- 5) With effect from April 1, 2025, the operating segments used for the purpose of internal performance review and resource allocation were revised in accordance with Ind AS 108 “Operating Segments” to enable a more meaningful presentation of the financial results of the business activities in which the Group operates. In line with the above, the underlying businesses of the erstwhile segments, namely (i) Investment Bank, (ii) Mortgage Lending, (iii) Alternative & Distressed Credit, and (iv) Asset Management, Wealth Management & Securities Business (Platform AWS) have been reclassified into four new reportable segments, namely, (i) Corporate Advisory and Capital Markets, (ii) Wealth and Asset Management, (iii) Private Markets, and (iv) Affordable Home Loans. Treasury and others include unallocated surplus funds.

Accordingly, the comparative segment-wise information for all the periods presented in these consolidated results conform with the revised classification.

- 6) In the standalone results, Other Income for the third quarter ended December 31, 2025 includes dividend income of Rs. 127.21 crore (Rs. 106.76 crore for the quarter ended September 30, 2025, Rs. Nil for the quarter ended December 31, 2024) from subsidiaries.
- 7) As reported earlier during the quarter ended March 2025, the Company had received a favourable order from the Deputy Commissioner of Income Tax, Government of India under Section 254 read with Section 143(3) of the Income-tax Act, 1961 in respect of the assessment year 2008-09. Pursuant to this order, the Company received an amount of Rs. 223.32 crore on November 14, 2025, as and by way of income tax refund (including interest of Rs. 112.80 crore), net of certain tax adjustments made by the Tax authorities. The said interest, is included under “Other Income” in the standalone and consolidated financial results for the quarter and nine months ended December 31, 2025.

- 8) On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 which consolidate 29 existing labour laws into a unified framework governing employee benefits during employment and post-employment. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to the new Labour Codes. The Company has assessed and disclosed the incremental impact of these changes on the basis of the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. The Labour Codes, amongst other things, introduce changes, including a uniform definition of wages. These changes have resulted in increase in gratuity liability arising from past service by Rs. 2.69 crore and Rs. 21.29 crore in the standalone and consolidated financial results respectively. Considering the materiality and regulatory-driven, non-recurring nature of this development, the Company has accounted such incremental impact as “Statutory impact of new Labour Codes” under “Exceptional item” in the standalone and consolidated financial results for the quarter and nine months period ended December 31, 2025. The Company continues to monitor the finalization of Central/State Rules and clarifications from the Government on various other aspects of the New Labour Codes and would give appropriate accounting effect of such developments in the period(s) in which they are notified.
- 9) During the quarter ended December 31, 2025, JM Financial Services Limited (the “JMFSL”), a wholly owned subsidiary of the Company received orders passed by the Income Tax Appellate Tribunal, Mumbai (“ITAT”) pertaining to disallowances in relation to the arbitrage business for the Assessment Years 2012-13, 2013-14 and 2014-15. Considering the favourable orders received by JMFSL in similar matters for earlier assessment years and as legally advised, JMFSL believes it has a good case to succeed on merits in higher legal forums. JMFSL intends to file an appeal against the said orders before the Honourable High Court, Mumbai. The impending tax demands pursuant to the said orders of the ITAT, though likely to be material, cannot be quantified at this stage as the Order Giving Effect to the above ITAT orders is pending. JMFSL will continue to monitor developments and the financial impact, if any, arising from this matter.
