee of the Target Company approved the allotment), in accordance with the terms and conditions contained in the SSA, and acquisition of the Sale Shares by the Acquirer on August 11, 2025, in accordance with the terms and conditions contained in the SPA. Accordingly, no risks relating to the Underlying Transaction are applicable.

B. Relating to the Offer

1. In terms of Regulation 23(1) of the SEBI (SAST) Regulations, the Acquirer and the PACs shall have the right to withdraw the Open Offer, in the event that, for reasons outside the reasonable control of the Acquirer and the PACs, any statutory or other approvals specified in paragraph 8.4 (*Statutory and Other Approvals*) of this LOF or those which become applicable prior to completion of the Open Offer are finally refused. In the event of such a withdrawal of the Open Offer, the Acquirer and the PACs (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make an announcement of such withdrawal stating the grounds for the withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations, in the same newspapers in which the DPS has been published and such public announcement will also be sent to the Stock Exchanges, SEBI and the Target Company at its registered office.
2. If, (a) there is delay in receipt of any applicable statutory or other approvals; (b) there is any order of a governmental authority or in a litigation leading to a stay/injunction on the Open Offer or that restricts/ restrains the Acquirer and the PACs from performing their obligations hereunder; or (c) SEBI instructs the Acquirer and/or the PACs to suspend the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the Public Shareholders whose Equity Shares have been accepted in this Open Offer as well as return of the Equity Shares not accepted by the Acquirer and PACs may be delayed. In case of delay due to non-receipt of statutory approval(s), in accordance with Regulations 18(11) and 18(11A) of the SEBI (SAST) Regulations, SEBI may, if satisfied that the non-receipt of approvals was not on account of any wilful default or negligence on the part of the Acquirer and the PACs, grant extension for the purpose of completion of this Open Offer subject to the Acquirer and the PACs agreeing to pay interest to the Public Shareholders, as may be specified by SEBI. Where statutory approvals apply to some but not all of the Public Shareholders, the Acquirer and/or the PACs will have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.

3. Equity Shares once tendered in the Open Offer cannot be withdrawn by the Public Shareholders, even in the event of a delay in the acceptance of Equity Shares under the Open Offer and/or the payment of consideration. A lien shall be marked against the tendered Equity Shares until completion of the Open Offer formalities. During such period, there may be fluctuations in the market price of the Equity Shares of the Target Company that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Open Offer. Neither the Acquirer/ PACs nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares and disclaim any responsibility with respect to any decision by any Public Shareholder on whether or not to participate in the Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding participation in this Open Offer.
4. All Public Shareholders (including residents, non-resident Indians, overseas corporate bodies or non-resident shareholders) must obtain all requisite approvals required, if any, to tender the Offer Shares (including without limitation, the approval from the RBI) held by them in the Offer and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer and the PACs reserve the right to reject such Equity Shares tendered in this Offer. Further, if Public Shareholders who are not persons resident in India (including NRIs, OCBs, and FIIs/FPIs) had required any approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for acquiring/ holding the Equity Shares, in order to tender the Equity Shares held by them in the Open Offer, along with the other documents required to be tendered to accept the Open Offer. In the event such approvals are not submitted, the Acquirer and the PACs reserve their right to reject such Equity Shares tendered in this Open Offer. Where statutory or other approval(s) extends to some but not all of the Public Shareholders, the Acquirer and the PACs shall have the option to make payment to such Public Shareholders in respect of whom no statutory or other approval(s) are required in order to complete this Open Offer.

This LOF shall be sent to all Public Shareholders whose names appear on the register of members of the Target Company, at their stated address, as of the Identified Date, subject to Regulation 18(2) of the SEBI (SAST) Regulations, provided that where local laws or regulations of any jurisdiction outside India may expose the Acquirer and the PACs, the Manager to the Offer or the Target Company to material risk of civil, regulatory or criminal liabilities in the event this LOF in its final form were to be sent without material amendments or modifications into such jurisdiction, and the Public Shareholders resident in such jurisdiction hold Equity Shares entitling them to less than 5.00% (five percent) of the voting rights of the Target Company, the Acquirer and the PACs may refrain from sending this LOF into such jurisdiction; provided further that, subject to applicable law, every person holding Equity Shares, regardless of whether he, she or it held Equity Shares on the Identified

Date or has not received this LOF, shall be entitled to tender such Equity Shares in acceptance of the Offer.

