FORWARD LOOKING STATEMENTS

Certain statements contained in this Shelf Prospectus that are not statements of historical fact constitute “forward-looking statements.” Investors can generally identify forward-looking statements by terminology such as “aim”, “anticipate”, “believe”, “continue”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “plan”, “potential”, “project”, “pursue”, “should”, “will”, “would”, or other words or phrases of similar import. All statements regarding our Company’s expected financial condition and results of operations and business plans and prospects are forward-looking statements. These forward-looking statements include statements as to our Company’s business strategy, revenue and profitability, planned projects and other matters discussed in this Shelf Prospectus that are not historical facts. These forward-looking statements and any other projections contained in this Shelf Prospectus (whether made by our Company or any third party) are predictions and involve known and unknown risks, uncertainties, assumptions and other factors that may cause our Company’s actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or other projections. All forward-looking statements are subject to risks, uncertainties and assumptions about our Company that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Important factors that could cause actual results to differ materially from our Company’s expectations include, among others:

- Any increase in the levels of NPA on our loan portfolio, for any reason whatsoever;
- Any volatility in interest rates;
- General economic and business conditions in India and globally;
- Our ability to successfully implement our strategy, our growth and expansion plans and technological changes;
- Our ability to compete effectively and access funds at competitive cost;
- Unanticipated turbulence in interest rates, equity prices or other rates or prices; the performance of the financial and capital markets in India and globally;
- Availability of funds and willingness of our lenders to lend;
- Changes in political conditions in India;
- The rate of growth of our loan assets;
- The outcome of any legal or regulatory proceedings we are or may become a party to;
- Changes in Indian and/or foreign laws and regulations, including tax, accounting, banking, securities, insurance and other regulations; changes in competition and the pricing environment in India; and regional or general changes in asset valuations;
- Any changes in connection with Government policies, statutory provisions, regulations and/or RBI directions in connection with NBFCs, including laws that impact our lending rates and our ability to enforce our collateral;
- We have incurred significant indebtedness and may incur substantial additional borrowings in connection with our business;
- Emergence of new competitors;
- Growth of transportation services in India;
- Occurrence of natural calamities or natural disasters affecting the areas in which our Company has operations;
- Other factors discussed in this Shelf Prospectus, including under the section titled “*Risk Factors*” beginning on page 15.

All forward-looking statements are subject to risks, uncertainties and assumptions about our Company that could cause actual results and valuations to differ materially from those contemplated by the relevant statement. Additional factors that could cause actual results, performance or achievements to differ materially include, but are not limited to, those discussed under the sections titled “*Industry*”, “*Our Business*” and “*Outstanding Litigations and Defaults*” on page 73, 88 and 495 respectively, of this Shelf Prospectus. The forward-looking statements contained in this Shelf Prospectus are based on the beliefs of management, as well as the assumptions made by and information currently available to management. Although our Company believes that the expectations reflected in such forward-looking statements are reasonable at this time, it cannot assure investors that such expectations will prove to be correct or will hold good at all times. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements. If any of these risks and uncertainties materialize, or if any of our Company’s underlying assumptions prove to be incorrect, our Company’s actual results of operations or financial condition could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to our Company are expressly qualified in their entirety by reference to these cautionary statements.

Neither the Lead Managers, our Company, our Directors and Officers nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the Debt Regulations, our Company, the Lead Managers will ensure that investors in India are informed of material developments between the date of filing this Shelf Prospectus and relevant Tranche Prospectus with the RoC and the date of the Allotment.

The extent to which the industry and market data presented in this Shelf Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which we conduct our business and methodologies and assumptions may vary widely among different market and industry sources.

SECTION II RISK FACTORS

An investment in NCDs involves a certain degree of risk. Prospective investors should carefully consider the risks and uncertainties described below, in addition to the other information contained in this Shelf Prospectus before making any investment decision relating to the NCDs. The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with our business or any decision to purchase, own or dispose of the NCDs. If any of the following risks or other risks that are not currently known or are now deemed immaterial, actually occur, our business, financial condition, result of operation and cash flows could suffer, the trading price of the NCDs could decline and you may lose your all or part of your interest and / or redemption amounts. Unless otherwise stated in the relevant risk factors set forth below, we are not in a position to specify or quantify the financial or other implications of any of the risks mentioned herein. The ordering of the risk factors is intended to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another.

This Shelf Prospectus contains forward looking statements that involve risk and uncertainties. Our Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of several factors, including the considerations described below and elsewhere in this Shelf Prospectus. Unless the context otherwise requires, the financial information used in this section is derived from and should be read in conjunction with the Reformatted Standalone Financial Statements of our Company.

Investors are advised to read the following risk factors carefully before making an investment in the NCDs offered in this Issue. You must rely on your own examination of our Company and this Issue, including the risks and uncertainties involved.

Considerations relating to our Company and its Business

Our financial performance is highly sensitive to interest rate volatility and our lending and treasury operations may be impacted by any volatility in such interest rates, which could cause our net interest income and margins to decline and adversely affect our return on assets and profitability.

Our results of operations are substantially dependent upon the level of our net interest margins. Revenue from operations is the largest component of our total income and constituted 99.98 per cent. and 98.27 per cent. of our total income (including exceptional items) on an unconsolidated basis in fiscal 2017 and fiscal 2018, respectively. As of March 31, 2018, our assets under financing activities (net of securitisation and assignment) were ₹ 8,051,415.05 lakhs. We provide loans at fixed rates of interest. As of March 31, 2018, our hypothecation loans amounted to ₹ 7,787,634.83 lakhs. Hypothecation loans refers to loans given against the hypothecation/pledging of an asset. We borrow funds on both fixed and floating rates. As of March 31, 2018, approximately 72.05 per cent. of our borrowings were at fixed rates and 27.95 per cent. were at floating interest rates. We are exposed to interest rate risks as a result of lending to customers predominantly at fixed interest rates (and we typically do not have an escalation clause in our agreements), amounts and for periods which may differ from our funding sources. Volatility in interest rates can materially and adversely affect our financial performance and cash flows. In a rising interest rate environment, if the yield on our interest-earning assets does not increase simultaneously with or to the same extent as our cost of funds, or, in a declining interest rate environment, if our cost of funds does not decline simultaneously or to the same extent as the yield on our interest-earning assets, our net interest income and net interest margin would be adversely impacted. Additional risks arising from increasing interest rates, among others, include:

- inability to charge rate of interest from our customers commensurate with the increase in cost of funds due to fixed interest clause in maturity of our loan agreements;
- reductions in the volume of commercial vehicle loans as a result of clients' inability to service high interest rate payments; and
- reduction in the value of fixed income securities held in our investment portfolio.

Accordingly, our operations are susceptible to fluctuations in interest rates. Interest rates are highly sensitive, and fluctuations thereof are dependent upon many factors which are beyond our control, including the monetary policies of the RBI, de-regulation of the financial services sector in India, domestic and international economic and political conditions, inflation and other factors. Difficult conditions in the global and Indian economy can affect the availability of credit.

Our business requires raising substantial capital through borrowings and any disruption in funding sources would have a material adverse effect on our liquidity, financial condition and/or cash flows.

As an asset finance company, our liquidity and on-going profitability are, in large part, dependent upon our timely access to, and the costs associated with, raising capital. As of March 31, 2018, 85.40 per cent. of our borrowed funds consisted of funds raised from financial institutions and banks (including public issues of non-convertible debentures), while the remaining 14.60 per cent. consisted of funds raised through retail borrowings. Our funding requirements are predominantly met through term loans from banks (including cash credit), the issue of redeemable non-convertible debentures and fixed deposits, which constituted 25.99 per cent., 38.51 per cent. and 12.79 per cent. of our total borrowings, respectively, as of March 31, 2018. Our credit providers include nationalised banks, private Indian banks and foreign banks and we also rely on retail investors. Our business, therefore, depends and will continue to depend on our ability to access diversified funding sources. Our ability to raise funds on acceptable terms and at competitive rates continues to depend on various factors including our credit ratings, the regulatory environment and policy initiatives in India, developments in the international markets affecting the Indian economy, investors' and/or lenders' perception of demand for debt and equity securities of NBFCs and our current and future results of operations and financial condition. Changes in economic and financial conditions or continuing lack of liquidity in the market could make it difficult for us to access funds at competitive rates. Any such disruption in our ability to access primary funding sources at competitive costs would have a material adverse effect on our liquidity, financial condition and/or cash flows.

If we are unable to manage the level of non-performing assets (NPAs) in our loan portfolio, our financial position, results of operations and cash flows may suffer.

Gross NPAs have increased from ₹ 5,40,843.58 lakhs as of March 31, 2017, to ₹ 7,37,639.32 lakhs as of March 31, 2018 and our Net NPAs have increased from ₹ 1,65,899.15 lakhs as of March 31, 2017, to ₹ 2,13,114.75 lakhs as of March 31, 2018. Our Gross NPAs as a percentage of Total Loan Assets was 8.17 per cent. and 9.16 per cent. as of March 31, 2017, and March 31, 2018, respectively, while our Net NPAs as a percentage of our Net Loan Assets was 2.66 per cent. and 2.83 per cent as of March 31, 2017 and March 31, 2018, respectively.

With the growth in our business, we expect an increase in our loan portfolio. Should the overall credit quality of our loan portfolio deteriorate, the current level of our provisions may not be adequate to cover further increases in the amount of our NPAs. There can be no assurance that there will be no further deterioration in our provisioning coverage as a percentage of Gross NPAs or otherwise, or that the percentage of NPAs that we will be able to recover will be similar to our past experience of recoveries of NPAs. We cannot be sure that we will be able to improve our collections and recoveries in relation to our NPAs, or otherwise adequately control our level of NPAs in future. Recent RBI regulations have mandated a shorter time period for classifying assets as NPAs. Pursuant to the RBI circular dated February 12, 2018 the time period for classifying our assets as NPAs has been reduced to 90 days resulting in an increase in our Gross NPAs. Moreover, as our loan portfolio matures, we may experience greater defaults in principal and/or interest repayments.

In addition, in certain cases where a customer has delayed payments but has demonstrated an ability to continue servicing the relevant loan, we generally do not enforce the security and take possession of the financed vehicle, but we allow the loan to remain outstanding and continue without restructuring, which can adversely affect the position of our asset quality and NPA provisioning. There can also be no assurance that in such cases the customer would not continue to delay payments, which could adversely affect our profitability and cash flows.

If we are not able to control or reduce our level of NPAs, the overall quality of our loan portfolio may deteriorate, and our results of operations and/or cash flows may be adversely affected. Furthermore, although we believe our current provisioning for NPAs is comparable with the industry standards, in future our provisions may not be adequate when compared to the loan portfolios of other financial institutions. Moreover, there also can be no assurance that there will be no further deterioration in our provisioning coverage as a percentage of Gross NPAs or otherwise, or that the percentage of NPAs that we will be able to recover will be similar to our past experience of recoveries of NPAs. In the event of any deterioration in our NPA portfolio, there could be an even greater adverse impact on our results of operations and/or cash flows.

Our business is focused on commercial vehicle finance for new and pre-owned commercial vehicles and any adverse developments in this sector would adversely affect our results of operations.

As we focus on providing financing for pre-owned and new commercial vehicles, our asset and NPA portfolios have, and will likely continue in the future to have, a high concentration of pre-owned and new commercial vehicle

financing arrangements. As of March 31, 2018, our product portfolio for commercial vehicle financing comprised 84.04 per cent. pre-owned, 11.42 per cent. new commercial vehicles and 4.54 per cent. other loans. Moreover, our customer base has, and will likely continue in the future to have, a high concentration of first time buyers and small road transport operators (**SRTOs**).

Our business is, therefore, entirely dependent on various factors that impact this customer segment such as the demand for transportation services in India, changes in Indian regulations and policies affecting pre-owned commercial vehicles, natural disasters and calamities, and the macroeconomic environment in India and globally. In addition, individual borrowers, FTBs and SRTOs are generally less financially resilient than larger corporate borrowers or fleet owners, and as a result, can be more adversely affected by declining economic conditions. Such factors may result in a decline in the sales or value of new and pre-owned commercial vehicles. Therefore, the demand for finance for pre-owned and new commercial vehicles may decline, which in turn may adversely affect our financial condition, the results of our operations and/or cash flows. In addition, the ability of commercial vehicle owners and/or operators to perform their obligations under existing financing agreements may be adversely affected if their businesses suffer as a result of the aforesaid factors.

Our business is not diversified and any factor which adversely impacts our customer segment may have a disproportionate impact on our operations, profitability and/or cash flows.

Our business is cyclical in nature. High levels of customer defaults could adversely affect our business, financial condition, results of operations and/or cash flows.

Our primary business involves lending money to commercial vehicle owners and operators in India, and we are subject to customer default risks including default or delay in repayment of principal or interest on our loans. Customers may default on their obligations to us as a result of various factors including bankruptcy, lack of liquidity, lack of business and operational failure. If borrowers fail to repay loans in a timely manner or at all, our financial condition, results of operations and/or cash flows will be adversely impacted.

In addition, our customer portfolio principally consists of SRTOs and FTBs that lack banking habits and individual borrowers generally are less financially resilient than larger corporate borrowers and, as a result, they can be more adversely affected by declining economic conditions. In addition, a significant majority of our client base belongs to the low-income group. The owners and/or operators of commercial vehicles we finance often do not have any credit history supported by tax returns and other related documents which would enable us to assess their creditworthiness. In addition, we may not receive updated information regarding any change in the financial condition of our customers or may receive inaccurate or incomplete information as a result of any fraudulent misrepresentation on the part of our customers. Furthermore, unlike several developed economies, a nationwide credit bureau covering our customers does not exist, so there is less financial information available about the creditworthiness of individuals, particularly our client segment that is mainly from the low-income group and which typically has limited access to other financing sources. It is therefore difficult to carry out precise credit risk analyses on our clients. Although we follow certain procedures to evaluate the credit profile of our customers at the time of sanctioning a loan, we generally rely on the referrals from the local trucking community and value of the commercial vehicle provided as underlying collateral rather than on a stringent analysis of the credit profile of our customers. Although we believe that our risk management controls are sufficient, we cannot be certain that they will continue to be sufficient or that additional risk management policies for individual borrowers will not be required.

Failure to continuously monitor the loan contracts, particularly for individual borrowers, could adversely affect our credit portfolio which could have a material and adverse effect on our results of operations, financial condition and/or cash flows.

We may not be able to recover, on a timely basis or at all, the full value of collateral or amounts which are sufficient to cover the outstanding amounts due under defaulted loans and guarantee given by our Company.

As a security interest for the financing facilities provided by us to our customers, the vehicles purchased by our customers are hypothecated in our favour. The value of the vehicle, however, is subject to depreciation, deterioration and/or reduction in value on account of other extraneous reasons, over the course of time. Consequently, the realisable value of the collateral for the credit facility provided by us, when liquidated, may be lower than the outstanding loan from such customers. Any default in repayment of the outstanding credit obligations by our customers may expose us to losses. Furthermore, in the case of a default, we may repossess the commercial vehicles financed and sell such vehicles. The hypothecated vehicles, being movable property, may be difficult to locate or seize in the event of any default by our customers. There can also be no assurance that we will be able to sell such vehicles provided as

collateral at prices sufficient to cover the amounts under default. In addition, there may be delays associated with such processes. A failure or delay to recover the expected value from sale of collateral security could expose us to a potential loss. Any such losses could adversely affect our financial condition, results of operations and/or cash flows. Furthermore, enforcing our legal rights by litigating against defaulting customers is generally a slow and potentially expensive process in India. Accordingly, it may be difficult for us to recover amounts owed by defaulting customers in a timely manner or at all. The recovery of monies from defaulting customers may be further compounded by the fact that we do not generally insist on, or receive, post-dated cheques as security towards the timely repayment of dues from customers to whom we have provided loans. Further if we are unable to sell any repossessed vehicles provided as security for such loans at commercially favourable prices, in a timely manner or at all, we may not recover the costs of maintaining such repossessed vehicles and our operations, cash flows and profitability could be adversely affected.

There are outstanding legal proceedings against our Company which may adversely affect our business, financial condition and results of operations.

There are outstanding legal proceedings against our Company that are in the ordinary course of business or are incidental to our business and operations, including certain criminal proceedings, civil proceedings, tax proceedings and cases under the Negotiable Instruments Act, 1881 and certain legislation relating to “money lending” activities which, if determined against us, could have a material adverse effect on our goodwill, financial condition, results of operations and cash flows. These proceedings are pending at different levels of adjudication before various courts and tribunals, primarily relating to civil suits and tax disputes.

The Company has filed an appeal before the Supreme Court of India in connection with a writ petition filed by our Company challenging the action of the Commissioner of Commercial Taxes, Kerala, directing our Company to register under the provisions of the Kerala Money Lenders Act, 1958. Further, our Company has filed a writ petition against the State of Karnataka before the High Court of Karnataka, *inter alia*, seeking a declaration that the provisions of the Karnataka Money Lenders Act, 1961, and the Karnataka Prohibition of Charging Exorbitant Interest Act, 2004 do not apply to our Company. In the event of any adverse ruling, our Company may be required to register as a money lending entity and will be required to comply with the provisions of such legislation within the relevant States and similar regulatory authorities in other States in India where we currently carry on business or propose to carry on business in the future, including imposition of caps on the interest rates which can be charged by our Company. If we are required to comply with such interest rate limits or any other conditions specified under such legislation, our interest income and net interest margin may be adversely impacted as well as the conduct of our operations.

Further, there can be no assurance that the pending proceedings will be decided in our favour or that penal or other action will not be taken against our Company and/or any senior management party to such proceedings and/or or that the provisions we make will be adequate to cover all losses we may incur in such proceedings, or that our actual liability will be as reflected in any provision that we have made in connection with any such legal proceedings. We may be required to devote management and financial resources in the defence or prosecution of such legal proceedings. If a number of these disputes are determined against our Company and if our Company is required to pay all or a portion of the disputed amounts or if we are unable to recover amounts for which we have filed recovery proceedings, there could be a material and adverse impact on our reputation, business, financial condition and results of operations.

For further information relating to such proceedings, see “*Outstanding Litigations and Defaults*” page 495.

A large part of our collections are in cash and consequently we face the risk of misappropriation or fraud by our employees.

A significant portion of our collections from our customers is in cash. Large cash collections expose us to the risk of fraud, misappropriation or unauthorised transactions by our employees responsible for dealing with such cash collections. While we have taken insurance policies and coverage for cash in safes and in transit and undertake measures to detect and prevent any unauthorised transaction, fraud or misappropriation by our representatives and officers, this may not be sufficient to prevent or deter such activities in all cases, which may adversely affect our operations, profitability and/or cash flows. Further, we may be subject to regulatory or other proceedings in connection with any unauthorised transaction, fraud or misappropriation by our representatives and employees, which could adversely affect our goodwill, business prospects and future financial performance.

Our significant indebtedness and the conditions and restrictions imposed by our financing arrangements could restrict our ability to conduct our business and operations in the manner we desire.

As of March 31, 2018, we had outstanding secured debt (gross of unamortised discount of ₹ 118.20 lakhs) of ₹ 46,15,452.20 lakhs and unsecured debt (gross of unamortised discount of ₹ 6,280.29 lakhs) of ₹ 1,722,862.12 lakhs. As of March 31, 2017, we had outstanding secured debt (gross of unamortised discount of ₹ 0.08 lakhs) of ₹ 40,86,623.74 lakhs and unsecured debt (gross of unamortised discount of ₹ 0.00) of ₹ 12,24,386.17 lakhs. We will continue to incur additional indebtedness in the future. Most of our borrowings are secured by our immovable, movable and other assets. Our significant indebtedness could have several important consequences, including but not limited to the following:

- a portion of our cash flow may be used towards repayment of our existing debt, which will reduce the availability of our cash flow to fund working capital, capital expenditures, acquisitions and other general corporate requirements;
- our ability to obtain additional financing in the future at reasonable terms may be restricted or our cost of borrowings may increase due to sudden adverse market conditions, including decreased availability of credit or fluctuations in interest rates;
- fluctuations in market interest rates may affect the cost of our borrowings, as some of our indebtedness is at variable interest rates;
- there could be a material adverse effect on our business, financial condition, results of operations and/or cash flows if we are unable to service our indebtedness or otherwise comply with financial and other covenants specified in the financing agreements; and
- we may be more vulnerable to economic downturns, may be limited in our ability to withstand competitive pressures and may have reduced flexibility in responding to changing business, regulatory and economic conditions.

Some of our financing agreements also include various conditions and covenants that require us to obtain lender consents prior to carrying out certain activities and entering into certain transactions. Failure to meet these conditions or obtain these consents could have significant consequences on our business and operations. Specifically, under some of our financing agreements, we require, and may be unable to obtain, consents from the relevant lenders for, among others, the following matters: entering into any scheme of merger; spinning-off of a business division; selling or transferring all or a substantial portion of our assets; making any change in ownership or control or constitution of our Company; making amendments in our Memorandum and Articles of Association; creating any further security interest on the assets upon which the existing lenders have a prior charge; and raising funds by way of any fresh capital issue. Our financing agreements also typically contain certain financial covenants including the requirement to maintain, among others, specified debt-to-equity ratios, debt-to-net worth ratios, or Tier I to Tier II capital ratios that may be higher than statutory or regulatory requirements. These covenants vary depending on the requirements of the financial institution extending the loan and the conditions negotiated under each financing document. Such covenants may restrict or delay certain actions or initiatives that we may propose to take from time to time.

A failure to observe the covenants under our financing arrangements or to obtain necessary consents required thereunder may lead to the termination of our credit facilities, acceleration of all amounts due under such facilities and the enforcement of any security provided. Any acceleration of amounts due under such facilities may also trigger cross default provisions under our other financing agreements. If the obligations under any of our financing documents are accelerated, we may have to dedicate a substantial portion of our cash flow from operations to make payments under such financing documents, thereby reducing the availability of cash for our working capital requirements and other general corporate purposes. Further, during any period in which we are in default, we may be unable to raise, or face difficulties raising, further financing. Any of these circumstances could adversely affect our business, credit rating, financial condition, results of operations and/or cash flows.

