(2) Information sourced from financials filed by the Issuer Company and Peers on the stock exchanges

(3) Information not provided as the relevant fiscal year has not completed

Key ratios for the Company for the three fiscal years stated above shall be calculated as follows:

1. P/E ratio has been computed based on the closing market price of equity shares as on November 21, 2025, divided by the Diluted EPS.

2. EPS of the peers is taken as disclosed in annual consolidated financials for Financial Year 2025. Diluted EPS refers to the diluted earnings per share of the respective company.

3. Return on Net Worth (%) is calculated as Loss for the year divided by the net worth as at the end of the year/period.

4. Net asset value per Equity Share represents Net Worth as at the end of the year/period divided by weighted average number of Equity Shares considered for calculating basic and diluted EPS for the year/period.

5. Net Worth, as per Regulation 2(1)(h) of the SEBI ICDR Regulations, means the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, as per the restated statement of assets and liabilities, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation.

Further, Net worth is calculated by deducting the revaluation reserve and common control capital reserve from the equity attributable to owners of the Company. Equity attributable to owners of the Company comprises of equity share capital, instruments entirely equity in nature and other equity.