7. The accuracy of such details of the Target Company and/or the Sellers have not been independently verified by the Acquirer, the PACs or the Manager to the Offer. The key financial information of the Target Company for the 3 (three) months ended March 31, 2025 have been extracted from audited financial results. The key financial information for nine months ended December 31, 2024 has been extracted from unaudited (limited reviewed) financial results.
- (2) Total expenditure includes Profit / (Loss) and Exceptional item but excludes depreciation and finance costs.
- (3) The Target Company recognizes revenue on a project completion basis (upon receipt of occupation certificates), while fixed costs are expensed as incurred. This revenue recognition policy, combined with the typical 2 - 4 year project life cycle in the industry, inherently results in periodic profit volatility. This volatility, along with increased finance costs due to NCDs issued during financial year 2023 - 2024 and goodwill impairment recorded in the consolidated financial statements, resulted in the reported loss. There were no exceptional items impacting the results. These fluctuations reflect normal business cycle variations in line with our accounting policies and do not indicate operational concerns.
- (4) On unannualised basis.
- (5) Dividend % = Dividend per equity share / Face value per equity share.
- (6) Return on Net worth = Profit / (Loss) after tax / Net worth.
- (7) Book value per share = Net worth / Total number of Equity shares.

Further, the Target Company and its subsidiaries enter into construction contracts with its vendors. The final amounts payable under such contracts will be based on actual measurements and negotiated rates, which are determinable as and when the work under the said contracts are completed.

- (3) The Target Company and its subsidiaries are subject to legal proceedings and claims, which have

arisen in the ordinary course of business, including certain litigation for lands acquired by it for construction purposes. These cases are pending with various courts and are scheduled for hearings. After considering the circumstances and legal evaluation thereon, the management believes that these cases will not adversely affect the financial statements of the Target Company and its subsidiaries.

- (4) The Target Company and its subsidiaries are contesting tax demands which majorly represent demands arising on completion of assessment proceedings under the Income tax Act and other indirect tax laws. 10. NOTE ON TAXATION

10.1. General

- 10.1.1. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31.
- 10.1.2. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, in a manner as provided under the Income Tax Act, as amended from time to time.
- 10.1.3. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or deemed to accrue or arise in India) and income received by such persons in India (including income deemed to be received in India).
- 10.1.4. In the case of shares of a company, the source of income from shares will depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred. Since the Target Company is incorporated in India, the Equity Shares are "situated" in India and any gains arising to a non-resident on transfer of such shares is taxable in India under the Income Tax Act.
- 10.1.5. Further, the non-resident shareholder can avail benefits of the DTAA between India and the respective country of which the said shareholder is a tax resident subject to satisfying the relevant conditions including but not limited to (a) conditions present in the said DTAA (if any) read with the relevant provisions of the Multilateral Instrument as ratified by India with the respective country of which the said shareholder is tax resident; (b) non-applicability of GAAR and (c) providing and maintaining necessary information and documents as prescribed under the Income Tax Act.
- 10.1.6. The Income Tax Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the Open Offer, and corresponding withholding tax obligation based on the period of holding, residential status, classification of the shareholder, nature of the income earned, mode of acquisition, etc.

10.1.7. The shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income tax authorities, reporting their income for the relevant year.

10.1.8. In addition to income tax, as the tendering of Equity Shares is being undertaken on BSE Limited and National Stock Exchange of India Limited, such transaction will be chargeable to STT. STT is payable in India on the value of securities on every purchase or sale of securities that are listed on any Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted.

10.1.9. All references to equity shares herein is to listed equity shares unless stated otherwise.

10.2. **Classification of Shareholders**

10.3. **Classification of Shares**

Shareholders are also required to refer to Circular No.6/2016 dated February 29, 2016 issued by the CBDT. The nature of gains / loss in the foregoing cases will be as under:

Depending on the period for which the shares are held, the gains would be taxable as 'short term capital gain' or 'long-term capital gain'. Such classification would be determined as under:

(a) **STCA:** Equity shares held for less than or equal to 12 (Twelve) months.

(b) **LTCA:** Equity shares held for more than 12 (Twelve) months.

If STT is not paid at the time of acquisition of the shares being acquired under the Open Offer and they do not fall within the exceptions identified under Notification No. 60/2018/F.No.370142/9/2017-TPL dated October 1, 2018, then the entire LTCG arising to the shareholder shall be subject to tax as under at 12.50% (plus applicable surcharge and cess) under Section 112 of the Income Tax Act, in the case of resident shareholders and non-resident shareholders (other than FPI or NRI governed by the provisions of Chapter XII-A of the Income Tax Act).