If the performance of our portfolios relating to various credit and financing facilities deteriorates, our business, financial condition, results of operations and/or cash flows may be adversely affected.

We have in the past acquired, and may in the future continue to acquire, portfolios relating to various credit and financing facilities from various originators including banks and other institutions, in the ordinary course of our business.

There can be no assurance that we will not experience any deterioration in the performance of any loan portfolio acquired by us or that may be acquired by us in the future. Any deterioration in such loan portfolios acquired by us, and an inability to seek recourse against loan portfolio originators, or otherwise recover the investments made in connection with the acquisition of such loan portfolios, would adversely impact our earnings realised from such loan portfolios and may adversely affect our business, financial condition and results of operations.

We face increasing competition in our business which may result in declining margins if we are unable to compete effectively.

We primarily provide vehicle finance loans to FTBs and SRTOs. Our primary competition historically has been private unorganised financiers who principally operate in the local market. However, the significant growth in the commercial vehicle finance segment in recent periods has attracted private banks and nonbanking finance companies (NBFC) increasing their focus on this segment. In addition, interest rate deregulation and other liberalisation measures affecting the commercial vehicle finance sector, together with increased demand for capital by FTBs and SRTOs, have resulted in an increase in competition.

All of these factors have resulted in our facing increased competition from other lenders in the commercial vehicle finance sector, including commercial banks and other NBFCs. Our ability to compete effectively will depend, to some extent, on our ability to raise low cost funding in the future. Furthermore, as a result of increased competition in the commercial vehicle finance sector, vehicle finance products are becoming increasingly standardised and variable interest rate and payment terms and lower processing fees are becoming increasingly common in the commercial vehicle finance sector in India. There can be no assurance that we will be able to react effectively to these or other market developments or compete effectively with new and existing players in the increasingly competitive commercial vehicle finance industry. Increasing competition may have an adverse effect on our net interest margin and other income, and if we are unable to compete successfully, our market share may decline.

If we are unable to compete effectively with other participants in the commercial vehicle finance sector, our business, future financial performance and the trading price of the NCDs may be adversely affected.

In recent years, we have experienced substantial growth. Our growth strategy includes growing our branch network and presence in rural centres. There can be no assurance that we will be able to sustain our growth strategy successfully or that we will be able to expand further or diversify our product portfolio. If we grow our branch network and presence too rapidly or fail to make proper assessments of credit risks associated with new borrowers, a higher percentage of our loans may become non-performing, which would have a negative impact on the quality of our assets and our financial condition.

We also face a number of operational risks in executing our growth strategy. We have experienced rapid growth in our commercial vehicle finance business; our branch network has expanded significantly, and we are entering into new, smaller towns and cities within India as part of our growth strategy. Our rapid growth exposes us to a wide range of increased risks, including business risks, such as the possibility that a number of our impaired loans may grow faster than anticipated, as well as operational risks, fraud risks and regulatory and legal risks. It will also place significant demands on our management, financial and other resources and will require us to continuously develop and improve our operational, financial and internal controls. Moreover, our ability to sustain our rate of growth depends significantly upon our ability to manage key issues such as selecting and retaining key managerial personnel, maintaining effective risk management policies, continuing to offer products which are relevant to our target base of clients, developing managerial experience to address emerging challenges and ensuring a high standard of client service. We will need to recruit new employees, who will have to be trained and integrated into our operations. We will also have to train existing employees to adhere properly to internal controls and risk management procedures. Failure to train our employees properly may result in an increase in employee attrition rates, require additional hiring, erode the quality of customer service, divert management resources, increase our exposure to high-risk credit and impose significant costs on us.

We may not be able to successfully consolidate and expand our product portfolio.

We intend to consolidate and expand our product portfolio as part of our growth strategy. As of March 31, 2018, our assets under our management product portfolio comprised heavy commercial vehicles, light commercial vehicles, passenger vehicles, tractors and other loans, which constituted 47.48 per cent., 20.60 per cent., 23.26 per cent., 4.10 per cent. and 4.56 per cent., respectively, of our total Assets Under Management.

We cannot assure that such diversification or expansion of operations will in future yield and/or continue to yield favourable or expected results, as our overall profitability and success will be subject to various factors, including, among others, our ability to obtain necessary statutory and/or regulatory approvals and licences, our ability to effectively recruit, retain and motivate appropriate managerial talent and ability to compete with banks and other NBFCs that are already well established in this market segment, as well as our ability to effectively absorb additional infrastructure costs.

Our loan portfolio may no longer continue to be classified as priority sector advances by the RBI.

The RBI currently mandates commercial banks operating in India, including foreign banks with more than 20 branches in India to maintain an aggregate 40 per cent. of adjusted net bank credit or a credit equivalent amount of off-balance-sheet exposure, whichever is higher as “priority sector advances”. These include advances to agriculture, micro and small enterprises (including SRTOs, which constitute the largest proportion of our loan portfolio), micro enterprises within the micro and small enterprises sector, export credit, and advances to weaker sections where the Government seeks to encourage flow of credit for developmental reasons. Banks in India that have traditionally been constrained or unable to meet these requirements organically have relied on specialised institutions such as us that are better positioned to or exclusively focus on originating such assets through on-lending or purchase of assets or securitised and assigned pools to comply with these targets.

In the event that any part of our loan portfolio is no longer classified as a priority sector advance by the RBI, or if the laws relating to priority sector lending as applicable to the banks undergo a change, our ability to securitise our asset pool will be hampered, which may adversely affect our financial condition, results of operations and/or cash flows.

We may experience difficulties in expanding our business into new regions and markets in India.

As part of our growth strategy, we continue to evaluate attractive growth opportunities to expand our business into new regions and markets in India. Factors such as competition, culture, regulatory regimes, business practices and customs and customer requirements in these new markets may differ from those in our current markets, and our experience in our current markets may not be applicable to these new markets. In addition, as we enter new markets and geographical regions, we are likely to compete not only with other banks and financial institutions but also the local unorganised or semi-organised private financiers, who are more familiar with local regulations, business practices and customs, and have stronger relationships with customers.

If we plan to expand our geographical footprint, our business may be exposed to various additional challenges, including: obtaining necessary governmental approvals; identifying and collaborating with local business and partners with whom we may have no previous working relationship; successfully gauging market conditions in local markets with which we have no previous familiarity; attracting potential customers in a market in which we do not have significant experience or visibility; being susceptible to local taxation in additional geographical areas of India; and adapting our marketing strategy and operations to different regions of India in which different languages are spoken. Our inability to expand our current operations may adversely affect our business prospects, financial conditions, results of operations and/or cash flows.

Any downgrade of our credit ratings would increase borrowing costs and constrain our access to capital and lending markets and, as a result, would negatively affect our net interest margin and our business.

The cost and availability of capital is also dependent on our short-term and long-term credit ratings. Ratings reflect a rating agency’s opinion of our financial strength, operating performance, strategic position and ability to meet our obligations. In relation to our subordinate debt programme, as of March 31, 2018, we have ratings of “CARE AA+/Stable” from CARE, “IND AA+/Stable Outlook” from India Ratings and Research and “CRISIL AA+/Stable” from CRISIL. In relation to fixed deposits, we currently have ratings of “CRISIL FAAA/Stable” from CRISIL and “MAA+ with Stable Outlook” from ICRA. In relation to our short-term debt instruments, we have also received short term ratings of “CRISIL A1+” from CRISIL, “IND A1+” from India Ratings and Research and “CARE A1+” from CARE, B from Standard & Poor’s Ratings, and B from Fitch Ratings and for our long-term debt instruments, we have received long-term ratings of “CARE AA+/Stable” from CARE, “IND AA+/Stable Outlook” from India Ratings and Research, “CRISIL AA+/Stable” from CRISIL, BB+/Stable from Standard & Poor’s Ratings, BB+/Stable Outlook from Fitch Ratings, and BB+ from Standard & Poor’s for offshore Rupee Denominated Bonds. Our credit rating by credit rating agencies indicates a high degree of safety regarding the timely servicing of financial obligations and carrying very low credit risk.

Any downgrade of our credit ratings would increase borrowing costs and constrain our access to capital and debt

markets and, as a result, would negatively affect our net interest margin and our business. In addition, downgrades of our credit ratings could increase the possibility of additional terms and conditions being added to any additional financing or refinancing arrangements in the future. The ratings provided by credit rating agencies may be suspended, withdrawn or revised at any time by the assigning rating agency and should be evaluated independently of any other rating. These ratings are not a recommendation to buy, sell or hold securities and investors should take their own decisions. Any such adverse development could adversely affect our business, financial condition, results of operations and/or cash flows.

If we are unable to successfully expand, maintain or leverage our arrangements with private financiers involved in commercial vehicle financing, our business prospects, results of operations, financial conditions and/or cash flows may be adversely affected.

Our revenue sharing arrangements with private financiers involved in commercial vehicle financing across India is an integral part of our growth strategy. We enter into strategic agreements with private financiers ranging from individual financiers and small local private financiers, including other NBFCs, to capitalise on their local knowledge, infrastructure and personnel base of our partners in order to source new customers. The revenue-sharing arrangements are at pre-determined amounts. For further information on our revenue sharing arrangements, see “Our Business - Our Company’s Operations - Customer Origination - Revenue Sharing Arrangements with Private Financiers”.

There can be no assurance that the other party will comply with the procedural and other conditions specified by us in connection with our arrangements with them in the context of customer origination, the credit appraisal process, loan administration and monitoring and any loan recovery processes, or that our partners will not act in any manner that could adversely affect our reputation, brand, customer relationships or business interests. For example, we have in the past experienced certain instances of fraud by some parties. There can also be no assurance that we will be able to leverage and benefit from these arrangements to effectively source a sufficient volume of new customers and business commensurate to the revenue-sharing and other incentives provided to our partners under our arrangements with them. Further, our financiers or the personnel they employ may be engaged in unethical or unlawful behaviour or they may misrepresent or mis-sell our products and services. Due to this, we may also suffer from reputational and legal risks and these actions may materially and adversely affect our business, financial condition and results of operations.

In addition, we may not be able to identify suitable private financiers in the future with whom we can successfully work through such arrangements, or in joint marketing and customer support activities, and there can be no assurance that we will be able to ensure any level of success with such arrangements for any sustained period of time. Furthermore, there can be no assurance that there will not be any dispute with the other parties the arrangements in the future. If we are unable to successfully expand, maintain or leverage our arrangements and relationship with the parties to the arrangements, our business prospects, results of operations, financial conditions and/or cash flows may be adversely affected.

A decline in our capital adequacy ratio could restrict our future business growth.

All deposit taking NBFCs are required to maintain a minimum capital adequacy ratio, consisting of Tier I and Tier II capital, of not less than 15 per cent. of its aggregate risk-weighted assets on balance sheet and risk-adjusted value of off-balance sheet items. Our capital adequacy ratio computed on the basis of applicable RBI requirements was 16.94 per cent. and 16.87 per cent as of March 31, 2017 and March 31, 2018, respectively, with Tier I capital comprising 15.20 per cent. and 14.24 per cent., respectively. If we continue to grow our loan portfolio and asset base, we will be required to raise additional Tier I and Tier II capital in order to continue to meet applicable capital adequacy ratios with respect to our business. Any difficulty in accessing funds required for Tier I and Tier II capital, including accessing capital markets could result in decline of our capital adequacy ratio. Further any regulatory change to the capital adequacy ratio requirements shall also have an adverse effect on our growth as we may have to raise further capital to maintain the required capital adequacy ratio. There can be no assurance that we will be able to raise adequate additional capital in the future on terms favourable to us or at all, and this may adversely affect the growth of our business

As part of our business strategy we assign or securitise a substantial portion of our loan assets to banks and other institutions. Any deterioration in the performance of any pool of receivables assigned or securitised to banks and other institutions may adversely impact our financial performance and/or cash flows.

As part of our means of raising and/or managing our funds, we assign or securitise a substantial portion of the

receivables from our loan portfolio to banks and other institutions. Such assignment or securitisation transactions are conducted on the basis of our internal estimates of our funding requirements, which may vary from time to time. In fiscal 2017 and 2018, our securitised and assigned assets at book value was ₹ 1,121,430.09 lakhs and ₹ 1,246,716.07 lakhs, respectively. Any change in statutory and/or regulatory requirements in relation to assignments or securitisations by financial institutions, including the requirements prescribed by RBI and the Government of India, could have an adverse impact on our assignment or securitisation transactions. The commercial viability of assignment and securitization transactions has been significantly affected by changes and developments relating to regulation governing such transactions. Such changes include:

- prohibition on carrying out securitization/assignment transactions at rates lower than the prescribed base rate of the bank;
- prohibition on NBFCs such as our Company from offering credit enhancements in any form and liquidity facilities in the case of loan transfers through direct assignment of cash flows;
- minimum holding period or ‘seasoning’ and minimum retention requirements of assignment and securitization loans; and
- securitization/ assignments shall be eligible for classification under priority sector only if the interest rate charged to the ultimate borrower by the originating entity does not exceed base rate of such bank plus 8% per annum.

Any adverse changes in the policy and/or regulations in connection with securitisation of assets by NBFCs and/or new circulars and/or directions issued by the RBI in this regard, affecting NBFCs or the purchasers of assets, would affect the securitisation market in general and our ability to securitise and/or assign our assets.

The aggregate credit enhancement amounts outstanding as of March 31, 2017 and March 31, 2018 was ₹ 307,748.54 lakhs and ₹ 337,848.01 lakhs, respectively. For such transactions, in the event that a relevant bank or institution does not realise the receivables due under such loan assets, such bank or institution would have recourse to such credit enhancement, which could have a material adverse effect on our results of operations, financial condition and/or cash flows.

System failures or inadequacy and security breaches in computer systems may adversely affect our business.

Our business is increasingly dependent on our ability to process, on a daily basis, a large number of transactions. Our financial, accounting or other data processing systems may fail to operate adequately or become disabled as a result of events that are wholly or partially beyond our control, including a disruption of electrical or communications services.

Our ability to operate and remain competitive will depend in part on our ability to maintain and upgrade our information technology systems on a timely and cost-effective basis. The information available to and received by our management through our existing systems may not be timely and sufficient to manage risks or to plan for and respond to changes in market conditions and other developments in our operations. We may experience difficulties in upgrading, developing and expanding our systems quickly enough to accommodate our growing customer base and range of products.

Our operations also rely on the secure processing, storage and transmission of confidential and other information in our computer systems and networks. Our computer systems, software and networks may be vulnerable to unauthorised access, computer viruses or other malicious codes and other events that could compromise data integrity and security.

Any failure to effectively maintain or improve or upgrade our management information systems in a timely manner could materially and adversely affect our competitiveness, financial position and results of operations. Moreover, if any of these systems do not operate properly or are disabled or if there are other shortcomings or failures in our internal processes or systems, it could affect our operations or result in financial loss, disruption of our businesses, regulatory intervention or damage to our reputation. In addition, our ability to conduct business may be adversely impacted by a disruption in the infrastructure that supports our businesses and the geographical areas in which we are located.

Some of our Directors may have interests in entities, which are in businesses similar to ours and this may

result in conflicts of interest with us.

As on the date of this Shelf Prospectus, some of our Directors are also directors on the board of our related parties.

Commercial transactions in the future between us and related parties may result in conflicting interests which could have an adverse effect on our operations. Such factors may have an adverse effect on the results of our operations and financial condition.

We may not be able to maintain our current levels of profitability due to increased costs or reduced spreads.

Our business strategy involves a relatively high level of on-going interaction with our customers. We believe that this involvement is an important part of developing our relationship with our customers, identifying new cross selling opportunities and monitoring our performance. However, this level of involvement also entails higher levels of costs and also requires a relatively higher gross spread, or margin, on the finance products we offer in order to maintain profitability. There can be no assurance that we will be able to maintain our current levels of profitability if the gross spreads on our finance products were to reduce substantially, which could adversely affect our results of operations and/or cash flows.

We may face asset-liability mismatches which could affect our liquidity and consequently may adversely affect our operations, profitability and/or cash flows.

We may face potential liquidity risks due to varying periods over which our assets and liabilities mature. Based on the structural liquidity position of our Company as on March 31, 2018 as per the RBI norms, our Company has positive asset liability mismatch of ₹ 6,15,022 lakhs over a period of six months till September 30, 2018 based on our submission dated June 8, 2018 to RBI. As is typical for NBFCs, a portion of our funding requirements is met through short-term funding sources such as bank loans, working capital demand loans, cash credit, short-term loans and commercial paper, for further details with respect to our asset liability management function, please see “*Our Business- Liquidity Risk*” on page 102. Consequently, our inability to obtain additional credit facilities or renew our existing credit facilities, in a timely and cost-effective manner or at all, may lead to mismatches between our assets and liabilities, which in turn may adversely affect our operations, financial performance and/or cash flows. Further, mismatches between our assets and liabilities are compounded in case of pre-payments of the financing facilities we grant to our customers.

We have certain contingent liabilities which may adversely affect our financial condition.

As of March 31, 2018, we had certain contingent liabilities not provided for, which included a contingent liability as per accounting standard 29 in respect of Income tax demands where the Company has filed an appeal before various authorities of ₹ 7,507.88 lakhs, VAT demand where the Company has filed an appeal before various appellate courts aggregating ₹ 12,700.57 lakhs, a service tax demand for ₹ 31,110.08 lakhs and guarantees and counter guarantees given totalling ₹ 221,391.36 lakhs (including guarantees of ₹ 87,176.01 lakhs given in favour of debenture trustees on behalf of the holders of non-convertible debentures issued by a public limited company). In the event that any of these contingent liabilities materialise, our financial condition may be adversely affected. Further, in the event there is a change in any statutory/ regulatory requirement with respect to contingent liabilities, our Company may be required to make additional provisions to meet the revised criteria which may have an adverse effect on our financial condition and profitability.

The trade mark/service mark and logo in connection with the “Shriram” brand which we use is licensed to us and consequently, any termination or non-renewal of such license may adversely affect our goodwill, operations and profitability. Further, our current logo which we are using for our corporate publicity campaigns and as included in this Shelf Prospectus is not registered. Our inability to register such logo and/or to adequately protect the same may adversely affect our goodwill, operations and profitability.

Pursuant to a license agreement dated November 21, 2014 between our Company and Shriram Ownership Trust, (“SOT”) we are entitled to use the brand name “Shriram” and the associated mark. In this regard, our Company has to currently pay royalty to SOT on the gross turnover of our Company. Along with the royalty, our Company also is required to pay to SOT amounts by way of reimbursement of actual expenses incurred by SOT in respect of protection and defence of the copyright. The License Agreement is valid for a period of five years from October 1, 2014 until September 30, 2019, after which the agreement will be automatically renewed for a further period of five years on the same terms, unless otherwise decided.

In the event such license agreement is terminated or is not renewed or extended in the future, we may not be entitled to use the brand name “**Shriram**” and the associated mark in connection with our business operations. Consequently, we will not be able to derive the goodwill that we have been enjoying under the “**Shriram**” brand. Further, if the commercial terms and conditions including the consideration payable pursuant to the said agreement are revised unfavourably, our Company may be required to allocate larger portions of its profits and/or revenues towards such consideration, which would adversely affect our profitability.

Further, our current logo which we are using for our corporate publicity campaigns and as included in this Shelf Prospectus is not registered and we have not applied for registration of the same with the relevant trademark authorities. Our inability to register such logo and/or to adequately protect the same may adversely affect our goodwill, operations and profitability.

We operate in a competitive environment, and we believe that our brand recognition is a significant competitive advantage to us. If the license and user agreement is not renewed or terminated, we may need to change our name, trade mark/service mark or the logo. Any such change could require us to incur additional costs and may adversely impact our goodwill, business prospects and results of operations.

Inaccurate appraisal of credit may adversely impact our business.

We may be affected by the failure of employees to comply with internal procedures and the inaccurate appraisal of credit or financial worth of our clients. Inaccurate appraisal of credit may allow a loan sanction which may eventually result in a bad debt on our books of accounts. In the event that we are unable to check the risks arising out of such lapses, our business and results of operations may be adversely affected.

Our ability to assess, monitor and manage risks inherent in our business differs from the standards of some of our counterparts in India and in some developed countries.

We are exposed to a variety of risks, including liquidity risk, interest rate risk, credit risk, operational risk and regulatory risks. The effectiveness of our risk management is limited by the quality and timeliness of available data.

Our hedging strategies and other risk management techniques may not be fully effective in mitigating our risks in all market environments or against all types of risk, including risks that are unidentified or unanticipated. Some methods of managing risks are based upon observed historical market behaviour. As a result, these methods may not predict future risk exposures, which could be greater than the historical measures indicated. Other risk management methods depend upon an evaluation of information regarding markets, customers or other matters. This information may not in all cases be accurate, complete, current or properly evaluated. Management of operational, legal or regulatory risk requires, among other things, policies and procedures to properly record and verify a number of transactions and events. Although we have established these policies and procedures, they may not be fully effective. Our future success will depend, in part, on our ability to respond to new technological advances and evolving NBFC and vehicle finance sector standards and practices on a cost-effective and timely basis. The development and implementation of such technology entails significant technical and business risks. There can be no assurance that we will successfully implement new technologies or adapt our transaction-processing systems to customer requirements or evolving market standards.

Our Promoter, Shriram Capital Limited (SCL or the Promoter), beneficially owns 26.08 per cent. of our equity share capital and accordingly has the ability to exercise significant influence over the outcome of matters submitted to shareholders for approval, and their interests may differ from those of other holders of the NCDs.

As of the date of this Shelf Prospectus, our Promoter beneficially owned 26.08 per cent. of our equity share capital. Accordingly, our Promoter has the ability to significantly influence the outcome of matters submitted to shareholders for approving the timing and distribution of dividends and the election or termination of appointment of directors. This could delay, defer or prevent or impede a merger, consolidation, takeover or other business combination involving our Company, or discourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of our Company even if it is in our Company’s best interest. In addition, for so long as our Promoter continues to exercise significant influence over our Company, it may influence the material policies of our Company in a manner that could conflict with the interests of the security holders. The Promoter may have interests that are adverse to the interests of our other shareholders and may take positions with which we or our other shareholders do not agree.

We have entered into certain related party transactions.

We have entered into transactions with related parties, within the meaning of Accounting Standard 18 as notified by the Companies (Accounting Standards) Rules, 2006, as amended by the Companies (Accounting Standards) Amendment Rules, 2016. These transactions include a licence fee paid to Shriram Ownership Trust (“SOT”) pursuant to the Licence Agreement (*as further described on page 108*). Such transactions may give rise to current or potential conflicts of interest with respect to dealings between us and such related parties. Additionally, there can be no assurance that any dispute that may arise between us and related parties will be resolved in our favour.

Any failure by us to identify, manage, complete and integrate acquisitions, divestitures and other significant transactions successfully could adversely affect our results of operations, business prospects and/or cash flows.

As part of our business strategy, we may acquire complementary companies or businesses, divest non-core businesses or assets, sale or dispose of any unit(s), division(s) or subsidiary, enter into strategic alliances and joint ventures and make investments/disinvestments to further our business or any other restructuring. In order to pursue this strategy successfully, we must identify suitable candidates for successfully completing such transactions, some of which may be large and complex, and manage the integration of acquired companies or employees. We may not fully realise all of the anticipated benefits of any such transaction within the anticipated timeframe or at all. Any increased or unexpected costs, unanticipated delays or failure to achieve contractual obligations could make such transactions less profitable or unprofitable. Managing business combination and investment transactions requires varying levels of management resources, which may divert our attention from other business operations, and may result in significant costs and expenses and charges to earnings. The challenges involved in integration include:

- combining product offerings and entering into new markets in which we are not experienced;
- consolidating and maintaining relationships with customers;
- consolidating and rationalising transaction processes and corporate and information technology infrastructure;
- integrating employees and managing employee issues;
- coordinating and combining administrative and other operations and relationships with third parties in accordance with applicable laws and other obligations while maintaining adequate standards, controls and procedures;
- achieving savings from infrastructure integration; and
- managing other business, infrastructure and operational integration issues.

Our success depends in large part upon our management team and key personnel and our ability to attract, train and retain such persons.

Our ability to sustain our rate of growth depends significantly upon our ability to manage key issues such as selecting and retaining key managerial personnel, developing managerial experience to address emerging challenges and ensuring a high standard of client service. In order to be successful, we must attract, train, motivate and retain highly skilled employees, especially branch managers and relationship executives. If we cannot hire additional qualified personnel or retain them, our ability to expand our business will be impaired and our revenue could decline. We will need to recruit new employees, who will have to be trained and integrated into our operations. We will also have to train existing employees to adhere properly to internal controls and risk management procedures. Failure to train and motivate our employees properly may result in an increase in employee attrition rates, require additional hiring, erode the quality of customer service, divert management resources, increase our exposure to high-risk credit and impose significant costs on us. Hiring and retaining qualified and skilled managers are critical to our future, as our business model depends on our credit appraisal and asset valuation mechanism, which are personnel-driven operations. Moreover, competition for experienced employees in the commercial vehicle finance sector can be intense. While we have an incentive, structure designed to encourage employee retention, our inability to attract and retain talented professionals, or the resignation or loss of key management personnel, may have an adverse impact on our business, future financial performance and/or cash flows.

Most of the properties used by our Company are occupied by our Company on lease and/or as shared office space. Any termination or failure to renew the lease(s) or the other agreements in connection with such properties or our failure to renew the same, in a timely manner or at all, could adversely affect our activities.

Currently, most of the properties used by our Company for the purposes of our business activities, including the premises where the registered office of our Company is located, are not owned by us. Termination of leases or other relevant agreements in connection with such properties which are not owned by us or our failure to renew the same, on favourable conditions, in a timely manner, or at all, could require us to vacate such premises at short notice, and could adversely affect our operations, financial condition and profitability.

We are exposed to fluctuations in the market values of our investment and other asset portfolio.

Deterioration of the credit and capital markets could result in volatility of our investment earnings and impairments to our investment and asset portfolio, which could negatively impact our financial condition and reported income.

Being in the service industry, our operations may be adversely affected if we are unable to attract and retain qualified employees or if relations with employees deteriorate.

As of March 31, 2018, we employed 23,819 full-time employees. Currently, none of our employees are members of any labour union. While we believe that we maintain good relationships with our employees, there can be no assurance that we will not experience future disruptions to our operations due to disputes or other problems with our work force, which may adversely affect our business and results of operations.

Our inability to obtain, renew or maintain our statutory and regulatory permits and approvals required to operate our business may have a material adverse effect on our business.

We require certain statutory and/or regulatory permits and approvals for our business, including approvals in relation to our branch offices and other offices. In the future, we will be required to renew such permits and approvals and obtain new permits and approvals for any proposed operations. There can be no assurance that the relevant authorities will issue any of such permits or approvals in a timely manner or at all and/or on favourable terms and conditions. Failure by us to comply with the terms and conditions to which such permits or approvals are subject and/or to renew, maintain or obtain the required permits or approvals may result in the interruption of our operations and may have a material adverse effect on our business, financial condition and results of operations.

We are subject to supervision and regulation by the RBI and other regulatory authorities in India, and changes in regulations governing us could adversely affect our business.

We are regulated principally by and have reporting obligations to the RBI. We are also subject to the corporate, taxation and other laws in effect in India. The regulatory and legal framework governing us may continue to change as India's economy and commercial and financial markets evolve. In recent years, existing rules and regulations have been modified, new rules and regulations have been enacted and reforms have been implemented which are intended to provide tighter control and more transparency in India's asset finance sector.

We are subject to the RBI's guidelines on financial regulation of NBFCs, including capital adequacy, exposure and other prudential norms. The RBI also regulates the credit flow by banks to NBFCs and provides guidelines to commercial banks with respect to their investment and credit exposure norms for lending to NBFCs. The RBI's regulations of NBFCs could change in the future which may require us to restructure our activities, incur additional cost, impose restrictions on banks in relation to the exposure to NBFCs or could otherwise adversely affect our business and our financial performance. The RBI, from time to time, amends the regulatory framework governing NBFCs to address, among others, concerns arising from certain divergent regulatory requirements for banks and NBFCs. For further information relating to the regulations and guidelines applicable to us, see "*Regulation and Policies*".

The laws and regulations governing the banking and financial services industry in India have become increasingly complex and cover a wide variety of issues, such as interest rates, liquidity, securitisation, investments, ethical issues, money laundering and privacy. In some cases, there are overlapping regulations and enforcement authorities. Moreover, these laws and regulations can be amended, supplemented or changed at any time such that we may be required to restructure our activities and incur additional expenses to comply with such laws and regulations, which could materially and adversely affect our business and our financial performance.

Compliance with many of the regulations applicable to our operations in India, including any restrictions on investments, lending and other activities currently being carried out by our Company, involves a number of risks, particularly in areas where applicable regulations may be subject to varying interpretations. Further, compliance with

many of the regulations applicable to our operations may involve significant costs and otherwise may impose restrictions on our operations. If the interpretation of the regulators and authorities varies from our interpretation, we may be subject to penalties and our business could be adversely affected. We are also subject to changes in Indian laws, regulations and accounting principles and practices. There can be no assurance that the laws governing our Company and its operations will not change in the future or that such changes or the interpretation or enforcement of existing and future laws and rules by governmental and regulatory authorities will not adversely affect our business and future financial performance.

In the ordinary course of business, loan borrowers of the Company have directly deposited cash as part of their loan repayments in the collection bank accounts of the Company with various bank aggregating to ₹ 60,639.52 Lakhs during the period November 9, 2016 to December 30, 2016 the denomination wise details of which are not available with the company and hence the same could not be disclosed in the financial statements, standalone and consolidated of the Company for the year ended and as at March 31, 2017. This was also pointed in the report on other regulatory requirements by Auditors of the Company forming part of their report to the members of the Company dated April 27, 2017 on the said financial statements reporting that they were not made available sufficient and appropriate audit evidence to report on the matter of denomination wise detail of such deposit of specified bank notes. Although the Company believes that action or omission, if any, in this regard was in pursuit of our business and in the interest of its stakeholders, there is no assurance that the same will be accepted by the concerned regulators and authorities. If the interpretation of the regulators and authorities varies from our interpretation, we may be subject to strictures or penalties in this regard by the regulatory authorities.

As an NBFC, non-compliance with the RBI's observations made during its periodic inspections could expose us to penalties and restrictions.

As an NBFC, we are subject to periodic inspection by the RBI under section 45N of the RBI Act, pursuant to which the RBI inspects our books of accounts and other records for the purpose of verifying compliance with applicable regulations, the correctness or completeness of any statement, information or particulars furnished to the RBI. RBI in the past issued observations pursuant to such periodic inspection and our Company had given clarifications in this regard. While we have responded to such observations and addressed them, we cannot assure you that the RBI will not make similar or other observations in the future. In the event we are unable to resolve the issues to the RBI's satisfaction, we may be restricted in our ability to conduct our business as we currently do. While we seek to comply with all regulatory provisions applicable to us, in the event we are unable to comply with the observations made by the RBI, we could be subject to penalties and restrictions which may be imposed by the RBI. Imposition of any penalty or adverse findings by the RBI during the ongoing or any future inspections may have an adverse effect on our business, results of operations, financial condition and reputation.

Any changes in the statutory and/or regulatory requirements in connection with taxation could adversely affect our operations, profitability and cashflows.

The operations, profitability and cash flows could be adversely affected by any unfavourable changes in central and state-level statutory and/or regulatory requirements in connection with direct and indirect taxes and duties, including income tax, goods and service tax and/or by any unfavourable interpretation taken by the relevant taxation authorities and/or courts and tribunals.

Further, the Government of India has introduced two major reforms in Indian tax laws, namely the goods and services tax (**GST**), and provisions relating to general anti-avoidance rules (**GAAR**).

The goods and service tax (GST) has been implemented with effect from July 1, 2017 and has replaced the indirect taxes on goods and services, such as central excise duty, service tax, central sales tax, state value added tax, surcharge and excise, collected by the central and state governments. The GST has increased administrative compliance for the Companies which is a consequence of increased registration and form filing requirements.

As regards to GAAR, the provisions were introduced in the Finance Act 2012 and will apply (as per the Finance Act 2015) in respect of an assessment year beginning on 1 April 2018. The GAAR provisions intend to catch arrangements declared as "impermissible avoidance arrangements", which is defined in the Finance Act, 2012 as any arrangement, the main purpose of which is to obtain a tax benefit and which satisfies at least one of the following tests: (i) creates rights, or obligations, which are not ordinarily created between persons dealing at arm's length; (ii) results, directly or indirectly, in misuse, or abuse, of the provisions of the Income Tax Act, 1961; (iii) lacks commercial substance or is deemed to lack commercial substance, in whole or in part; or (iv) is entered into, or carried out, by means, or in a manner, which are not ordinarily employed for bona fide purposes. The onus to prove

that the transaction is not an “impermissible avoidance agreement” is on the assessee. If GAAR provisions are invoked, then the tax authorities have wide powers, including the denial of tax benefit or the denial of a benefit under a tax treaty.

As the taxation system is intended to undergo a significant overhaul, the consequential effects on us cannot be determined as of now and there can be no assurance that such effects would not adversely affect our business, future financial performance and the trading price of the NCDs.

We are required to prepare our financial statements with effect from April 1, 2018 under the Ind AS. As Ind AS differs in various respects from Indian GAAP, our financial statements for the financial year 2019 may not be comparable to our historical financial statements.

We are currently required to prepare our financial statements in accordance with Indian GAAS. The Companies (Indian Accounting Standards) Rules, 2015 (“**IAS Rules**”), as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, enacted changes to Indian GAAP that are intended to align Indian GAAP with IFRS. The IAS Rules provide that financial statements of companies to which such rules apply shall be prepared and audited in accordance with Ind AS and GAAS respectively. Ind AS differs in various respects from Indian GAAP. We are required to prepare our financial statements in accordance with Ind AS with effect from April 1, 2018 with comparatives for prior periods. While we have not determined with any degree of certainty the impact that the adoption of Ind AS will have on our financial statements, we are aware that Ind AS will impact certain items in our financial statements such as income from loans, advances and guarantees given by us, finance cost, provision on non-performing assets, deferred tax and recognition of securitization/ assignment transactions. Accordingly, our financial statements for the period commencing from April 1, 2018 will not be comparable to our historical financial statements. Further, our financial statements for the financial year 2018 prepared under Ind AS will not be comparable to our financial statements prepared for such period under Indian GAAP. Please refer to section titled “*Summary of key differences between Indian GAAP and IND AS*” on page 445 for further information.

Our insurance coverage may not adequately protect us against losses.

We maintain such insurance coverage as we believe is adequate for our operations. Our insurance policies, however, may not provide adequate coverage in certain circumstances and are subject to certain deductibles, exclusions and limits on coverage. We maintain general liability insurance coverage, including coverage for errors or omissions. We cannot, however, assure you that the terms of our insurance policies will be adequate to cover any damage or loss suffered by us or that such coverage will continue to be available on reasonable terms or will be available in sufficient amounts to cover one or more large claims, or that the insurer will not disclaim coverage as to any future claim.

A successful assertion of one or more large claims against us that exceeds our available insurance coverage or changes in our insurance policies, including premium increases or the imposition of a larger deductible or co-insurance requirement, could adversely affect our business, financial condition and results of operations.

We have regional concentration in southern India and western India, and therefore are dependent on the general economic conditions and activities in these areas.

We have a significant presence in south and west India. As of March 31, 2018, our Assets Under Management in south and west India comprised 45.06 per cent. and 19.47 per cent. of our total Assets Under Management, respectively. Our concentration in the southern and western states exposes us to any adverse geological, ecological, economic and/or political circumstances in that region. If there is a sustained downturn in the economy of south India or west India, or a sustained change in consumer preferences in those regions, our financial position may be adversely affected.

New product/services offered by us may not be successful.

We introduce new products/services to explore new business opportunities from time to time. We cannot assure that all our new products/services and/or business ventures will gain customer acceptance and this may result in our inability to recover pre-operative expenses and launch costs. Further, our inability to offer new products/services or grow in new business areas could adversely affect our business and financial performance.

We may not be able to detect money laundering and other illegal or improper activities fully or on a timely basis, which could expose us to additional liability and harm our business or reputation.

We are required to comply with applicable anti-money laundering and anti-terrorism laws and other regulations in India. In the course of our operations, we run the risk of failing to comply with the prescribed Know Your Customer (KYC) procedures and the consequent risk of fraud and money laundering by dishonest customers, despite putting in place systems and controls to prevent the occurrence of these risks. In certain of our activities and in our pursuit of business, we run the risk of inadvertently offering our financial products and services ignoring customer suitability and appropriateness, despite having a Board-approved customer suitability policy and associated processes in place. Such incidents may adversely affect our business and our reputation. Although our Company believes that it has adequate internal policies, processes and controls in place to prevent and detect any AML activity and ensure KYC compliance, there can be no assurance that our Company will be able to fully control instances of any potential or attempted violation by other parties and may accordingly be subject to regulatory actions including imposition of fines and other penalties. We may accordingly be subject to regulatory actions including imposition of fines and other penalties by the RBI and other relevant governmental authorities to whom we report.

Increase in competition from our peer group in the commercial vehicle finance sector may result in reduction of our market share, which in turn may adversely affect our profitability.

Our Company provides loans to pre-owned and new commercial vehicle owners and/or operators in suburban and rural areas in India. We have been increasingly facing competition from banks and NBFCs operating in the commercial vehicle finance segment of the industry. Some of our competitors are very aggressive in and pricing their products and may have access to funds at a lower cost, wider networks and greater resources than our Company. Our financial condition and results of operations are dependent on our ability to obtain and maintain low cost funds and to provide prompt and quality services to our customers. If our Company is unable to access funds at a cost comparable to or lower than our competitors, we may not be able to offer loans at competitive interest rates to our customers.

We depend on our brand reputation and our failure to maintain our product image could have a material adverse effect on our business, financial condition and results of operations.

We believe that the reputation of our brand among customers as a reliable company has contributed significantly to the growth and success of our business. Maintaining and enhancing the recognition and reputation of our products are, therefore, critical to our business and competitiveness. Many factors, some of which are beyond our control, are important to maintaining and enhancing our product image. These factors include our ability to maintain the reliability and quality of the services we offer and increase product awareness through brand building initiatives. A public perception that we do not provide satisfactory products, even if factually incorrect or based on isolated incidents, could damage our reputation, undermine the trust and credibility we have established for our stakeholders including investors, lenders, customers and have a negative impact on our ability to attract new consumers or retain our current consumers.

We have not independently verified certain industry data in this Shelf Prospectus.

We and the Lead Managers have not independently verified the data from industry publications contained herein including ICRA Report and although we believe these sources to be reliable, we cannot assure you that they are complete or reliable. Such data may also be produced on a different basis from comparable information compiled with regards to other countries. Unless stated otherwise, macroeconomic and industry data used throughout this Shelf Prospectus has been obtained from the ICRA Reports prepared by ICRA and from publicly available data prepared by providers of industry information, government sources and multilateral institutions. Therefore, matters relating to India, the Indian economy, as well as NBFCs, the automobile industry, that are included herein are subject to the caveat that the statistical and other data upon which it is based have not been verified by us and may be incomplete, inaccurate or unreliable. Due to possibly flawed or ineffective data collection methods or discrepancies between published information and market practice and other problems, the statistics herein may be inaccurate or may not be comparable to statistics produced elsewhere and should not be unduly relied upon. Further, we cannot assure you that they are stated or compiled on the same basis or with the same degree of accuracy, as the case may be, elsewhere.

External Risks

Our business is primarily dependent on the automobile and transportation industry in India.

Our business to a large extent depends on the continued growth in the automobile and transportation industry in India, which is influenced by a number of extraneous factors which are beyond our control, inter-alia including (a) the macroeconomic environment in India, (b) the demand for transportation services, (c) natural disasters and

calamities, and (d) changes in regulations and policies in connection with motor vehicles. Such factors may result in a decline in the sales or value of new and pre-owned CVs. Correspondingly, the demand for availing finance for new and pre-owned commercial vehicles may decline, which in turn may adversely affect our financial condition and the results of our operations. Further, the ability of CV owners and/or operators to perform their obligations under existing financing agreements may be adversely affected if their businesses suffer as a result of the aforesaid factors.

Changes in environmental or other laws may lead to a decline in the sale of vehicles, which could adversely affect our business, results of operations and prospects.

Our Company is engaged in vehicle financing across various states in India. Any regulation passed by either the central Government or any of the state Governments, or any orders of judiciary to ban the sale of a particular segment of vehicles or impose additional taxes on any particular segment of vehicles, could lead to a decline in the sales of such vehicles. For example, the Supreme Court of India imposed a ban on the sale of vehicles not complying with Bharat Emission Standards IV. Such regulatory amendments or orders of the judiciary may lead to a decline in our disbursements and adversely affect our business, results of operations and prospects.

Any slowdown in economic growth in India may adversely affect our business, results of operations and financial condition.

Our financial performance and the quality and growth of our business depend significantly on the health of the overall Indian economy, the gross domestic product growth rate and the economic cycle in India. All our assets and employees are located in India, and we intend to continue to develop and expand reach in all parts of the country depending upon the business opportunities.

Our performance and the growth of our business depends on the performance of the Indian economy and the economies of the regional markets we currently serve. These economies could be adversely affected by various factors, such as political and regulatory changes including adverse changes in liberalization policies, social disturbances, religious or communal tensions, terrorist attacks and other acts of violence or war, natural calamities, interest rates, commodity and energy prices and various other factors. Any slowdown in these economies could adversely affect the ability of our customers to afford our services, which in turn would adversely affect our business, results of operations and financial condition.

Increase in competition from our peer group in the CV finance sector may result in reduction of our market share, which in turn may adversely affect our profitability.

Our Company provides loans to pre-owned and new CV owners and/or operators in suburban and rural areas in India. We have been increasingly facing competition from banks and NBFCs operating in the CV finance segment of the industry. Some of our competitors are very aggressive in pricing their products and may have access to funds at a lower cost, wider networks and greater resources than our Company. Our financial condition and results of operations are dependent on our ability to obtain and maintain low cost funds and to provide prompt and quality services to our customers. If our Company is unable to access funds at a cost comparable to or lower than our competitors, we may not be able to offer loans at competitive interest rates to our customers.

While our Company believes that it has historically been able to offer competitive interest rates on the loans extended to our customers, there can be no assurance that our Company will be able to continue to do so in the future. An increase in competition from our peer group may result in a decline in our market share, which may in turn result in reduced incomes from our operations and may adversely affect our profitability.

Our business and activities may be affected by the amendments to the competition law in India.

The Competition Act, 2002 was enacted for the purpose of preventing practices having an adverse effect on competition in India and has mandated the CCI to separate such practices. Under the Competition Act, any arrangement, understanding or action whether or not formal or informal which causes or is likely to cause an appreciable adverse effect on competition is void and attracts substantial penalties. Further, any agreement among competitors which directly or indirectly involves determination of purchase or sale prices, limits or controls production, or shares the market by way of geographical area or number of customers in the relevant market is presumed to have an appreciable adverse effect on competition in the relevant market in India and shall be void. The Competition Act also prohibits abuse of dominant position by any enterprise. If it is proved that the contravention committed by a company took place with the consent or connivance or is attributable to any neglect on the part of, any director, manager, secretary or other officer of such company, that person shall be deemed guilty of the

contravention and liable to be punished.

On March 4, 2011, the Government of India notified and brought into force the combination regulation (merger control) provisions under the Competition Act with effect from June 1, 2011. The combination regulation provisions require that acquisition of shares, voting rights, assets or control or mergers or amalgamations which cross the prescribed asset and turnover based thresholds shall be mandatorily notified to and pre-approved by the CCI. In addition, on May 11, 2011, the CCI issued the final Competition Commission of India (Procedure in regard to the transaction of business relating to combinations) Regulations, 2011 which sets out the mechanism for implementation of the combination regulation provisions under the Competition Act. It is unclear as to how the Competition Act and the CCI will affect the business environment in India.