- (f) The above rates are to be increased by applicable surcharge and cess.
- (g) Further, no deduction under Chapter VI-A would be allowed in computing STCG as well as LTCG.
- (h) The CBDT has *vide* Notification No. 9/2014 dated January 22, 2014 notified Foreign Portfolio Investors registered under the Securities and Exchange Board of India (FPI) Regulations, 2014 as FII for the purpose of Section 115AD of the Income Tax Act.

10.6. **Withholding Tax implications**

10.6.1. Remittance/Payment of Consideration

(a) **Resident shareholders:**

- a) As of the date of filing of this document, in the absence of any provisions under the Income Tax Act casting an obligation on the buyer to deduct tax on income arising in the hands of the resident seller on transfer of any property (other than immovable property), the Acquirer is not required to withhold tax on the consideration payable to eligible shareholders pursuant to tendering of shares under the Open Offer.
- b) With effect from July 1, 2021, Finance Act 2021 creates an obligation on the buyer of goods to withhold tax under Section 194Q at the rate of 0.1% when buying goods from an Indian resident. The withholding obligation only exists where the consideration for goods exceeds INR 50,00,000 (Indian Rupees fifty lakh only) and the buyer had a business turnover of more than INR 10,00,00,000 (Indian Rupees

ten crore) (in the immediately preceding year. The term “goods” has not been defined and may cover shares.

- c) As per Circular No 13 of 2021 dated June 30, 2021 issued by the CBDT, the provisions of Section 194Q is not applicable where the transactions in securities and commodities are traded through recognized stock exchange. Therefore, the Acquirer is not required to withhold tax under Section 194Q on consideration payable to resident shareholders.
- d) The resident shareholders must file their tax return in India *inter alia* considering gains arising pursuant to this Open Offer. The resident shareholders undertake to fully indemnify the Acquirer and/or the PACs if any tax demand is raised on the Acquirer and/or the PACs on account of income arising to the resident shareholders pursuant to this Open Offer. The resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

(b) Non-resident shareholders – FIIs

Section 196D of Income Tax Act, provides for a specific exemption from withholding tax at source from any income, by way of Capital Gains arising to an FII from the transfer of securities referred to in Section 115AD of the Income Tax Act. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs.

(c) Non-resident shareholders (other than FIIs):

- a) Each non-resident shareholder will confirm its status by selecting the appropriate box in the Form of Acceptance-cum-Acknowledgement.
- b) Section 195(1) of the Income Tax Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax under the provisions of the Income Tax Act is required to deduct tax at source at applicable rates in force (including applicable surcharge and cess). This tax shall be deducted at appropriate rates as per the Income Tax Act read with the provisions of the relevant DTAA, if applicable.
- c) However, the Acquirer will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirer to deduct taxes since the remittance / payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer to the non-resident shareholders.
- d) Since the tendering of shares under the Open Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is on the non-resident shareholder given that practically it is not possible to withhold taxes and the Acquirer believe that the responsibility of withholding / discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the custodians / authorized dealers / non-resident shareholders – with no recourse to the Acquirer. It is therefore recommended that the non-resident shareholders consult their custodians / authorized dealers / tax advisors appropriately. In the event the Acquirer are held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer should be fully indemnified.

- e) The non-resident shareholders must file their tax return in India *inter alia* considering gains arising pursuant to this Open Offer. The non-resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

10.6.2. Remittance / Payment of Interest

- (a) In case of interest, if any, paid by the Acquirer to Public Shareholders (all such shareholders being resident shareholders) for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirer depending on the settlement mechanism for such interest payments. In the event, to withhold tax, the same shall be basis the documents submitted along with the Form of Acceptance-cum-Acknowledgement or such additional documents as may be called for by the Acquirer. It is recommended that the Public Shareholders consult their custodians / authorized dealers / tax advisors appropriately with respect to the taxability of such interest amount (including on the categorization of the interest, whether as capital gains or as other income). In the event the Acquirer is held liable for the tax liability of the Public Shareholder, the same shall be to the account of the Public Shareholder and to that extent the Acquirer should be fully indemnified.
- (b) The Public Shareholders must file their tax return in India *inter alia* considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer. The Public Shareholders also undertake to provide to the Acquirer, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.