If we are adversely impacted, directly or indirectly, by any provision of the Competition Act, or its application or interpretation, generally or specifically in relation to any merger, amalgamation or acquisition or any enforcement proceedings initiated by the CCI, either on its own or pursuant to any complaint, under any provisions of the Competition Act, it may have a material adverse effect on our business, results of operations and financial condition.

Civil unrest, acts of violence, including terrorism or war involving India and other countries, could materially and adversely affect the financial markets and our business.

Civil unrest, acts of violence, including terrorism or war, may negatively affect the Indian stock markets and also materially and adversely affect the worldwide financial markets. These acts may also result in a loss of business confidence, make travel and other services more difficult and ultimately materially and adversely affect our business. Although the governments of India and neighboring countries have recently been engaged in conciliatory efforts, any deterioration in relations between India and neighboring countries might result in investor concern about stability in the region, which could materially and adversely affect our business, results of operations and financial condition.

Financial difficulty and other problems in certain financial institutions in India could adversely affect our business, results of operations and financial condition.

As an NBFC, we are exposed to the risks of the Indian financial system which may be affected by the financial difficulties faced by certain Indian financial institutions because the commercial soundness of many financial institutions. This risk, which is sometimes referred to as “systemic risk”, may adversely affect financial intermediaries, such as banks with whom we interact. Any such difficulties or instability of the Indian financial system in general could create an adverse market perception about Indian financial institutions and banks and adversely affect our business, results of operations and financial condition. As the Indian financial system operates within an emerging market, it faces risks of a nature and extent not typically faced in more developed economies.

Any downgrading of India’s debt rating by an international rating agency could adversely affect our business, results of operations and financial condition.

In November 2017, Moody’s Investor Service upgraded the Indian Sovereign Rating from Baa3 (stable) to Baa2 (positive). The rating upgrade by Moody’s was the first in 14 years.

In 2017, Standard & Poor’s retained Indian’s sovereign rating with a stable outlook. While both Moody’s and Standard & Poor’s have taken a favourable view of the economic growth, Government reforms including fiscal consolidation, yet Standard & Poor’s has also highlighted that the ratings were constrained by fiscal deficit, high government debt and low wealth levels with GDP per capital estimated to be US\$ 2,000 in 2017.

Any adverse revisions to India’s credit ratings for domestic and international debt by international rating agencies may adversely affect our business, results of operations and financial condition.

Political instability, natural disasters and other disruptions could adversely affect the Indian economy and could adversely affect our business, results of operations and financial condition.

Our operations, including our branch network, may be damaged or disrupted as a result of political instability, natural disasters such as earthquakes, floods, heavy rainfall, epidemics, tsunamis and cyclones and other events such as protests, riots and labor unrest. Such events may lead to the disruption of information systems and telecommunication services for sustained periods. They also may make it difficult or impossible for employees to reach our business locations. Damage or destruction that interrupts our provision of services could adversely affect our reputation, our relationships with our customers, our senior management team’s ability to administer and supervise our business or

it may cause us to incur substantial additional expenditure to repair or replace damaged equipment or rebuild parts of our branch network. Any of the above factors may adversely affect our business, results of operations and financial condition.

The new bankruptcy code in India may affect our Company's right to recover loans from its borrowers.

The Insolvency and Bankruptcy Code, 2016 (“**Bankruptcy Code**”) was notified on August 5, 2016. The Bankruptcy Code offers a uniform and comprehensive insolvency legislation encompassing all companies, partnerships and individuals (other than financial firms). It allows creditors to assess the viability of a debtor as a business decision and agree upon a plan for its revival or a speedy liquidation. The Bankruptcy Code creates a new institutional framework, consisting of a regulator, insolvency professionals, information utilities and adjudicatory mechanisms, which will facilitate a formal and time-bound insolvency resolution and liquidation process. If the Bankruptcy Code provisions are invoked against any of the borrowers of our Company, it may affect our Company's ability to recover our loans from the borrowers and the guarantee given by us and enforcement of our Company's rights will be subject to the Bankruptcy Code.

Risks pertaining to this Issue

If we do not generate adequate profits, we may not be able to maintain an adequate DRR for the NCDs issued pursuant to this Shelf Prospectus, which may have a bearing on the timely redemption of the NCDs by our Company.

Regulation 16 of the Debt Regulations and Section 71 of the Companies Act 2013 states that any company that intends to issue debentures must create a Debenture Redemption Reserve out of the profits of the company available for payment of dividend until the redemption of the debentures. Further, the Companies (Share Capital and Debentures) Rules, 2014, as amended, states that the Company shall create Debenture Redemption Reserve and ‘the adequacy’ of DRR will be 25% of the value of the debentures outstanding as on the date, issued through public issue as per present Debt regulations. Accordingly, if we are unable to generate adequate profits, the DRR created by us may not be adequate to meet the 25% of the value of the debentures outstanding as on the date. Further, every company required to create Debenture Redemption Reserve shall on or before the 30th day of April in each year, invest or deposit, as the case may be, a sum which shall not be less than fifteen percent, of the amount of its debentures maturing during the year ending on the 31st day of March of the next year, in any one or more of the following methods, namely: (i) in deposits with any scheduled bank, free from any charge or lien; (ii) in unencumbered securities of the Central Government or of any State Government; (iii) in unencumbered securities mentioned in sub-clauses (a) to (d) and (ee) of Section 20 of the Indian Trusts Act, 1882; (iv) in unencumbered bonds issued by any other company which is notified under sub-clause (f) of Section 20 of the Indian Trusts Act, 1882; (v) the amount invested or deposited as above shall not be used for any purpose other than for redemption of debentures maturing during the year referred above provided that the amount remaining invested or deposited, as the case may be, shall not at any time fall below fifteen percent of the amount of the debentures maturing during the year ending on the 31st day of March of that year. If we do not generate adequate profits, we may not be able to maintain an adequate DRR for the NCDs issued pursuant to this Shelf Prospectus, which may have a bearing on the timely redemption of the NCDs by our Company.

Changes in interest rates may affect the price of our NCDs.

All securities where a fixed rate of interest is offered, such as our NCDs, are subject to price risk issue. The price of such securities will vary inversely with changes in prevailing interest rates, i.e. when interest rates rise, prices of fixed income securities tend to fall and when interest rates drop, the prices tend to increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our NCDs.

You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the NCDs.

Our ability to pay interest accrued on the NCDs and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors inter-alia including our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the NCDs and/or the interest accrued thereon in a timely manner or at all. Although our Company will create appropriate security in favour of the Debenture

Trustee for the NCD holders on the assets adequate to ensure minimum 100 % asset cover for the NCDs, which shall be free from any encumbrances, the realisable value of the assets charged as security, when liquidated, may be lower than the outstanding principal and/or interest accrued thereon in connection with the NCDs. A failure or delay to recover the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose you to a potential loss.

There is no assurance that the NCDs issued pursuant to this Issue will be listed on Stock Exchanges in a timely manner, or at all.

In accordance with Indian law and practice, permissions for listing and trading of the NCDs issued pursuant to this Issue will not be granted until after the NCDs have been issued and Allotted. Approval for listing and trading will require all relevant documents to be submitted and carrying out of necessary procedures with the Stock Exchanges. There could be a failure or delay in listing the NCDs on the Stock Exchanges for reasons unforeseen. If permission to deal in and for an official quotation of the NCDs is not granted by the Stock Exchanges, our Company will forthwith repay, without interest, all monies received from the Applicants in accordance with prevailing law in this context, and pursuant to this Shelf Prospectus.

There is no assurance that the NCDs issued pursuant to this Issue will be listed on Stock Exchanges in a timely manner, or at all.

Our Company may raise further borrowings and charge its assets subject to receipt of necessary consents.

Our Company may, subject to receipt of all necessary consents, raise further borrowings and charge its assets. Our Company will decide the nature of security that may be provided for future borrowings. In the event of creation of a pari passu charge with other charge holder(s) may reduce the amounts recoverable by the NCD holders upon our Company's bankruptcy, winding-up or liquidation.

Payments to be made on the NCDs will be subordinated to certain tax and other liabilities preferred by law. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.

The NCDs will be subordinated to certain liabilities preferred by law such as the claims of the Government on account of taxes, and certain liabilities incurred in the ordinary course of our business. In particular, in the event of bankruptcy, liquidation or winding-up, our Company's assets will be available to pay obligations on the NCDs only after all of those liabilities that rank senior to these NCDs have been paid as per Section 327 of the Companies Act, 2013 and the provisions of Insolvency and Bankruptcy Code, 2016. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.

You may be subject to taxes arising on the sale of the NCDs.

Sales of NCDs by any holder may give rise to tax liability, as discussed in section titled "Statement of Tax Benefits" on page 65.

There may be no active market for the non-convertible debentures on the WDM segment of the stock exchange. As a result, the liquidity and market prices of the non-convertible debentures may fail to develop and may accordingly be adversely affected.

There can be no assurance that an active market for the NCDs will develop. If an active market for the NCDs fails to develop or be sustained, the liquidity and market prices of the NCDs may be adversely affected. The market price of the NCDs would depend on various factors inter alia including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country; (ii) the market for listed debt securities; (iii) general economic conditions; and (iv) our financial performance, growth prospects and results of operations. The aforementioned factors may adversely affect the liquidity and market price of the NCDs, which may trade at a discount to the price at which you purchase the NCDs and/or be relatively illiquid.

The fund requirement and deployment mentioned in the Objects of the Issue have not been appraised by any bank or financial institution.

We intend to use the proceeds of the Issue, after meeting the expenditures of and related to the Issue, for the purpose of onward lending, financing, and for repayment of interest and principal of existing borrowings of the Company.

For further details, see the section titled “*Objects of the Issue*” on page 63. The fund requirement and deployment is based on internal management estimates and has not been appraised by any bank or financial institution. The management will have significant flexibility in applying the proceeds received by us from the Issue. Further, as per the provisions of the Debt Regulations, we are not required to appoint a monitoring agency and therefore no monitoring agency has been appointed for the Issue.

There may be a delay in making refund to Applicants.

We cannot assure you that the monies refundable to you, on account of (i) withdrawal of your applications, (ii) our failure to receive minimum subscription in connection with the Base Issue, (ii) withdrawal of the Issue, or (iii) failure to obtain the final approval from the Stock Exchanges for listing of the NCDs, will be refunded to you in a timely manner. We however, shall refund such monies, with the interest due and payable thereon as prescribed under applicable statutory and/or regulatory provisions.

Impersonation

As a matter of abundant caution, attention of the Investors is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under section 447 of the Companies Act, 2013”

Underwriting.

This Issue has not been underwritten.

Minimum Subscription

In terms of the Debt Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue (as specified in the relevant Tranche Prospectus). If our Company does not receive the minimum subscription of 75% of the Base Issue (as specified in the relevant Tranche Prospectus) within the prescribed timelines under Companies Act and any rules thereto, the entire subscription amount shall be refunded to the Applicants within 12 days from the date of closure of the Issue. In the event, there is a delay, by our Company in making the aforesaid refund within the prescribed time limit, our Company will pay interest at the rate of 15% per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard including its circular (bearing CIR/IMD/DF-1/20/2012) dated July 27, 2012.

Credit Rating and Rationale

The NCDs proposed to be issued under this Issue have been rated 'CRISIL AA+/Stable' by CRISIL for an amount of upto ₹ 5,00,000 lakhs vide its letter dated June 8, 2018 and 'IND AA+: Outlook Stable' by India Ratings and Research for an amount of upto ₹ 5,00,000 lakhs vide its letter dated June 8, 2018. The rating of the NCDs by CRISIL and India Ratings and Research indicate that instruments with this rating are considered to have high degree of safety regarding timely servicing of financial obligations and carry very low credit risk. The ratings provided by CRISIL and/or India Ratings and Research may be suspended, withdrawn or revised at any time by the assigning rating agency and should be evaluated independently of any other rating. These ratings are not a recommendation to buy, sell or hold securities.

For the rationale for these ratings, see Annexure A and Annexure B of this Shelf Prospectus.

STATEMENT OF TAX BENEFITS

June 12, 2018

To,

The Board of Directors

Shriram Transport Finance Company Limited

Wockhardt Towers, 3rd Floor, West Wing

G Block, Bandra-Kurla Complex

Bandra (East), Mumbai 400051

Maharashtra, India

(the “**Company**”)

Dear Sirs,

Sub: Statement of tax benefits in relation to proposed public issue (“Issue”) of secured, redeemable, non-convertible debentures (“NCDs”) by Shriram Transport Finance Company Limited

1. We, Haribhakti & Co. LLP, Chartered Accountants, and Pijush Gupta & Co., Chartered Accountants, the joint statutory auditors of the Company have performed the procedures agreed with you, *vide* the engagement letter dated May 15, 2018, and enumerated in paragraph 2 below with respect to the possible tax benefits available to the Debenture Holder(s), under the Income Tax Act, 1961, as amended (the “**IT Act**”), presently in force in India, in the enclosed Annexure I. Our engagement was performed in accordance with the Standard on Related Services (SRS) 4400, “Engagements to Perform Agreed-upon Procedures regarding Financial Information”, issued by the Institute of Chartered Accountants of India.
2. We have performed the following procedures:
 - i. Read the statement of tax benefits as given in Annexure I, and
 - ii. Evaluated with reference to the provisions of the IT Act to confirm that the same is in accordance with our interpretation of the existing tax laws and provisions.
3. Because the above procedures do not constitute either an audit or a review made in accordance with the generally accepted auditing standards in India, we do not express any assurance on the subject.
4. Had we performed additional procedures, or had we performed an audit or review of the financial information in accordance with generally accepted auditing standards of India, other matters might have come to our attention that would have been reported to you.
5. We confirm that the Statement of Tax Benefits as set out in Annexure I materially covers all the provisions of the IT Act as amended, with respect to Debenture Holder(s).
6. The amendments made by the Finance Act, 2018 have been incorporated to the extent relevant in the enclosed Annexure I.
7. Several of these benefits are dependent on the Debenture Holder(s) fulfilling the conditions prescribed under the relevant tax laws. Hence, the ability of the Debenture Holder(s) to derive the tax benefits is dependent upon fulfilling such conditions, which are based on business imperatives the Debenture Holder(s) would face in the future. The Debenture Holder(s) may or may not choose to fulfill such conditions.
8. The benefits discussed in the enclosed annexure are not exhaustive. This statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult their own tax consultant with respect to the specific tax implications arising out of their participation in the issue.
9. Our views are based on the existing provisions of the Act and its interpretations, which are subject to change

or modification by subsequent legislative, regulatory, administrative or judicial decisions. Any such change, which could also be retroactive, could have an effect on the validity of our views stated herein. We assume no obligation to update this statement on any events subsequent to its issue, which may have a material effect on the discussions herein.

10. We do not express any opinion or provide any assurance as to whether:

- The Company or its debenture holders will continue to obtain these benefits in future; or
- The conditions prescribed for availing the benefits, where applicable have been or would be met with;
- The revenue authorities/courts will concur with views expressed herein.

11. The preparation of the contents stated is the responsibility of Company's management. We accept no responsibility to debenture holders or any third party and this should be stated in the Draft Shelf Prospectus, Shelf Prospectus and/or Prospectus and/or Tranche Prospectus(es). The contents of the enclosed annexure are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company.

12. No assurance is given that the revenue authorities/ Courts will concur with the views expressed herein. Our views are based on existing provisions of law and its interpretation which could vary from others, and which are subject to change from time to time. We do not assume any responsibility to update the views consequent to such changes.

13. This statement has been issued at the request of the Company in connection with the proposed issue of secured, redeemable NCDs for inclusion in the offer documents to be filed with the Securities and Exchange Board of India, the National Stock Exchange of India Limited and the BSE Limited or any other regulatory authorities, as required.

ANNEXURE I

Under the existing provisions of law, the following tax benefits, inter-alia, will be available to the Debenture Holder(s). The tax benefits are given as per the prevailing tax laws and may vary from time to time in accordance with amendments to the law or enactments thereto. The information given below lists out the possible benefits available to the Debenture Holder(s) of an Indian company in which public are substantially interested as defined in Section 2(18)(b)(B) of the Income Tax Act, 1961, in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposal of the debenture.

The Debenture Holder is advised to consider in its own case, the tax implications in respect of subscription to the Debentures after consulting his tax advisor as alternate views are possible. We are not liable to the Debenture Holder in any manner for placing reliance upon the contents of this statement of tax benefits.

This statement has been prepared solely in connection with the Issue under the Regulations as amended.

STATEMENT OF POSSIBLE DIRECT TAX BENEFITS AVAILABLE TO THE DEBENTURE HOLDERS

A. Under the Income-Tax Act, 1961 ("I.T. Act")

I. Tax benefits available to the Resident Debenture Holders

1. Interest on debentures received by resident debenture holders would be subject to tax at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act.
2. As per section 2(29A) read with section 2(42A) of the I.T. Act, a listed debenture is treated as a long term capital asset if the same is held for more than 12 months immediately preceding the date of its transfer.

As per section 112 of the I.T. Act, capital gains arising on the transfer of long term capital assets being listed securities are subject to tax at the rate of 20% of capital gains calculated after reducing indexed cost of acquisition or 10% of capital gains without indexation of the cost of acquisition. The capital gains will be computed by deducting expenditure incurred in connection with such transfer and cost of acquisition/indexed cost of acquisition of the debentures from the sale consideration.

However as per the third proviso to section 48 of I.T. Act, benefit of indexation of cost of acquisition under second proviso of section 48 of I.T. Act, is not available in case of bonds and debenture, except capital indexed bonds. Accordingly, long term capital gains arising to the Debenture Holder(s), would be subject to tax at the rate of 10%, computed without indexation, as the benefit of indexation of cost of acquisition is not available in case of debentures.

In case of an individual or HUF, being a resident, where the total income as reduced by such long-term capital gains is below the maximum amount which is not chargeable to income-tax, then, such long term capital gains shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income-tax and the tax on the balance of such long-term capital gains shall be computed at the rate mentioned above.

3. As per section 2(42A) of the I.T. Act, a listed debenture is treated as a short term capital asset if the same is held for not more than 12 months immediately preceding the date of its transfer. Short-term capital gains on the transfer of listed debentures, where debentures are held for a period of not more than 12 months would be taxed at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act. The provisions relating to maximum amount not chargeable to tax described at para 2 above would also apply to such short term capital gains.
4. In case debentures are held as stock in trade, the income on transfer of debentures would be taxed as business income or loss in accordance with and subject to the provisions of the I.T. Act.
5. Securities Transaction Tax ("STT") is a tax levied on all transactions in specified securities done on the stock exchanges at rates prescribed by the Central Government from time to time. STT is not applicable on transactions in the debentures.

6. Income tax is deductible at source on interest on debentures, payable to resident debenture holders at the time of credit/ payment as per the provisions of section 193 of the I.T. Act. However, no income tax is deductible at source in respect of the following:
 - a) Any security issued by a Company in a dematerialised form and is listed on recognised stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 and the rules made thereunder.
 - b) In case the payment of interest on debentures to a resident individual or a Hindu Undivided Family ('HUF'), Debenture Holder does not or is not likely to exceed ₹ 5,000 in the aggregate during the Financial Year and the interest is paid by an account payee cheque.
 - c) When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture Holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the I.T. Act; and that certificate is filed with the Company before the prescribed date of closure of books for payment of debenture interest.
 - d) (i) When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the I.T. Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However under section 197A(1B) of the I.T. Act, "Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the previous year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax".

Further, section 87A provides a rebate of 100 percent of income-tax or an amount of Rs. 2,500 whichever is less to a resident individual whose total income does not exceed Rs. 3,50,000.

 - (ii) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the I.T. Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on total income of the person is NIL.
 - (iii) In all other situations, tax would be deducted at source as per prevailing provisions of the I.T. Act. Form No.15G with PAN / Form No.15H with PAN / Certificate issued u/s 197(1) has to be filed with the Company before the prescribed date of closure of books for payment of debenture interest without any tax withholding.
7. In case where tax has to be deducted at source while paying debenture interest, the Company is not required to deduct surcharge, education cess and secondary and higher education cess.
8. Interest on application money and interest on refund application would be subject to tax at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act and such tax would need to be withheld at the time of credit/payment as per the provisions of Section 194A of the I.T. Act
9. As per Section 74 of the I.T. Act, short-term capital loss on debentures suffered during the year is allowed to be set-off against short-term as well as long-term capital gains of the said year. Balance loss, if any could be carried forward for eight years for claiming set-off against subsequent years' short-term as well as long term capital gains. Long-term capital loss on debentures suffered during the year is allowed to be set-off only against long-term capital gains. Balance loss, if any, could be carried forward for eight years for claiming set-off against subsequent year's long-term capital gains.

II Tax benefits available to the Non-Resident Debenture Holders

1. A non-resident Indian has an option to be governed by Chapter XII-A of the I.T. Act, subject to the provisions contained therein which are given in brief as under:

- (a) As per section 115C(e) of the Act, the term “non-resident Indian” means an individual, being a citizen of India or a person of Indian origin who is not a “resident”. A person shall be deemed to be of Indian origin if he, or either of his parents or any of his grand-parents, was born in undivided India.
 - (b) As per section 115E of the I.T. Act, interest income from debentures acquired or purchased with or subscribed to in convertible foreign exchange will be taxable at 20%, whereas, long term capital gains on transfer of such debentures will be taxable at 10% of such capital gains without indexation of cost of acquisition.
Short-term capital gains will be taxable at the normal rates of tax in accordance with and subject to the provisions contained therein.
 - (c) As per section 115F of the I.T. Act, long term capital gains arising to a non-resident Indian from transfer of debentures acquired or purchased with or subscribed to in convertible foreign exchange will be exempt from capital gain tax if the net consideration is invested within six months after the date of transfer of the debentures in any specified asset or in any saving certificates referred to in section 10(4B) of the I.T. Act in accordance with and subject to the provisions contained therein. However, if the new assets are transferred or converted into money within a period of three years from their date of acquisition, the amount of capital gains exempted earlier would become chargeable to tax as long-term capital gains in the year in which the new assets are transferred or converted into money.
 - (d) As per section 115G of the I.T. Act, it shall not be necessary for a non-resident Indian to file a return of income under section 139(1) of the I.T. Act, if his total income consists only of investment income as defined under section 115C and/or long term capital gains earned on transfer of such investment acquired out of convertible foreign exchange, and the tax has been deducted at source from such income under the provisions of Chapter XVII-B of the I.T. Act in accordance with and subject to the provisions contained therein.
 - (e) As per section 115H of the I.T. Act, where a non-resident Indian becomes assessable as resident in India in any subsequent year, he may furnish to the Assessing Officer a declaration in writing along with return of income under section 139 for the assessment year for which he is assessable as a resident, to the effect that the provisions of Chapter XII-A shall continue to apply to him in relation to the investment income (other than on shares in an Indian Company) derived from any foreign exchange assets in accordance with and subject to the provisions contained therein. On doing so, the provisions of Chapter XII-A shall continue to apply to him in relation to such income for that assessment year and for every subsequent assessment year until the transfer or conversion (otherwise than by transfer) into money of such assets.
2. In accordance with and subject to the provisions of section 115-I of the I.T. Act, a non-resident Indian may opt not to be governed by the provisions of Chapter XII-A of the I.T. Act. In that case,
 - (a) Long term capital gains on transfer of listed debentures would be subject to tax at the rate of 10% computed without indexation.
 - (b) Investment income and Short-term capital gains on the transfer of listed debentures, where debentures are held for a period of not more than 12 months preceding the date of transfer, would be taxed at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act
 - (c) Where debentures are held as stock in trade, the income on transfer of debentures would be taxed as business income or loss in accordance with and subject to the provisions of the I.T. Act.
 3. Under Section 195 of the I.T. Act, the applicable rate of tax deduction at source is 20% on investment income and 10% on any long-term capital gains as per section 115E of the I.T. Act, and at the normal rates for Short Term Capital Gains if the payee debenture holder is a non-resident Indian.
 4. As per Section 74 of the I.T. Act, short-term capital loss suffered during the year is allowed to be set-off against short-term as well as long-term capital gains of the said year. Balance loss, if any could be carried forward for eight years for claiming set-off against subsequent years' short-term as well as long-term capital gains. Long-term capital loss suffered (other than the long-term capital assets whose gains are exempt under Section 10(38) of the I.T. Act) during the year is allowed to be set-off only against long-term capital gains. Balance loss, if any, could be carried forward for eight years for claiming set-off against subsequent year's long-term capital gains.
 5. Interest on application money and interest on refund application would be subject to tax at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act and such tax would need to be withheld at the time of credit/payment as per the provisions of Section 195 of the I.T. Act⁶. The income tax deducted shall be increased by surcharge as under:
 - (a) In the case of non-resident Indian, surcharge at the rate of 10% of such tax liability (if net income exceeds Rs. 50,00,000 and does not exceed Rs. 1,00,00,000) and 15% of such tax liability (if net income exceeds Rs. 1,00,00,000) subject to deduction.

- (b) In the case of foreign companies, surcharge at the rate of 2% of such tax liability where the income or the aggregate of such income paid or likely to be paid and subject to deduction exceeds Rs. 1,00,00,000 but does not exceed Rs. 10,00,00,000, surcharge at the rate of 5% of such income tax where the income or the aggregate of such income paid or likely to be paid and subject to the deduction exceeds Rs. 10,00,00,000.
 - (c) In case of domestic companies, where the income paid or likely to be paid exceeds Rs. 1,00,00,000 but does not exceed Rs. 10,00,00,000 a surcharge of 7% of such tax liability is payable and when such income paid or likely to be paid exceeds Rs. 10,00,00,000, surcharge at 12% of such tax is payable.
 - (d) Cess is to be applied at 4% on aggregate of base tax and surcharge.
6. As per section 90(2) of the I.T. Act read with the Circular no. 728 dated October 30, 1995 issued by the Central Board of Direct Taxes, in the case of a remittance to a country with which a Double Tax Avoidance Agreement (DTAA) is in force, the tax should be deducted at the rate provided in the Finance Act of the relevant year or at the rate provided in the DTAA, whichever is more beneficial to the assessee. However, submission of tax residency certificate (“TRC”), is a mandatory condition for availing benefits under any DTAA. If the TRC does not contain the information prescribed by the CBDT vide its Notification No. 57/2013 dated 1 August 2013, a self-declaration in Form 10F would need to be provided by the assessee along with TRC.
 7. Alternatively, to ensure non-deduction or lower deduction of tax at source, as the case may be, the Debenture Holder should furnish a certificate under section 195(2) & 195(3) of the I.T. Act, from the Assessing Officer before the prescribed date of closure of books for payment of debenture interest. However, an application for the issuance of such certificate would not be entertained in the absence of PAN as per the provisions of section 206AA.

III Tax benefits available to the Foreign Portfolio Investors (“FPIs”)

1. As per Section 2(14) of the I.T. Act, any securities held by FPIs which has invested in such securities in accordance with the regulations made under the Securities and Exchange Board of India Act, 1992, shall be treated as capital assets. Accordingly, any gains arising from transfer of such securities shall be chargeable to tax in the hands of FPIs as capital gains.
2. In accordance with and subject to the provisions of section 115AD of the I.T. Act, long term capital gains on transfer of debentures by FPIs are taxable at 10% (plus applicable surcharge and cess) and short-term capital gains are taxable at 30% (plus applicable surcharge and cess). The benefit of cost indexation will not be available. Further, benefit of provisions of the first proviso of section 48 of the I.T. Act will not apply.
3. Income other than capital gains arising out of debentures is taxable at 20% (plus applicable surcharge and cess) in accordance with and subject to the provisions of Section 115AD of the I.T. Act.
4. Section 194LD in the I.T. Act provides for lower rate of withholding tax at the rate of 5% (plus applicable surcharge and cess) on payment by way of interest paid by an Indian company to FPIs and Qualified Foreign Investor in respect of rupee denominated bond of an Indian company between June 1, 2013 and July 1, 2020 provided such rate does not exceed the rate as may be notified by the Government.
5. In accordance with and subject to the provisions of section 196D(2) of the I.T. Act, no deduction of tax at source is applicable in respect of capital gains arising on the transfer of debentures by FPIs.
6. The CBDT has issued a Notification No. 9 dated 22 January 2014 which provides that Foreign Portfolio Investors (FPI) registered under SEBI (Foreign Portfolio Investors) Regulations, 2014 shall be treated as FII for the purpose of Section 115AD of the I.T. Act.

IV Tax benefits available to Mutual Funds

As per section 10(23D) of the Act, any income of Mutual Funds registered under the Securities and Exchange Board of India Act, 1992 or Regulations made thereunder, Mutual Funds set up by public sector banks or public financial institutions and Mutual Funds authorised by the Reserve Bank of India will be exempt from income tax, subject to such conditions as the Central Government may, by notification in the Official Gazette, specify in this behalf. Further, as per the provisions of Section 196 of the I.T. Act, no deduction of tax shall be made by any person from any sums payable to mutual funds specified under Section 10(23D) of the I.T. Act, where such sum is payable to it by way of interest or dividend in respect of any securities or shares owned by it or in which it has full beneficial interest, or any other income accruing or arising to it.

V Exemption under Sections 54EC and 54F of the I.T. Act

1. Under section 54EC of the I.T. Act, long term capital gains arising to the Debenture Holder(s) on transfer of their debentures in the company shall not be chargeable to tax to the extent such capital gains are invested in certain notified bonds within six months after the date of transfer. If only part of the capital gain is so invested, the exemption shall be proportionately reduced. However, if the said notified bonds are transferred or converted into money within a period of three years from their date of acquisition, the amount of capital gains exempted earlier would become chargeable to tax as long-term capital gains in the year in which the bonds are transferred or converted into money. However, the amount of exemption with respect to the investment made in the aforesaid notified bonds during the financial year in which the debentures are transferred and the subsequent financial year, should not exceed Rs. 50 lakhs. Where the benefit of section 54EC of the I.T. Act has been availed on investments in the notified bonds, a deduction from the income with reference to such cost shall not be allowed under section 80C of the I.T. Act. However, Union Budget 2018 has discontinued for the above benefit on all asset except Land and Building.
2. As per the provisions of section 54F of the I.T. Act, any long-term capital gains on transfer of a long term capital asset (not being residential house) arising to a debenture holder who is an individual or Hindu Undivided Family, is exempt from tax if the entire net sales consideration is utilized, within a period of one year before, or two years after the date of transfer, in purchase of a new residential house, or for construction of residential house within three years from the date of transfer. If part of such net sales consideration is invested within the prescribed period in a residential house, then such gains would be chargeable to tax on a proportionate basis.

This exemption is available, subject to the condition that the debenture holder does not own more than one residential house at the time of such transfer. If the residential house in which the investment has been made is transferred within a period of three years from the date of its purchase or construction, the amount of capital gains tax exempted earlier would become chargeable to tax as long-term capital gains in the year in which such residential house is transferred. Similarly, if the debenture holder purchases within a period of two years or constructs within a period of three years after the date of transfer of capital asset, another residential house (other than the new residential house referred above), then the original exemption will be taxed as capital gains in the year in which the additional residential house is acquired.

VI Requirement to furnish PAN under the I.T. Act

1. Section 139A(5A) of the I.T. Act requires every person receiving any sum or income or amount from which tax has been deducted under Chapter XVII-B of the I.T. Act to furnish his PAN to the person responsible for deducting such tax.
2. Section 206AA of the I.T. Act requires every person entitled to receive any sum or income or amount, on which tax is deductible under Chapter XVIIB (“deductee”) to furnish his PAN to the deductor, failing which tax shall be deducted at the higher of the following rates:
 - (i) at the rate specified in the relevant provision of the I.T. Act; or
 - (ii) at the rate or rates in force; or
 - (iii) at the rate of twenty per cent.
3. As per Rule 37BC, the higher rate under section 206AA shall not apply to a non-resident, not being a company, or to a foreign company, in respect of payment of interest, if the non-resident deductee furnishes the prescribed details inter alia TRC and Tax Identification Number (TIN).
4. A declaration under Section 197A(1) or 197A(1A) or 197A(1C) shall not be valid unless the person furnishes his PAN in such declaration and the deductor is required to deduct tax as per Para (1) above in such a case.
5. Where a wrong PAN is provided, it will be regarded as non-furnishing of PAN and Para (1) above will apply apart from penal consequences.

VII Taxability of Gifts received for nil or inadequate consideration

As per section 56(2)(x) of the I.T. Act, where any person receives debentures from any person on or after 1st April, 2017:

- (a) without consideration, aggregate fair market value of which exceeds fifty thousand rupees, then the whole of the aggregate fair market value of such debentures or;
 - (b) for a consideration which is less than the aggregate fair market value of the debenture by an amount exceeding fifty thousand rupees, then the aggregate fair market value of such debentures as exceeds such consideration;
- shall be taxable as the income of the recipient at the normal rates of tax. The above is subject to few exceptions as stated in section 56(2)(x) of the I.T. Act.

VIII General Anti-Avoidance Rule ('GAAR')

In terms of Chapter XA of the I.T. Act, General Anti-Avoidance Rule may be invoked notwithstanding anything contained in the I.T. Act. By this Rule, any arrangement entered into by an assessee may be declared to be impermissible avoidance arrangement as defined in that Chapter and the consequence would be inter alia denial of tax benefit, applicable w.e.f 1-04-2017. The GAAR provisions can be said to be not applicable in certain circumstances viz. the main purpose of arrangement is not to obtain a tax benefit etc. including circumstances enumerated in CBDT Notification No. 75/2013 dated 23 September 2013.

NOTES:

1. The statement of tax benefits enumerated above is as per the Income-tax Act, 1961, as amended by the Finance Act, 2018.
2. The stated benefits will be available only to the sole/ first named holder in case the debenture is held by joint holders.
3. In respect of non-residents, the tax rates and consequent taxation mentioned above will be further subject to any benefits available under the relevant tax treaty, if any, between India and the country in which the nonresident has fiscal domicile.
4. In respect of non-residents, taxes paid in India could be claimed as a credit in accordance with the provisions of the relevant tax treaty.
5. Surcharge is levied on individuals, HUF, association of persons, body of individuals and artificial juridical person at the rate of 10% on tax where total income exceeds Rs. 50 lakh but does not exceed Rs. 1 crore and at the rate of 15% on tax where the total income exceeds Rs. 1 crore.
6. Surcharge is levied on firm, co-operative society and local authority at the rate of 12% on tax where the total income exceeds Rs. 1 crore.
7. Surcharge is levied on domestic companies at the rate of 7% on tax where the income exceeds Rs 1 crore but does not exceed Rs. 10 crores and at the rate of 12% on tax where the income exceeds Rs. 10 crores.
8. Health and Education Cess is to be applied at 4% on aggregate of base tax and surcharge.
9. Several of the above tax benefits are dependent on the debenture holders fulfilling the conditions prescribed under the relevant tax laws and subject to General Anti Avoidance Rules covered under Chapter X-A of the Act.
10. The above statement sets out the provisions of law in a summary manner only and is not complete analysis or listing of all potential tax consequences of the purchase, ownership and disposal of debentures/bonds.
11. The above statement covers only certain relevant benefits under the Income-tax Act, 1961 and does not cover benefits under any other law.
12. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to changes from time to time. We do not assume responsibility to update the views consequent to such changes. We shall not be liable to any claims, liabilities or expenses relating to this assignment except to the extent of fees relating to this assignment, as finally judicially determined to have resulted primarily from bad faith or intentional misconduct. Overview of the Indian Economy

GDP and Disposable Income

The Indian economy is one of the largest economies in the world, with a GDP at current price of an estimated Rs. 167.2 trillion for the fiscal year 2016-2017 (Source: *The International Monetary Fund's World Economic Outlook as of October 2017*). Growth in India was revised down to 6.7 percent in 2017, given the lingering disruptions from demonetisation i.e. currency exchange initiative introduced in November 2016, as well as transition costs related to national Goods and Services Tax (GST).

The introduction of GST, which promises the unification of India's vast domestic market, is among several key structural reforms under implementation by the Government that are expected to help push growth above 8 percent in the medium term. (Source: *The International Monetary Fund's World Economic Outlook as of October 2015*). The following table represents a comparison by calendar year of real GDP growth rates of certain countries:

(%)							
Country	2013	2014	2015	2016	2017P	2018P	2022P
Australia	2.1	2.8	2.4	2.5	2.2	2.9	2.7
Brazil	3.0	0.5	(3.8)	(3.6)	0.7	1.5	2.0
China	7.8	7.3	6.9	6.7	6.8	6.5	5.8
India	6.4	7.5	8.0	7.1	6.7	7.4	8.2
Japan	2.0	0.3	1.1	1.0	1.5	0.7	0.6
Russian Fed	1.8	0.7	(2.8)	(0.2)	1.8	1.6	1.5
United Kingdom	1.9	3.1	2.2	1.8	1.7	1.5	1.7
United States	1.7	2.6	2.9	1.5	2.2	2.3	1.7

(Source: *The International Monetary Fund's World Economic Outlook as of October 2017*)

Despite an overall slowdown in India's rate of GDP growth since 2011, per capita GDP at constant prices in India nevertheless grew from an estimated US\$ 5,190 in 2013 to an estimated US\$6,538 for the year of 2017 (Source: *IMF World Economic Outlook Database Oct 2017*).

The following graph illustrates the size of India's GDP amongst other macro parameters to drive the growth going forward:

(Source: Euromonitor International India Country Fact file (www.euromonitor.com/india/country-factfile))

Investors' perceptions of India improved in early 2014, due to a reduction of the current account deficit and expectations of post-election economic reform, resulting in a surge of inbound capital flows and stabilization of the rupee (Source: CIA Factbook).

GDP growth slowed down in the year 2016-2017, rising 7.1% as compared to a growth of 8.0% in the year 2015-2016. The growth moderated due to slowdown in gross capital formation as waning business confidence and flagging entrepreneurial energies took their toll on the appetite for new investment, even as government and private consumption accelerated and held up aggregate demand (Source: RBI's Annual Report 2016-2017).

Population

India had an estimated population of 1.281 billion as of July 2017. Approximately 66.5% of the entire population in India in 2015 lived in rural and remaining 33.5% lived in urban areas, respectively. The estimated rate of urbanization in India is 2.28% between 2015 and 2020 (Source: CIA Factbook).

The outlook for India's long-term growth is moderately positive due to a young population and corresponding low dependency ratio, healthy savings and investment rates, and increasing integration into the global economy. The median age of its population is only 27.9 years as of 2017 (Source: CIA Factbook)

In the current decade, India's population is expected to grow at 1.1%. Any increase in population directly impacts the demand for housing units. The number of householders is likely to increase as well with the change in age mix, growing number of nuclear families, increasing urbanisation and penetration of financing.

The following graph sets out the share of the urban population as percentage of the total population for the years 2012 to 2016:

Overview on NBFC's in India

Non-Banking Financial Companies ("NBFCs") have played an important role in the Indian financial system by complementing and competing with banks, and by bringing in efficiency and diversity into financial intermediation. NBFCs have evolved considerably in terms of operations, heterogeneity, asset quality and

profitability, and regulatory architecture (Source: RBI: https://www.rbi.org.in/Scripts/BS_ViewBulletin.aspx?Id=17147). A NBFC is engaged in the business of loans and advances, acquisition of shares/stock/bonds/debentures/securities issued by the government or local authority or other securities of like marketable nature, leasing, hire-purchase, insurance business, and chit business, but does not include any institution whose principal business is that of agriculture activity, industrial activity, or the sale/purchase/construction of immovable property. A non-banking institution which is a company and which has its principal business of receiving deposits under any scheme or arrangement or any other manner, or lending in any manner is also a NBFC (residuary non-banking company). (RBI: <https://www.rbi.org.in/Scripts/FAQView.aspx?Id=92>)

India's financing requirements have risen in sync with the economy's notable growth over the past decade. NBFCs have played a major role in meeting this need by providing financial services with respect to products as well as customer and geographic segments at the grassroots level, making them a critical cog in the financial machine. They also cater to the unbanked masses in rural and semi-urban areas and lend to the informal sector and people without credit histories. This key service has enabled the Government and regulators to realize the mission of financial inclusion. As of March 31, 2017, they accounted for 16% of the overall systemic credit.

NBFCs share in systemic credit increasing

Note: 1. Banks' credit includes outstanding of regional rural banks (RRBs) and cooperative banks
 2. Capital market borrowing and external commercial borrowing (ECB) includes corporate bonds and commercial papers outstanding, but excludes amount raised by banks and NBFCs

In recent years, the NBFC sector has seen a fair degree of consolidation, leading to the emergence of larger companies with diversified activities. Consolidation and acquisition have increased the number of NBFCs with asset base in excess of Rs. 5 billion

As of April 30, 2018, there were 156 NBFCs in India registered to accept public deposits. Further, as of April 30, 2018, there were 10,995 NBFCs in India that do not accept public deposits. (Source: RBI: https://rbi.org.in/scripts/BS_NBFCList.aspx)

Structure of NBFCs in India

Based on deposit mobilization, NBFCs are classified into two major categories: NBFCs-D (deposit taking) and NBFCs-ND (non-deposit taking). In view of the phenomenal increase in their number and deposits, a comprehensive legislative framework for NBFCs-D was introduced in 1997 to protect the interests of depositors. A conscious policy was pursued to discourage acceptance of deposits by NBFCs so that only banks could accept public deposits. Hence, no new license has been given to NBFCs-D after 1997. NBFCs-ND were sub-divided into two categories in 2006 - Systemically Important Non- Deposit taking NBFCs (NBFCs-ND-SI) and other Non-Deposit taking NBFCs (NBFCs-ND) based on asset size. NBFCs with an asset size greater than ₹ 1 billion were considered as NBFC-ND-SI. The threshold for recognition of NBFCs-ND-SI was increased to ₹ 5 billion in 2014. This classification was made to ensure greater regulatory control over NBFCs-ND-SI, which were expected to pose greater systemic risks on account of their larger size. NBFCs-ND-SI, as a result, were subjected to stricter prudential regulations as compared to NBFCs-ND. (Source: Reserve Bank of India, *Non- Banking Finance Companies in India's Financial Landscape*, October 2017).

Based on activities undertaken, NBFCs are classified into 12 major categories. While loan companies and investment companies have traditionally been the two core categories of the NBFC sector, newer categories have been added to this sector over time in recognition of the growing diversification of financial intermediation and the need for better regulatory oversight. Illustratively, in 2006, 'hire purchase' and 'equipment leasing' categories were merged and categorized as Asset Finance Companies ("AFCs") – the third major category in the NBFC sector. Infrastructure Finance Companies (NBFC-IFC) were defined as a separate category in 2010.

NBFC-IDFs were set up in 2011 to increase long-term debt financing of infrastructure projects as well as to alleviate asset liability mismatches arising out of financing such projects. They were envisaged to take over loans provided for infrastructure projects based on Public Private Partnership (PPP) route which had completed one year of commercial operation. NBFCs-MFI were also set up in 2011 to serve the needs of the micro finance sector and the underserved segments more effectively. The focus of the regulations was more on strengthening the lending and recovery practices in the sector, especially with regard to the pricing of credit and multiple lending operations leading to over borrowing. NBFC-Factors were notified in accordance with the Factoring Regulation Act, 2011 as they were required to be registered with the RBI as NBFCs to commence their operations.

Classification of NBFCs based on activities undertaken		
Sr. No	Types of NBFCs	Activity
1	Asset Finance Company (AFC)	Financing of physical assets supporting productive /economic activity, including automobiles, tractors and generators
2	Loan Company	Providing finance by extending loans or otherwise for any activity other than its own but does not include an AFC
3	Investment Company	Acquiring securities for the purpose of selling
4	Infrastructure Finance Company (NBFC-IFC)	Providing infrastructure loans
5	Systemically Important Core Investment Company (CIC-ND-SI)	Acquiring shares and securities for investment in mainly equity shares
6	Infrastructure Debt Fund (NBFC-IDF)	For facilitating flow of long-term debt into infrastructure projects
7	Micro Finance Institution (NBFC-MFI)	Extending credit to economically disadvantaged groups as well support Micro, Small and Medium Enterprises
8	Factor (NBFC-Factor)	Undertaking the business of acquiring receivables of an assignor or extending loans against the security interest of the receivables at a discount
9	NBFC Non-Operative Financial Holding Company ("NOFHC")	For permitting promoter / promoter groups to set up a new bank
10	Mortgage Guarantee Company ("MGC")	Undertaking mortgage activities
11	Account Aggregator ("NBFC-AA")	Collecting and providing the information of customers' financial assets in a consolidated, organised and retrievable manner to the customer or others as specified by the customer
12	Non-Banking Financial Company – Peer to Peer Lending Platform	Providing an online platform to bring lenders and borrowers together to help mobilise unsecured finance

Notwithstanding the addition of newer categories over time, loan companies remain the single largest category, with share of 36.2% in total assets of NBFCs as of March 31, 2017. NBFCs-IFC emerged as the second largest category following the growing thrust on infrastructure financing. AFCs occupied the third position constituting 13.7% of total assets of NBFCs followed by investment companies. NBFCs-MFI, although accounting for only about 3% of the NBFC sector's assets as of March 31, 2017, have shown a steady rise in share since their inception.

Competitive advantage of NBFCs

By virtue of access to low-cost funds and an extensive branch network, banks compete with NBFCs, especially on the cost front. However, with their strategic presence in lending segments as well as geographies, NBFCs have carved out a niche for themselves to effectively compete with banks. The niche product focus of NBFCs enables them to make customized offerings. Currently, NBFCs dominate construction equipment finance, with steady gains in market share in housing and loan against property (“LAP”) segments. In emerging segments such as wholesale finance, NBFCs have doubled their market share in the past five years even though these are still at low levels.

The table below gives the competitive position of NBFCs and housing finance companies (“HFCs”) vis-à-vis banks in selected sub-segments

NBFC Segment	Market Share(Based on Disbursements) Vis-à-vis banks (2016-17 E)	Competitive Positioning
Housing Finance	40%	Competitive interest rates, better customer service; focusing on higher-yielding segments like LAP and developer loans
Low-cost housing*	n/a	Strong local knowledge, geographical focus, differentiated credit appraisal methodology
Auto Finance	50%	Catering to relatively less creditworthy customers, strong presence in used vehicles, faster processing, lower documentation, customized offering
Loan Against Property	51%	Strong origination skills, superior customer knowledge, better collection mechanisms, faster loan processing, cash flow-based credit appraisal
Wholesale Finance	5%	Strong origination skills, customized product offering, focus on real estate funding and structured products

Overview of Retail Credit in India

Retail credit to grow at 18-19% in FY2019

Figure 52: Size of the retail credit market

Source: RBI, financials of NBFCs & Mortgage lenders; ICRA research

SCB retail as per the RBI sectoral break-up

The Indian retail credit market (retail credit includes that of scheduled commercial banks (SCB), non-banking financial companies and housing finance companies) stood at ~Rs. 32.5 trillion as on December 31, 2017 registering a YoY growth of about 20%; growth dipped post demonetisation and remained subdued till Q2 FY2018 as SCB and NBFC credit growth moderated from the levels witnessed between Dec-15 to Sep-16. NBFC and SCB retail credit growth revived in Q3 FY2018 and registered a 19% YoY growth, while HFC (retail) grew by a healthy 23%, continuing its strong growth trend. Supported by the revival in retail credit growth, share of retail credit in the overall credit (SCB+NBFC+HFC) improved to 33% as compared with ~31% in December 2016 (32% in September 2017).

ICRA expects retail credit growth in FY2018 to be at ~20% and about 18-19% in FY2019 as uptick witnessed in the key asset segments in NBFCs, namely -CV, SME and unsecured/ microfinance during FY2018 is likely to hold up while HFC and bank credit growth is expected to expand at about 20-22% and 17-19% respectively. Growth in HFC's credit is likely to be supported by strong growth expectation in the housing (20-22%) and non-housing (24-28%), while slow credit off take in the corporate/ institutional segment would drive bank' retail growth in FY2019.

Figure 54: Growth trends in Retail Credit

Source: RBI, financials of NBFCs & Mortgage lenders; ICRA Research

India's retail credit penetration (as % of GDP at current prices) stood at about 21% as on December 31, 2017 as compared with about 16.0% as on March 31, 2014. This, however, continues to remain lower than in developed countries, which indicates a significant scope for growth.

NBFC+HFC share to increase to ~45-46% by Mar 2022 from current 43-44%

Figure 55: Share in retail credit

Source: RBI, financials of NBFCs & Mortgage lenders; ICRA research

- ❖ Share of non-banks (NBFCs+HFCs), driven by healthy a growth in HFCs, would expand to 45-46% of the total retail credit by March 2022 from about 43-44% in Mar-17
- ❖ NBFC share impacted, to an extent, by conversion of some fast-growing NBFCs and NBFC-MFIs to small finance banks/ universal banks

Indian Automobile Industry

Commercial Vehicles:

Confluence of factors are driving preference for Heavy Duty Trucks in the Indian market - The Indian Commercial Vehicle (CV) industry has been gradually witnessing a greater preference for higher tonnage trucks over the past decade. The demand has gradually shifted from 16T to 25T and is further shifting in favour of 31T and 37T trucks over the years. In ICRA's view, this trend has been supported primarily by A) Superior economics of higher tonnage models, B) improving road infrastructure, C) dearth of experienced drivers and D) stricter implementation of overloading norms.

Superior economics of higher tonnage trucks playing an important role - As vehicle's tonnage increases, the trucks' economics also improves, especially over longer distances as cost of operations is not directly proportional to vehicle's payload or revenue generation. For instance, the cost of operating a 35T is approximately 35% lower vis-a-vis a 16T truck when compared on cost/t/km basis (refer exhibit 1). We believe that these factors along with implementation of GST which is driving consolidation of warehousing network across industries will continue to drive demand for heavy duty trucks going forward and mirror market structure of more mature markets like U.S. and Europe. Product development initiatives by OEMs, coupled with improving road infrastructure have also

made these changes viable.

GST-led warehousing consolidation to provide further fillip - In ICRA's view, consolidation of warehouses would provide a further fillip to HCV sales as it is expected to lead to higher amounts of goods to be moved between manufacturing location and warehouse, which will lead to increased demand for higher tonnage vehicles. Post GST, the trend towards consolidation has already begun across most of the consumer-oriented sectors like FMCG, Consumer Durables, Pharmaceuticals, Building materials and other allied sectors. This trend is likely to drive greater use of heavy duty trucks.

Capacity addition in tonnage terms outpaced volume growth driven by heavy-duty trucks in FY 2018 - The Indian Commercial Vehicle sector ended FY 2018 on a strong note, witnessing a growth of 20% in volume terms over the prior year. While ongoing economic recovery supported higher demand for CVs, a factor that also played an important role was stricter implementation of overloading norms over the past 12-18 months across many of the North Indian states including Uttar Pradesh, Rajasthan, Punjab and parts of the Madhya Pradesh. As a result of this phenomenon and healthy demand from end-user industries, particularly Automobiles, Container Traffic and bulk materials, the HCV (Trucks) segment outperformed the industry and witnessed a growth of 28% to 212,432 units in FY 2018. Driven by increasing preference for higher tonnage trucks, the capacity addition (in tonnage terms) in the system outpaced volume growth and grew by 30% compared to 19% increase in M&HCV (Truck) sales in FY 2018 as per ICRA's estimates. Furthermore, the average tonnage of trucks in India has improved considerably from 15T in FY 2009 to 20T during FY 2018.

Confluence of factors are driving preference for HCVs; GST-led consolidation to provide further fillip - In ICRA's view a confluence of factors including a) Superior economics of higher tonnage models, b) improving road infrastructure, c) dearth of experienced drivers and d) stricter implementation of overloading norms have gradually supported tractor in favour of heavy duty trucks. In addition, as vehicle's tonnage increases, the viability of the truck also improves as cost of operations is not directly proportional to the vehicle's payload or revenue generation. For instance, the cost of operating a 35T is approximately 35% lower vis-a-vis a 16T truck when compared on cost/t/km basis (refer exhibit 1). We believe that these factors along with implementation of GST which is driving consolidation of warehousing network across industries will continue to drive demand for heavy duty trucks going forward and mirror market structure of more mature markets like U.S. and Europe. This transition however been made possible by product development initiatives by OEMs and improving road infrastructure.

Low base supports 76% jump in CV sales in April 2018 with M&HCV Trucks sales up more than 3x - The domestic Commercial Vehicle (CV) industry maintained its strong growth momentum in April 2018 with 76% growth in sales on YoY basis. While structural factors including infrastructure pick-up and overall healthy demand from freight generation sectors continued to drive demand, low-base effect was the key reason for sharp jump in CV sales. In April 2017, industry sales had contracted sharply because of a) pre-buying of trucks (in Q4 FY 2017) ahead of the roll-out of BS-IV emission norms, b) limited availability of BS-IV inventory and c) deferred by fleet operators because of GST roll—out. Within the CV industry, M&HCV (Truck) sales jumped more than 3x because of low-base, while LCV (Truck) sales and Buses grew by 46% and 24% on YoY basis in April 2018. Within the truck segment, HCVs (above 35T) continued to outperform the industry registering a growth 426% on YoY basis. Stricter implementation of overloading norms across states along with various other structural drivers

Light Commercial Vehicles: LCV (Truck) sales grew by 46% in April 2018 aided by healthy replacement demand and low-base

(Source: CR – Commercial Vehicles Monthly 1-May – 2018)

After almost four years of subdued sales trend, during FY 2018, the LCV (Truck) sales grew by 29.5% on YoY basis aided by a) replacement-led demand, b) greater demand from e-commerce focused logistics companies (for last-mile delivery) and c) gradually improvement financing environment. ICRA also believes that sales will also be supported by pent-up demand from semi-urban and rural regions during the year. LCV trucks sales look stellar during last two month on account of low base impact during Nov-Dec of CY2016, post implementation of demonetization measure.

(Source: CR – Commercial Vehicles Monthly 1-May – 2018).

Medium & Heavy Commercial Vehicles: M&HCV (Truck) sales continue to be strong; low-base supports 3x jump in sales

The domestic M&HCV (Truck) sales after contracting sharply in Q1 FY 2018, have been on a recovery trend since July 2017 and registered a growth of 19.4% in FY2018. The recovery in sales has been driven by pent-up

demand post GST, stricter implementation of overloading and CMVR norms and demand for tractor trailers from automobile, container transportation segment. However, in contrast to trucks, M&HCV bus sales have declined by almost 25% in FY 2018 because of weak order inflows from SRTUs, uncertainty related to implementation of bus-body code and GST led deferment. This trend continued in April 2018 as sales grew by 214% on back of low base effect.

Outlook: Infrastructure push + fleet replacement policy to drive CV sales in FY 2019; However, growth momentum may not sustain

The increased thrust on infrastructure projects as visible in the recent budget, higher demand from consumption-driven sectors and e-commerce logistic service providers, especially for LCVs and ICVs will continue to support demand for CVs into FY 2019. However, we expect the growth momentum would see some moderation, especially in the M&HCV segment owing sizeable capacity addition, especially in tonnage terms during FY 2018. Accordingly, we expect M&HCV Trucks to register a growth of 4-6% in volume terms in FY 2019. Nonetheless, if Government's plans (although delayed) on phasing out old diesel vehicles through proposed vehicle modernization program materialize, growth could be higher. ICRA believes that the LCV segment is on a structural uptrend and has witnessed swift recovery with improvement in liquidity situation. In the near-term, replacement-led demand (following almost three years of declining sales) and expectation of stronger demand from consumption-driven sectors and E-commerce would remain key growth drivers for the segment. Accordingly, ICRA expects the LCV (Truck) segment to register a growth of 9-11% in FY 2019. In the bus segment, the growth is expected to recover in FY 2019 aided by expectation of replacement-led demand following a year of sharp contraction in bus sales. ICRA expects bus sales to grow by 12-14% in FY 2019.

Passenger vehicles

Domestic passenger vehicle (PV) grew by 7.5% in Apr-2018, supported by growth momentum across all three sub-segments i.e. cars, UV and vans. Owing to strong double-digit growth, share of UV segment is increasing gradually whereas that of passenger car segment is declining. UV segment accounted for 30% of domestic PV sales during Q4FY18 as compared to 26% in Q4FY17, whereas share of passenger car segment declined from 68% to 65% over the same period. MSIL continue to outperform market and expand its market lead over peers. Honda's volume were impacted last month due to high base of Apr-2017 and expected launch of Amaze in May-2018.

- **Passenger Car:** Smaller cars continue to witness pressure, though incremental growth from compact/super-compact segment has resulted in modest 4.9% volume growth.
- **Utility Vehicle:** UV sales continue to grow at brisk pace, in the backdrop of changing customer preferences. UV sales accounted for 30% of domestic PV sales during Q4FY18.

- **Van Segment:** Segment's performance is primarily driven by MSIL which alone contributed over 85% of segment's volume. Barring few aberrations, sales have remained fairly range bound around 15,000-16,000 range on monthly basis. Sales in MPV segment are driven by rural segment, where their growth dynamics are closely linked with SCV passenger carrier rather than PV segment.

Outlook: Passenger Vehicles: Domestic PV sales to grow by 8-9% in FY2019e; rural segment will outperform

Overall macroeconomic indicators remain favourable with GDP growth rate expected to accelerate in FY2019e and rural income also projected to recover in the backdrop of normal monsoon in most region of India. Moreover, increase in minimum support prices of various agri-commodities will further boost to rural income. Rural segment which roughly accounts for 30% of domestic volume will be the key growth driver for the overall industry in the near to medium term. Given the low penetration levels in the country as well as poor public transport infrastructure, the long-term prospects of the industry remain favorable. We expect domestic PV sales growth to grow by 8%-9% during FY2019 and we maintain a 9%-11% CAGR estimate over the next five fiscals. Growth rate could accelerate further by 100-150bps in case of speedier recovery in economic activity.

Tractors:

Domestic industry volumes demand remains strong; forecast of normal monsoon provides support to farm sentiments:

After two years of strong growth in volumes, the domestic tractor industry continued its growth momentum in April 2018, recording a growth in volumes of 18.9%. The demand sentiments continue to remain strong benefitting from healthy cash flows on the back of improved crop production; the IMD forecast of a normal monsoon served to further strengthen the farm sentiments. Improved haulage demand from usage of tractors in commercial activities, on the back of an increase in infrastructure activities across the country, coupled with adequate financing availability and various government support programmes, also continue to demand to an extent.

Region wise distribution:

- The key markets of northern region that lagged the countrywide growth levels in FY2017, drove the volume growth during FY2018 on the back of an improvement in replacement demand.
- Uttar Pradesh, the largest tractor market constituting ~15-16% of the pan-India tractor volumes, outperformed the Industry growth, led by a strong surge in sales on the back of an improvement in replacement demand; channel check indicates that non-agri demand also supported volumes, on the back of increase in infrastructure activities.
- While the other regions also recorded healthy growth, benefitting from various government initiatives to boost farm mechanization, the volume growth in the central region was moderated by relatively weak farm sentiments as the region witnessed a weak monsoon precipitation (monsoon precipitation in Madhya Pradesh was 20% lower than long period average).
- Of the large tractor markets, Rajasthan, Gujarat and Karnataka recorded muted growth, and underperformed the industry performance.

Crop Production estimates:

- The Second Advance Estimate of crop production for FY2018, represented an improvement over the First Advance Estimates and represent a minor growth over the final estimates of previous fiscal.
- Estimates for pulses production forecast a further increase in production levels; in other crops, a notable increase in production of sugarcane is forecast (15%), after a decline in production during the previous fiscal (12% decline).
- In line with Rabi sowing trends, wheat and oilseeds production is forecast to contract marginally from previous year levels.
- Rate of inflation based on WPI Food Index remains subdued. While the cereals inflation continues to remain under control, inflation for pulses continues to imply a significant decline in prices, on account of healthy increase in production in the previous crop seasons.

IMD Monsoon Forecast

- The India Meteorological Department's (IMD's) first stage forecast has predicted that the monsoon precipitation in the upcoming southwest monsoon season (June-September) would be 97% of the long period average (LPA), with an error range of +5%.
- The possibility of El Nino conditions developing in time to impact the monsoon precipitation remains low, with the IMD estimating a 42% probability of a near normal rainfall scenario.
- A weak precipitation in the post monsoon and winter seasons in FY2018 has led to weak reservoir levels; a healthy monsoon precipitation thus remains critical for a healthy crop outlook for the kharif season.
- The temporal and spatial distribution of precipitation would remain critical; while a healthy rainfall in the initial part of the monsoon will be crucial for timely sowing given the low reservoir levels, adequate rainfall in the second half of the season would remain important for yields.

Outlook: Industry growth to remain at moderate levels over the medium term

The domestic tractor industry volumes touched a new peak in the previous fiscal (~7.1 lakh units), with demand trends continuing to remain favourable. Even as farm sentiments continue to be supported by improved farm cash flows and various government support programmes, an improvement in non-farm income, supported by the government's thrust on rural spending, infrastructure creation and irrigation spending, is also expected to continue to support the demand for tractors at a pan India level. The financing availability, a key demand driver, is also expected to remain healthy over the short to medium term, led by a relative moderation in delinquencies in the current fiscal.

The IMD's first stage forecast anticipates the monsoon precipitation in the upcoming southwest monsoon season would be 97% of the long period average (LPA); if the forecast holds, a third consecutive normal south west monsoon would provide a significant boost the farm sector and help the industry continue its growth trend. The Union government continues to work towards achieving its pledge of doubling farmers' incomes and has allocated increased budgets for improving rural infrastructure, while raising the support prices for various crops. Although the benefits of the various investments are likely to be realized over a longer term, successful implementation of various initiatives is likely to result in sustainable benefits to the farm community. ICRA expects the tractor industry growth to moderate in FY2019 (growth in volumes of 6-7%), given the high base of the current fiscal; over the long term, ICRA continues to maintain a long term CAGR estimate of 8-9% for the industry, with the long-term industry drivers for the industry continuing to remain intact.

OUR BUSINESS

Unless the context otherwise requires, the financial information used in this section is derived from and should be read in conjunction with the Reformatted Standalone Financial Statements of our Company.

We believe that we are one of the largest asset financing non-banking finance companies in the organised sector in India that cater to first time buyers (“FTB”) and small road transport operators (“SRTOs”) for financing pre-owned commercial vehicles. In addition, we provide commercial vehicle finance for new commercial vehicles. We are among the leading NBFCs in the organised sector for the commercial vehicle industry in India for FTBs and SRTOs. We also provide financing for passenger commercial vehicles, multi-utility vehicles, three wheelers and tractors as well as ancillary equipment and vehicle parts finance, such as loans for tyres and engine replacements, and provide working capital facility for FTBs and SRTOs. We offer financial services to commercial vehicle operators, thereby providing comprehensive financing solutions to the road logistics industry in India.

Our Company was established in 1979 and we have a long track record of over three decades in the commercial vehicle financing industry in India. The Company has been registered as a deposit-taking NBFC with the Reserve Bank of India (RBI) since 4 September 2000 under Section 45IA of the Reserve Bank of India Act, 1934. We are a part of the Shriram group of companies, which has a strong presence in financial services in India, including commercial vehicle financing, consumer finance, life and general insurance, stock broking, chit funds and distribution of financial products, such as life and general insurance products and mutual fund products. Notably, our Company registered with Insurance Regulatory and Development Authority of India as a corporate agent to deal in general insurance and life insurance in 2013.

Our widespread network of branches across India has been a key driver of our growth over the years. As of March 31, 2018, we had 1,213 branches across India, including most of the major commercial vehicle hubs along various road transportation routes in India. We have also established our presence in 862 rural centres as of March 31, 2018, with a view towards increasing our market share in the pre-owned commercial vehicle market and reaching out to a relatively newer customer segment in rural areas. We have also strategically expanded our marketing network and operations by entering into revenue sharing agreements with private financiers in the unorganised sector involved in commercial vehicle financing. As of March 31, 2018, the total number of our employees was 23,819.

We have demonstrated consistent growth in our business and in our profitability. Our Assets Under Management has grown from ₹ 7,948,959.34 lakhs (comprising assets under financing activities of ₹6,619,485.18 lakhs and loan assets securitised and assigned of ₹ 1,329,474.16 lakhs) as of March 31, 2017 on a standalone basis to ₹ 9,530,602.57 lakhs (comprising assets under financing activities of ₹8,051,415.05 lakhs and loan assets securitised and assigned of ₹1,479,187.52 lakhs) as of March 31, 2018 on a standalone basis. Our capital adequacy ratio as of March 31, 2018 and March 31, 2017 computed on the basis of applicable RBI requirements was 16.87 per cent. and 16.94 per cent., respectively, on a standalone basis, compared to the RBI stipulated minimum requirement of 15.00 per cent. Our Tier I capital as of March 31, 2018 and March 31, 2017 was ₹ 1,118,620.60 lakhs and ₹1,006,142.44 lakhs, respectively. Our Tier II capital as of March 31, 2018 and March 31, 2017 was ₹ 206,857.19 lakhs and ₹ 115,063.90 lakhs, respectively. Our Gross NPAs as a percentage of Total Loan Assets was 9.16 per cent. and 8.17 per cent as of March 31, 2018 and March 31, 2017, respectively. Our Net NPAs as a percentage of Net Loan Assets was 2.83 per cent. and 2.66 per cent. as of March 31, 2018, and March 31, 2017 respectively.

Our total revenue (including exceptional items) increased from ₹ 1,083,061.23 lakhs in fiscal 2017 to ₹ 1,241,658.01 lakhs in fiscal 2018. Our net profit after tax increased from ₹ 125,734.25 lakhs in fiscal 2017 to ₹ 156,802.25 lakhs in fiscal 2018.

A summary of our key operational and financial parameters on an unconsolidated basis for the last three completed fiscal years, as specified below, are as follows:

⁽²⁾ Assets Under Management: Total Loan Assets and loan assets securitised and Assigned

⁽³⁾ Off-balance sheet assets mean hypothecation loans securitised or assigned till date.

⁽⁴⁾ Gross NPA (%): Gross NPA means Outstanding loans including future principal and excluding unrealised interest accrued and due under NPA accounts. Gross NPA % is percentage of Gross NPA to Total Loan Assets.

⁽⁵⁾ Net NPA (%): Net NPA means Gross NPA net off provision held for NPA accounts and provision for diminution in fair value of restructured loans. Net NPA % is percentage of Net NPA to Net Loan assets.

Gross Debt Equity Ratio of the Company:

Parameters	
Before Issue of the Debt Securities (In Times)	5.04
After Issue of the Debt Securities (In Times) *	5.43

*The debt-equity ratio post the Issue is indicative on account of the assumed inflow of ₹5,00,000 lakhs from the proposed Issue in the secured debt category as on March 31, 2018 only. The actual debt-equity ratio post the Issue would depend on the actual position of debt and equity on the Deemed Date of Allotment.

Debt/Equity Ratio = (Term Borrowings+Short Term Borrowings+Current maturities of Long Term Borrowings)/ Shareholders Fund - Miscellaneous expenditure (to the extent not written off or adjusted).

RECENT DEVELOPMENTS

On January 24, 2018, our Company, Shriram Automall India Limited (“**SAMIL**”) and MXC Solutions India Private Limited (“**MXC**”, together with SAMIL, “**Parties**”) entered into definitive agreements including a share purchase agreement (the SPA). Pursuant to the terms and conditions of the SPA, our Company had on February 7, 2018 transferred 16,630,435 equity shares of face value of ₹10 each fully paid-up held by our Company in SAMIL to MXC for an aggregate consideration of ₹ 15,637.60 lakhs. Following the completion of the sale of the majority stake of our Company in SAMIL to MXC, SAMIL ceased to be our wholly-owned subsidiary and is now an associate of our Company.

OUR STRENGTHS

We believe that the following are our key strengths:

One of the largest asset financing NBFCs in India

We believe that we are one of the largest NBFCs in the organised sector in India that cater to FTBs and SRTOs for financing pre-owned commercial vehicles. Our widespread network of 1,213 branches across India and

presence in 862 rural centres as of March 31, 2018 enables us to access a large base of approximately 1.86 million customers, including most major and minor commercial vehicle hubs along various road transportation routes in India. We believe that our widespread branch network enables us to service and support our existing customers from proximate locations that provide customers with easy access to our services. We also have strategically expanded our marketing and customer origination network by entering into revenue sharing agreements with private financiers involved in commercial vehicle financing. We believe our relationship with these partners is a critical factor in sourcing new customers and enhancing reach and market share with a low upfront capital cost. We believe that the relationships we have developed with our customers provide us with opportunities for repeat business and to cross sell our other products as well as derive benefit from customer referrals.

Unique business model with a strong brand name and a track record of strong financial performance

We believe that FTBs and SRTOs are not a focus segment for commercial banks in India as this class of customers lack substantial credit histories and other financial documentation on which many banks rely to identify and target new customers. As the market for commercial vehicle financing, especially pre-owned commercial vehicle financing, is fragmented, we believe our credit evaluation techniques, relationship-based approach, extensive branch network and strong valuation skills make our business model unique and sustainable as compared to other financiers. We have an established track record of developing and training recruits on our internally developed valuation techniques, substantial customer knowledge and relationship culture we have developed over the past four decades. We believe this is a key strength that is difficult to replicate and constitutes a high barrier to entry which enables us to provide finance to pre-owned commercial vehicle operators at favourable interest rates and repayment terms as compared to private financiers in the unorganised sector.

Our targeted focus on the otherwise fragmented nature of this market segment, our widespread branch network, particularly in commercial vehicle hubs across India, as well as our large customer base has enabled us to build a strong brand. We believe that our efficient credit approval procedures, credit delivery process and relationship-based loan administration and monitoring methodology have also aided in increasing customer loyalty and earning repeat business and customer referrals.

Access to a range of cost-effective funding sources

We fund our capital requirements through a variety of sources. As of March 31, 2018, 85.40 per cent. of our borrowed funds consisted of funds raised from financial institutions and banks (including public issues of non-convertible debentures), while the remaining 14.60 per cent. consisted of funds raised through retail borrowings. We meet our funding requirements predominantly through term loans from banks (including cash credit), the issue of redeemable non-convertible debentures and fixed deposits, which constituted 25.99 per cent., 38.51 per cent. and 12.79 per cent. of our total borrowings, respectively, as of March 31, 2018. We access funds from a number of credit providers, including 55 banks and institutions comprising nationalised banks, private Indian banks and foreign banks, and we believe our track record of debt servicing has allowed us to establish and maintain strong relationships with these financial institutions. As a deposit-taking NBFC, we are also able to mobilise fixed deposits. We have raised secured and unsecured non-convertible debentures at competitive rates. We have also raised subordinated loans eligible for Tier II capital. We undertake securitisation and assignment transactions as a cost-effective source of funds.

In relation to our long-term debt instruments, we currently have long-term ratings of “CARE AA+/Stable” from Credit Analysis and Research Limited (“CARE”), “IND AA+/Stable Outlook” from India Ratings and Research, “CRISIL AA+/Stable” from CRISIL Limited (“CRISIL”), BB+/Stable Outlook from Fitch Ratings and BB+ from Standard & Poor's Ratings. In relation to our short-term debt instruments, we have also received short-term ratings of “CRISIL A1+” from CRISIL, “IND A1+” from India Ratings and Research, “CARE A1+” from CARE, B from Standard & Poor's Ratings and B from Fitch Ratings.

We believe that we have been able to achieve a relatively stable cost of funds, primarily due to our strong credit ratings, effective treasury management and innovative fund raising programmes. For the years ended March 31, 2018 and 2017, our cost of borrowing was 8.72 per cent. and 9.51 per cent. of our total costs, respectively. We believe that we are able to borrow from a range of sources at competitive rates.

In order to diversify the borrowing portfolio of the Company and to open new market/avenue for borrowing, during the year 2017-18, the Company issued ₹ 84,000 lakhs 8.10% Senior Secured Notes Due 2023 payable in U.S. Dollars under the Medium Term Note Programme and ₹32,000 lakhs 7.90% Senior Secured Notes Due 2021 payable in U.S. Dollars under the Medium Term Note Programme and in the year 2016-17, the Company issued

Rs.135,000 Lakhs 8.25% Senior Secured Notes Due 2020 Payable in U.S. Dollars. The Senior Secured Notes are listed on the Singapore Exchange Securities Trading Limited. The proceeds of Notes have been utilized in accordance with the guidelines issued by the Reserve Bank of India.

The RBI currently mandates commercial banks operating in India to maintain an aggregate of 40.00 per cent. of adjusted net bank credit or credit equivalent amount of off-balance sheet exposure, whichever is higher as “priority sector advances”. These include advances to agriculture, micro and small enterprises (including SRTOs, which constitute the largest proportion of our loan portfolio), micro enterprises within the micro and small enterprises sector, export credit, advances to weaker sections where the Government seeks to encourage flow of credit for developmental reasons. Banks in India that have traditionally been constrained or unable to meet these requirements organically have relied on specialised institutions such as us that are better positioned to or exclusively focus on originating such assets through purchase of assets or securitised and assigned pools to comply with these targets. We believe our securitised and assigned asset pools are particularly attractive to these banks as such transactions provide them with an avenue to increase their asset base through low-cost investments and limited risk. We believe that we can negotiate competitive interest rates with banks, NBFCs and other lenders since the majority of our loan portfolio is classified as priority sector lending. In fiscals 2017 and 2018, the total book value of loan assets securitised and assigned on a standalone basis was ₹ 1,121,430.09 lakhs and ₹ 1,246,716.07 lakhs respectively.

Extensive experience and expertise in credit appraisal and collection processes

We believe that we have developed a unique business model that addresses the needs of a specific market segment with increasing demand. We focus on closely monitoring our assets and borrowers through relationship executives who develop long-term relationships with FTBs and SRTOs, which enable us to capitalise on local knowledge. We follow stringent credit policies, including limits on customer exposure, to ensure the asset quality of our loans and the security provided for such loans. Further, we have nurtured a culture of accountability by making our relationship executives responsible for loan administration and monitoring as well as recovery of the loans they originate.

Extensive expertise in asset valuation is a pre-requisite for any NBFC providing loans for pre-owned assets. Over the years, we have developed expertise in valuing pre-owned vehicles, which enables us to accurately determine a recoverable loan amount for commercial vehicle purchases. We believe a tested valuation technique for these assets is a crucial entry barrier for others seeking to enter the markets in which we operate. Furthermore, our entire recovery and collection operation is administered in-house and we do not outsource loan recovery and collection operations. We believe that our loan recovery procedure is particularly well suited to our target market in the commercial vehicle financing industry, as reflected by our strong loan recovery ratios, and we believe that this knowledge and relationship- based recovery procedure is difficult to replicate in the short to medium term.

Our Gross NPAs as a percentage of Total Loan Assets was 9.16 per cent. as of March 31, 2018. Our Net NPAs as a percentage of Net Loan Assets was 2.83 per cent. as of March 31, 2018.

Positive long-term industry prospects

We believe the market we serve enjoys positive long-term prospects as a result of favourable macro and microeconomic factors, including the favourable inflation and interest rate environment in India, further liberalisation initiatives and the opening of the economy by the Government, the increase in infrastructural development by the Government resulting in construction of more highways and road connectivity, leading to increased business for our customers, which would in turn lead to a higher demand for the vehicles we finance.

The domestic Commercial Vehicle (CV) industry maintained its strong growth momentum in April 2018 with 76% growth in sales on YoY basis. While structural factors including infrastructure pick-up and overall healthy demand from freight generation sectors continued to drive demand, low-base effect was the key reason for sharp jump in CV sales. In April 2017, industry sales had contracted sharply because of a) pre-buying of trucks (in Q4 FY 2017) ahead of the roll-out of BS-IV emission norms, b) limited availability of BS-IV inventory and c) deferred by fleet operators because of GST roll-out. Within the CV industry, M&HCV (Truck) sales jumped more than 3x because of low-base, while LCV (Truck) sales and Buses grew by 46% and 24% on YoY basis in April 2018. Within the truck segment, HCVs (above 35T) continued to outperform the industry registering a growth 426% on YoY basis. Stricter implementation of overloading norms across states along with various other structural drivers have been supporting a shift in favour of HCVs over the past 12-18 months. (Source: ICRA Report)

The Indian Government is currently considering proposals, taking into account the views of the National Green Tribunal (NGT), to ban commercial vehicles older than ten years to reduce pollution which is presently applicable in Delhi and NCR region. If these proposals are enacted by the Indian Government for all jurisdictions, this may result in a change in the Asset Under Management (AUM) portfolio of our Company and the percentage of loans financed for the purchase of new vehicles may gradually increase. The government has come up with a vehicle scrap policy (effective from April 1, 2020) which aims to scrap commercial vehicles older than 20 years. This would lead to demand of buying New BS - VI vehicles. Further, the Ministry of Road Transport and Highways has decided to leapfrog from BS-IV to BS-VI emission norms directly by completely skipping BS-V norms to curb vehicular pollution which will also come into effect from April 1, 2020. Due to this policy, we expect that there would be pre-buying of BS - IV vehicle, which will lead to shortage of new vehicles in the market, creating a huge spurt of growth in buying BS- VI vehicles.

Experienced senior management team

As of the date of this Shelf Prospectus, our board of directors consists of nine directors with extensive experience in the automotive and/or financial services sectors. We have an experienced management team, which is supported by a capable and motivated pool of employees. Our Company offers robust internal training programmes and has availed itself to an organically developed pool of talented members. Our senior and middle management personnel have significant experience and in-depth industry knowledge and expertise. Certain members of our senior management team have more than 20 years of experience with our Company. Our management promotes a result-oriented culture that rewards our employees on the basis of merit. In order to strengthen our credit appraisal and risk management systems, and to develop and implement our credit policies, we have hired a number of senior managers who have extensive experience in and knowledge of the Indian banking and financial services sector and in specialised lending finance firms providing loans to retail customers. We believe that the in-depth industry knowledge and loyalty of our management and professionals provide us with a distinct competitive advantage that has enabled us to successfully grow a profitable and sustainable business mode.

OUR STRATEGIES

Further expand operations by growing our branch network and presence in rural centres and increasing revenue sharing agreements with private financiers

We intend to continue to strategically expand our operations in target markets that are large commercial vehicle hubs by establishing additional branches. Our marketing and customer origination and servicing efforts strategically focus on building long-term relationships with our customers and address specific issues and local business requirements of potential customers in a particular region. We also intend to increase our operations in certain regions in India where we historically had relatively limited operations, such as in eastern and northern parts of India, and to further consolidate our position and operations in western and southern parts of India. We have also adopted a strategy of establishing our presence in rural centres with a view towards increasing our presence in the pre-owned commercial vehicle market and reaching out to a relatively newer customer segment in rural areas. We have had a presence in 862 rural centres as of March 31, 2018 and propose to continue to increase our presence in such rural centres across India. We also provide loans for new commercial vehicles, in addition to our policy of providing finance for vehicles which are between 5 to 12 years old with a view of expanding our reach and diversifying our portfolio.

The pre-owned commercial vehicle financing industry in India is dominated by private financiers in the unorganised sector. We intend to continue to strategically expand our marketing and customer origination network by entering into revenue sharing agreements with private financiers across India involved in commercial vehicle financing. However, the hypothecations granted in connection with these revenue sharing arrangements will remain solely in our favour.

Optimise funding costs

We believe that we can increase our profitability by optimising our funding costs. This would include use of new products available to us in the international capital markets, as well as ensuring that we favourably match our short-term and long-term sources of funds with their deployment. We have a diversified source for funding which comprises capital market instruments, bank borrowings with a lender base of 55 banks and institutions, securitisation and retail borrowings. Our portfolio qualifies for the priority sector advances for scheduled commercial banks (as investors in our securitised loans), which helps reduce our borrowing costs. We have also focused on gradually increasing the proportion of retail borrowings to diversify our funding source through fixed

deposit programme and regular public issue of non-convertible debentures. Our institutional debenture issuance has a varied investor base including mutual funds, banks, foreign portfolio investors, insurance companies, financial institutions, trusts and body corporates. We believe that our ability to diversify our resource profile will enable us to further optimise our funding cost.

Cross-sell our product portfolio

By offering additional downstream products, such as ancillary loans and insurance policies, we maintain contact with the customer throughout the product lifecycle and increase our revenues. We believe the relationships we have developed with our customers provide us with opportunities for repeat business and to cross-sell our other products and products of our affiliates. We seek to continue consolidating our product portfolio so as to create greater synergies with our primary business of commercial vehicle financing.

Continue to implement advanced processes and systems

Our information technology strategy is designed to increase our operational and managerial efficiency. We aim to increasingly use technology in streamlining our credit approval, administration and monitoring processes to meet customer requirements on a real-time basis. We aim to continue to implement technology-led processing systems to make our appraisal and collection processes more efficient, to facilitate rapid delivery of credit to our customers and to augment the benefits of our relationship-based approach. We also believe that deploying strong technology systems will enable us to respond to market opportunities and challenges swiftly, improve the quality of services to our customers, and improve our risk management capabilities.

OUR COMPANY'S FINANCIAL PRODUCTS

Commercial Vehicle Finance

We are principally engaged in the business of providing commercial vehicle financing to FTBs and SRTOs. FTBs are principally former truck drivers who purchase trucks for use in commercial operations and SRTOs are principally small transport operators owning between one and four used commercial vehicles. Our financing products are principally targeted at the financing of pre-owned trucks and other commercial vehicles, although we also provide financing for new commercial vehicles. The pre-owned commercial vehicles we finance are typically between 5 and 12 years old. We also provide financing for other kinds of pre-owned and new commercial vehicles, including passenger vehicles, multi-utility vehicles, tractors and three wheelers.

Vehicle Parts Finance and Other Ancillary Activities

Our customers also require financing for the purchase of vehicle parts in connection with the operation of their trucks and other commercial vehicles. We also offer financing for the acquisition of new and pre-owned vehicle equipment and accessories, such as tyres and other vehicle parts. We also provide working capital loans.

Our Company deals in life insurance and general insurance products. Our Company has entered into agreements with Shriram General Insurance Company Limited (“**SGIC**”) and Bajaj Allianz General Insurance Company Limited (“**BAGICL**”) whereby the Company is appointed as their ‘corporate agent’ and is authorized to market and solicit insurance products provided by SGIC and BAGICL to its customers and clients subject to the limits prescribed and on the terms and conditions agreed to between the parties.

OUR COMPANY'S OPERATIONS

Customer Origination

Customer Base

Our customer base is predominantly FTBs and SRTOs and other commercial vehicle operators, and smaller construction equipment operators. We also provide trade finance to commercial vehicle operators. These customers typically have limited access to bank loans for commercial vehicle financing and limited credit histories. Our loans are secured by a hypothecation of the asset financed.

Branch Network

As of March 31, 2018, we have a wide network of 1,213 branches across India and 23,819 employees. We have established branches at most major commercial vehicle hubs along various road transportation routes across India. A typical branch comprises 15 to 20 employees, including a branch manager. As of March 31, 2018, all of our branch offices were connected to servers at our corporate office to enable real-time information with respect to our loan disbursement and recovery administration. Our customer origination efforts strategically focus on building long-term relationships with our customers and address specific issues and local business requirements of potential customers in a specific region.

Revenue Sharing Agreements with Private Financiers

SRTOs and FTBs generally have limited banking habits and credit history as well as inadequate legal documentation for verification of creditworthiness. In addition, because of the mobile nature of the hypothecated assets, SRTOs and FTBs have limited access to bank financing for pre-owned and new commercial vehicle financing. As a result, the pre-owned truck financing market in India is dominated by private financiers in the unorganised sector. We have strategically expanded our marketing and customer origination network by entering into revenue sharing agreements with private financiers across India involved in commercial vehicle financing.

We enter into strategic revenue sharing agreements with private financiers ranging from individual financiers to small local private financiers, including other NBFCs. We have established a stable relationship with our revenue sharing partners through our extensive branch network. As a result of the personnel-intensive requirements of our business model, we rely on revenue sharing arrangements to effectively leverage the local knowledge, infrastructure and personnel base of our revenue sharing partners.

Our revenue sharing partners source applications for pre-owned and new commercial vehicle financing based on certain assessment criteria we specify, and are generally responsible for ensuring the authenticity of the customer information and documentation. The decision to approve a loan is, however, at our discretion. Our revenue sharing partners may directly arrange financing for such customer or approach another financier in connection with the proposed financing.

Our revenue sharing partners are responsible for obtaining all necessary documentation in connection with the loan proposals they originate. Revenue sharing partners are responsible for collection of instalments and penalties for all customers they originate. Revenue sharing partners are also responsible for any repossession of vehicles in the event of a default of a loan by customers they originate. However, the hypothecation of the vehicles financed are in the favour of our Company and not in the favour of our revenue sharing partners.

A typical revenue sharing arrangement involves the revenue-sharing ratio, amounts payable as quarterly advance payments to the revenue sharing partner, and details related to the retention of earnest money. Specifically, we typically stipulate a certain income-sharing arrangement on the interest on the loan, net of our cost of funding. Since the revenue sharing partner's share of income is only determined upon settlement of the individual loan contracts, we typically release quarterly advance payments to our revenue sharing partner. These payments are net of the earnest money deposit, which represents a pre-agreed percentage of the partner's revenue share. We allocate the earnest money towards a loan loss pool, as well as for business expansion purposes. Loan loss is typically calculated as our loss on principal and reimbursed expenses on loans from customers sourced by the revenue sharing partner, with interest at the rate of our cost of funds. The loss is shared between the parties in the same proportion as income. The parties usually stipulate that the amount available as earnest money deposit is in excess of a certain percentage of future receivables and may be withdrawn by the revenue sharing partner.

Other Marketing Initiatives

We continue to develop innovative marketing and customer origination initiatives specifically targeted at FTBs and SRTOs.

Branding/advertising

We use the brand name “Shriram” for marketing our products pursuant to a license agreement dated March 18, 2016 with Shriram Ownership Trust (SOT). Our brand is well recognised in India. We have launched various publicity campaigns through print and other media specifically targeted at our target customer profile, FTBs and SRTOs, to create awareness of our product features, including our speedy loan approval process, with the intention

of creating and enhancing our product identity. We believe that our emphasis on product promotion will be a significant contributor to our results of operations in the future.

Customer Evaluation, Credit Appraisal and Disbursement

Due to our customer profile, in addition to a credit evaluation of the borrower, we rely on guarantor arrangements, the availability of security, referrals from existing relationships and close client relationships in order to manage our asset quality. All customer origination and evaluation, loan disbursement, loan administration and monitoring as well as loan recovery processes are carried out by our relationship executives. We do not utilise or engage direct selling or other marketing and distribution agents or appraisers to carry out these processes. We follow certain procedures for the evaluation of the creditworthiness of potential borrowers. The typical credit appraisal process is described below:

Initial Evaluation

When a customer is identified and the requisite information for a financing proposal is received, a branch manager or relationship executive meets with the customer to assess the customer's loan requirements and creditworthiness. The proposal form requires the customer to provide information on the customer's age, address, employment details and annual income, as well as information on outstanding loans and the number of commercial vehicles owned. The customer is required to provide proof of identification and residence for verification purposes. In connection with the loan application, the customer is also required to furnish a guarantor, typically another commercial vehicle owner, preferably an existing or former customer. Detailed information relating to the guarantor is also required.

For pre-owned commercial vehicles, our executives prepare a vehicle inspection and evaluation report to ascertain, among other matters, the registration details of the vehicle, as well as its condition and market value. A field investigation report is also prepared relating to the place of residence and of various movable and immovable properties of the customer and the guarantor. Each application also requires two independent references to be provided.

Credit Policies

We follow stringent credit policies to ensure the asset quality of our loans and the security provided for those loans. Any deviation from such credit policies in connection with a loan application requires prior approval. Our credit policies include the following:

Vehicle type. We only finance vehicles that are used for commercial purposes. As these are income generating assets, we believe that this asset type reduces our credit risk.

Hypothecation. Our loans include hypothecations in our favour.

Guarantor requirement. Loans must be secured by the personal guarantee of the borrower as well as at least one third party guarantor. The guarantor must be a commercial vehicle owner, preferably our existing or former customer, and preferably operating in the same locality as the borrower.

Insurance. Comprehensive insurance is required.

Loan approval guidelines. From time to time, our management lays down loan approval parameters which are typically linked to the value of the vehicle and loan amount.

Age limit for pre-owned vehicles. We typically extend loans to vehicles that are less than 12 years but age limit may vary as per usability in specific geographies.

Period. The maximum period for repayment in case of assets shall not be more than 84 months.

Release of documents on full repayment. Security received from the borrower is released on repayment of all dues or on collection of the entire outstanding loan amount, provided no other existing right or lien for any other claim exists against the borrower.

RTO records. In the case of pre-owned vehicle financing, Regional Transport Office (RTO) records are inspected for non-payment of road tax, pending court cases, and other issues, and the records retained as part of the loan documentation.

Physical inspection and trade reference. In the case of all pre-owned vehicle financing, the branch manager must physically inspect the vehicle and assess its value. The branch manager's determination regarding the condition of the vehicle is recorded in the evaluation report of the vehicle. The branch manager must also conduct contact point verification as well as a trade reference check of the borrower before an actual disbursement is made, and such determination is recorded in the proposal evaluation records.

Approval Process

The branch manager evaluates the loan proposal based on supporting documentation and various other factors. The primary criteria for approval of a loan proposal is based on the guarantee provided by another commercial vehicle operator, preferably an existing or previous customer, as well as the valuation of the asset to be secured by the loan. In addition, our branch managers may also consider other factors in the approval process, past repayment record and income sources.

The branch manager is authorised to approve a loan if the proposal meets the criteria established for the approval of a loan. We inform the customer of the outcome of the approval process, as well as the amount of loan approved, the terms and conditions of such financing, including the rate of interest (annualised) and the application of such interest during the tenure of the loan. A sanction letter is issued to the borrower incorporating all the financial details such as the loan amount, tenure and the rate of interest and the loan disbursement takes place only on getting the sanction letter duly accepted by the borrower.

A chassis print of the vehicle is also obtained and maintained in the loan file. The relevant RTO endorsement forms are also required to be executed by the borrower prior to the disbursement of the loan. Prior to the loan disbursement, the loan officer ensures that a KYC checklist is completed by the Applicant. The loan officer verifies such information provided and includes such records in the relevant loan file. The loan officer is also required to ensure that the contents of the loan documents are explained in detail to the borrower, either in English or in the local language of the borrower, and a statement to such effect is included as part of the loan documentation. The borrower is provided with a copy of the loan documents executed by him.

Disbursement

Margin money, processing fees and documentation charges are collected prior to loan disbursements. The disbursing officer retains evidence of the customer's acceptance of the terms and conditions of the loan as part of the loan documentation. Our Company has initiated steps to encourage the customers to make payments of loan instalments through internet banking and card payment. For pre-owned vehicles, an endorsement of the registration certificate as well as the insurance policy must be executed in our favour.

Loan Administration and Monitoring

The borrower and the relevant guarantor are required to execute a standard form of Loan cum Hypothecation Agreement setting out the terms of the loan. A loan repayment schedule is attached as a schedule to the Loan cum Hypothecation Agreement, which generally sets out monthly repayment terms. The Loan cum Hypothecation Agreement also requires a promissory note to be executed containing an unconditional promise of payment to be signed by both the borrower and the relevant guarantor. A power of attorney authorising, among others, the repossession of the hypothecated vehicle upon loan payment default, is also required to be executed.

We provide payment options: cash, cheque, demand draft, mobile wallets, UPI, NACH and USSD. Repayments are made in monthly instalments. Loans disbursed are recovered from the customer in accordance with the loan terms and conditions agreed with the customer. As a service to our customers, our relationship executives offer to visit the customers on the payment date to collect the instalments due. We track loan repayment schedules of our customers, on a monthly basis, based on the outstanding tenure of the loans, the number of instalments due and defaults committed, if any. This data is analysed based on the vehicles financed and location of the customer.

Our management information system (MIS) department and centralised operating team monitors compliance with the terms and conditions for credit facilities. We monitor the completeness of documentation and creation of security through regular visits to our branches by our regional as well as head office executives and internal

auditors. All borrower accounts are reviewed at least once a year, with a higher frequency for larger exposures and delinquent borrowers. Our lending team reviews collections regularly, personally contacts borrowers that have defaulted on their loan payments and conducts day-to-day operations including collection of instalments from 150 to 200 borrowers each, depending on territorial dispersal. Each branch customarily limits its commercial vehicle financing loans to approximately 1,500 customers, which enables closer monitoring of receivables. A new branch is opened to handle additional customers beyond that limit to ensure appropriate risk management. Close monitoring of debt servicing efficiency enables us to maintain high recovery ratios.

Collection and Recovery

We believe that our loan recovery procedure is particularly well suited to our target market in the commercial vehicle financing industry, as reflected by our high loan recovery ratios. The entire collection operation is administered in-house and we do not outsource loan recovery and collection operations. In the case of default, the reasons for the default are identified by the local relationship executive and appropriate action is initiated, such as requiring partial repayment and/or seeking additional guarantees or collateral.

For every 30 days of delay in loan instalment payments, the matter is escalated to our branch managers. In the event of a default on three loan instalments, the branch manager is required to make a personal visit to the borrower to determine the gravity of the loan recovery problem and provide suitable solutions.

We may initiate the process for repossession of the vehicle in the event of a default. Branch managers are trained to repossess vehicles and no external agency is involved in such repossession. Repossessed vehicles are held at designated secured facilities for eventual sale. The notice to the customer specifies the outstanding amount to be paid within a specified period, failing which the vehicle may be disposed of. In the event that there is a shortfall in the recovery of the outstanding amount from the sale of the vehicle, legal proceedings against the customer may be initiated.

The laws governing the registration of motor vehicles in India effectively establish vehicle ownership, as well as the claims of lenders. As a result, vehicle repossession in the event of default is a relatively uncomplicated procedure, such that the possibility of repossession provides an effective deterrent against default.

ASSET QUALITY

We maintain our asset quality through the establishment of prudent credit norms, the application of stringent credit evaluation tools, limiting customer and vehicle exposure, and direct interaction with customers. In addition to our credit evaluation and recovery mechanism, our asset-backed lending model and adequate asset cover has helped maintain low Gross NPA and Net NPA levels. We believe that we provide finance to pre-owned commercial vehicle operators at a reasonable interest rate, making repayment more manageable for FTBs and SRTOs.

Classification of Assets

The RBI requires every deposit-accepting NBFC to classify its lease/hire purchase assets, loans, advance and other forms of credit into standard, sub-standard or loss assets. Our Company has been following the classification norms prescribed by the RBI.

Provisioning and Write-offs

The Company is required, after taking into account the time lag between an account becoming non-performing and its recognition as such, the realisation of the security, and the erosion over time in value of the security charged, to make provisions against sub-standard, doubtful and loss assets in accordance with the directions issued by RBI. The RBI mandates 100.00 per cent. provision coverage for loss assets that remain on the accounting books of NBFCs, 100.00 per cent. for unsecured doubtful assets and between 20.00 per cent. to 50.00 per cent. for secured doubtful assets depending upon the period for which the asset has remained doubtful and a general provision of 10 per cent. for sub-standard assets. Provision coverage refers to the ratio of NPA provision over the Gross NPA. During the year ended March 31, 2016, the Company has revised its estimate for provision on non-performing assets from 80.00 per cent. to 70.00 per cent. As of March 31, 2018, we maintain provision coverage of 71.11 per cent. for our NPAs. Due to an RBI circular dated March 27, 2015 on the tightening of NPA norms, the Company has started reducing its provision coverage ratio, which has consequently increased the Net NPA of the Company. We also consider field reports and collection patterns at regular intervals to anticipate the need of higher provisioning.

The provisions on standard assets is not reckoned for arriving at Net NPAs. The provisions towards standard assets are not needed to be netted from gross advances but shown separately as “Contingent Provisions against Standard Assets” in the balance sheet. In terms of the RBI requirements, our Company is allowed to include the “General Provisions on Standard Assets” in Tier II capital which together with other “general provisions/loss reserves” will be admitted as Tier II capital only up to a maximum of 1.25 per cent. of the total risk-weighted assets.

The RBI currently mandates deposit-taking NBFCs to maintain provision coverage of 0.40 per cent. for standard assets. The RBI has recently mandated deposit-taking NBFCs to increase provision coverage for standard assets to 0.35 per cent. as of March 31, 2017, and 0.40 per cent. as of March 31, 2018. Our Company has made general provisioning at 0.40 per cent. of the outstanding standard assets as of March 31, 2018. The provisions towards standard assets are not needed to be netted from gross advances but shown separately as “contingent provisions against standard assets” in our Company's balance sheet.

Our Audit Committee has constituted a policy for making provisions as per management estimate, subject to the minimum provision prescribed by RBI. Our provisions for NPAs (including provision for diminution in fair value of restructured loans) as of March 31, 2018 stood at ₹ 524,524.57 lakhs.

The following table sets forth, as of the dates indicated, data regarding our NPAs:

(₹ in lakhs)

	As of		
	March 31, 2018	March 31, 2017	March 31, 2016
Gross NPA ⁽¹⁾	737,639.32	540,843.58	387,023.84
Net NPA ⁽²⁾	213,114.75	165,899.15	114,369.70
Total Loan Assets	8,051,415.05	6,619,485.18	6,254,033.31
Net Loan Assets ⁽³⁾	7,526,890.48	6,244,540.75	5,981,379.17
Percentage of Gross NPA to Total Loan Assets	9.16%	8.17%	6.19%
Percentage of net NPA to Net Loan Assets	2.83%	2.66%	1.91%

1. Gross NPA means loans outstanding including future principal and excluding unrealised interest accrued and due under NPA accounts.

2. Net NPA means Gross NPA net off provision held for NPA accounts and provision for diminution in fair value of restructured loans.

3. Net Loan Assets means Total Loan Assets as adjusted for provisions for non-performing assets and provision for diminution in fair value of restructured loans.

Our Gross NPAs as a percentage of Total Loan Assets were 9.16 per cent. as of March 31, 2018. Our Net NPAs as a percentage of Net Loan Assets was 2.83 per cent. as of March 31, 2018. We believe that our eventual write-offs are relatively low because of our relationship-based customer origination and customer support, prudent loan approval processes (including adequate collateral being obtained), and our ability to repossess and dispose of such collateral in a timely manner.

Other Business Initiatives

Our Company has entered into an Agreement dated May 17, 2018 (“HPCL Agreement”) with Hindustan Petroleum Corporation Limited (“HPCL”), wherein our Company has agreed to provide credit facilities to customers to enable them to purchase automotive fuels and lubricants from the retail outlets of HPCL. In terms of the HPCL Agreement, any person desirous of becoming a member of the ‘Drivetrack Plus Programme’ initiated by HPCL, shall apply to our Company and request for a sanction limit. Our Company, on the basis of credibility of the applicant, will sanction credit limits pursuant to which HPCL shall enroll the successful applicant as a member to its ‘Drivetrack Plus Programme’. Such members are eligible to purchase fuel and lubricants at the HPCL retail outlets basis the credit limits sanctioned by our Company.

The HPCL Agreement is effective from June 1, 2018 up to May 31, 2020, unless cancelled or terminated by either party. The parties may, prior to the expiry of the HPCL Agreement, mutually agree to extend the HPCL Agreement for a further period as the parties may deem fit.

FUNDING SOURCES

We have expanded our sources of funds in order to reduce our funding costs, protect interest margins and maintain a diverse funding portfolio that will enable us to achieve funding stability and liquidity. Our sources of funding comprise term loans (including term loans from banks and financial institutions), cash credit from banks, redeemable non-convertible debentures, subordinated bonds, short-term commercial paper and inter-corporate deposits. Our Company also mobilises fixed deposits.

As of March 31, 2018, we had an outstanding secured debt (gross of unamortised discount ₹ 118.20 lakhs) of ₹ 4,615,452.20 lakhs and unsecured debt (gross of unamortised discount of ₹6,280.29 lakhs) of ₹ 1,722,862.12 lakhs. As of March 31, 2017, we had a standalone outstanding secured debt (gross of unamortised discount of ₹0.08 lakhs) of ₹ 4,086,623.74 lakhs and unsecured debt of ₹ 1,224,386.17 lakhs (gross of unamortised discount of ₹ 0.00).

Borrowings

The following table sets forth the principal components of our secured loans as of the dates indicated:

(₹ in lakhs except percentage)

	As of March 31, 2018		As of March 31, 2017	
	Amount	Percentage	Amount	Percentage
Redeemable non-convertible debentures (Net of Unamortised discount)	2,438,445.93	52.83	1,909,768.23	46.73
Term Loans	1,577,598.04	34.18	1,576,778.61	38.58

Total	4,615,334.00	100.00	4,086,623.66	100.00

Increasingly, we depend on term loans from banks and the issue of redeemable non-convertible debentures as the primary sources of our funding. We believe that we have developed stable long-term relationships with our lenders, have established a track record of timely servicing of our debts, and have been able to secure fixed rate long-term loans of three to five years tenure to stabilise our cost of borrowings.

In fiscal 2018, net reduction of bank borrowings including cash credit was ₹ 204,050.69 lakhs. As of March 31, 2018, loans from banks, including cash credit, aggregated ₹ 1,645,804.74 lakhs, as compared to ₹ 1,849,855.43 lakhs March 31, 2017 on a standalone basis.

In fiscal 2018, addition in redeemable non-convertible debentures (gross of unamortised discount) was ₹ 973,340.00 lakhs. As of March 31, 2018, the aggregate outstanding amount of secured redeemable non-convertible debentures was ₹2,438,564.13 lakhs (gross of unamortised discount of ₹118.20 lakhs) as compared to ₹ 1,909,768.31 lakhs (gross of unamortised discount of ₹ 0.08 lakhs) as of March 31, 2017 on a standalone basis.

Our short-term fund requirements are primarily funded by cash credit from banks, including working capital loans. Cash credit from banks outstanding, as of March 31, 2018, was ₹ 68,206.70 lakhs.

As of March 31, 2018, our outstanding subordinated debt amounted to ₹ 454,529.81 lakhs on a standalone basis, compared to ₹ 348,077.98 lakhs as of March 31, 2017. The debt is subordinated to our present and future senior indebtedness. Based on the balance term to maturity, as of March 31, 2018, ₹ 272,267.52 lakhs of the discounted book value of subordinated debt is considered as Tier II under the guidelines issued by the RBI for the purpose of capital adequacy computation.

The following table sets forth the principal components of our unsecured loans on a standalone basis as of the dates indicated:

Securitisation and Assignment of Portfolio against Financing Activities

We also undertake securitisation and assignment transactions to increase our capital adequacy ratio, increase the efficiency of our loan portfolio and as a cost-effective source of funds. We sell part of our assets under financing activities from time to time through securitisation and assignment transactions as well as direct assignment. Our securitisation and assignment transactions involve provision of additional collateral and deposits or bank/corporate guarantee. In fiscal 2018, total book value of loan assets securitised and assigned was ₹ 1,246,716.07 lakhs.

We continue to provide administration services for the securitised and assigned portfolio, the expenses for which are provided for at the outset of each transaction. The gains arising out of securitisation and assignment, which vary according to a number of factors such as the tenor of the securitised and assigned portfolio, the yield on the portfolio securitised and assigned and the discounting rate applied, are treated as income over the tenure of agreements as per RBI guidelines on securitisation of standard assets. Loss, if any, is recognised upfront.

The following tables set forth certain information with respect to our securitisation and assignment transactions on a standalone basis:

	<i>(₹ in lakhs)</i>	
	As of March 31, 2018	As of March 31, 2017
Total number of loan assets securitised and assigned	456,036	404,650
Total book value of loan assets securitised and assigned	1,246,716.07	1,121,430.09
Sale consideration received for securitised and assigned assets	1,246,716.07	1,121,430.09
Gain on account of securitisation and assignment	207,402.21	148,621.71

We are required to provide credit enhancement for the securitisation and assignment transactions by way of either fixed deposits or corporate guarantees and the aggregate credit enhancement amount outstanding as of March 31, 2018 was ₹337,848.01 lakhs. In the event a relevant bank or institution does not realise the receivables due under such loan assets, such bank or institution would have recourse to such credit enhancement.

TREASURY OPERATIONS

Our treasury operations are mainly focused on meeting our funding requirements and managing short-term surpluses. Our fund requirements are currently predominantly met through loans and by issue of debentures to banks, financial institutions and mutual funds. We also place commercial paper and mobilise retail fixed deposits (including secured non-convertible debentures) and inter-corporate deposits. We have also raised subordinated loans eligible for Tier II capital. We believe that through our treasury operations, we are able to maintain our ability to repay borrowings as they mature and obtain new loans at competitive rates.

Our treasury department undertakes liquidity management by seeking to maintain an optimum level of liquidity and complying with the RBI requirement of asset liability management. The objective is to ensure the smooth functioning of all our branches and at the same time avoid the holding of excessive cash. Our treasury maintains a balance between interest-earning liquid assets and cash to optimise earnings.

Our treasury department also manages the collection and disbursement activities from our corporate office in Mumbai. We actively manage our cash and funds flow using various cash management services provided by banks. As part of our treasury activities, we also invest our surplus funds in fixed deposits with banks, liquid debt-based mutual funds and government securities. Our investments are made in accordance with the investment policy approved by the Board.

Our investments are predominantly in government securities, mutual funds, bank fixed deposits and certificates of deposit with banks.

CAPITAL ADEQUACY

We are subject to the capital adequacy ratio (CAR) requirements prescribed by the RBI. We are currently required to maintain a minimum CAR of 15.00 per cent., as prescribed under the Master Directions on Non Banking Financial Company Systemically Important Non Deposit Taking Company and Deposit Taking Company (Reserve Bank) Directions, 2016, based on our total capital to risk-weighted assets. All deposit taking NBFCs have to maintain a minimum capital ratio, consisting of Tier I and Tier II capital, which shall not be less than 15.00 per cent. of its aggregate risk-weighted assets on balance sheet and risk adjusted value of off-balance sheet items. As a part of our governance policy, we ordinarily maintain capital adequacy higher than the statutorily prescribed CAR. As of March 31, 2018, our capital adequacy ratio computed on the basis of applicable RBI requirements was 16.87 per cent. compared to the minimum capital adequacy requirement of 15.00 per cent. stipulated by the RBI. The total Tier I capital, at any point of time, shall not be less than 8.5 per cent. by March 31, 2016 and 10.0 per cent. by March 31, 2017.

The following table sets out our capital adequacy ratios on a standalone basis computed on the basis of applicable RBI requirements as of the dates indicated:

The following table sets out our capital adequacy ratios on a standalone basis computed on the basis of applicable RBI requirements as of the dates indicated

	As of March 31,		
	2018	2017	2016
Capital adequacy ratio (per cent.)	16.87%	16.94%	17.56%
Tier I capital (per cent.)	14.24%	15.20%	14.71%
Tier II capital (per cent.)	2.63%	1.74%	2.85%

We believe that we do not face any significant competition from organised players in our principal business line, the pre-owned commercial vehicle financing sector. Small NBFCs in the organised sector have not been able to increase their scale of operations to the level of our Company. Most of our customers are not a focus segment for banks or large NBFCs, as these customers lack substantial credit histories and other financial documentation on which many of such financial institutions rely to identify and target new customers. We believe our experience-based valuation methodology, our expanding product portfolio, growing customer.

base and relationship-based approach are key competitive advantages against new market entrants. Our primary competition comprises private unorganised financiers that principally operate in the local market. These private operators have significant local market expertise, but lack brand image and organisational structure. The small private financiers also have limited access to funds and may not be able to compete with us on interest rates extended to borrowers, which we are able to maintain at competitive levels because of our access to a variety of comparatively lower cost of funding sources and operational efficiencies from our scale of operations. However, private operators may attract certain clients who are unable to otherwise comply with our loan requirements, such as the absence of an acceptable guarantor or failure of the commercial vehicle to meet our asset valuation benchmarks. For new commercial vehicle financing, we compete with more conventional lenders, such as banks and other NBFCs.

Given the relatively minimal scale of our present operations in our other business lines such as corporate agency for insurance, we do not directly compete with others in these segments. However, as our operations in our other business lines expand, we may face significant competition in these segments in future.

Risk Management

We have developed a strong risk-assessment model in order to maintain healthy asset quality. The key risks and risk-mitigation principles we apply to address these risks are summarised below:

Interest Rate Risk

Our results of operations are dependent upon the level of our net interest margins. Net interest income is the difference between our interest income and interest expense. Since our balance sheet consists of rupee assets and predominantly Rupee liabilities, movements in domestic interest rates constitute the primary source of interest rate risk. We assess and manage the interest rate risk on our balance sheet through the process of asset liability management. We borrow funds at fixed and floating rates of interest, while we extend credit at fixed rates. In the absence of proper planning and in a market where liquidity is limited, our net interest margin may decline, which may impact our revenues and ability to exploit business opportunities.

We have developed stable long-term relationships with our lenders and established a track record of timely servicing our debts. This has enabled us to become a preferred customer with various major banks and financial institutions with whom we do business. Moreover, our valuation capabilities enable us to invest in good quality assets with stable, attractive yields. Significantly, our loans are classified as priority sector assets by the RBI, such that these loans, when securitised, find a ready market with various financial institutions, including our lenders.

Liquidity Risk

Liquidity risk arises due to non-availability of adequate funds or non-availability of adequate funds at an appropriate cost, or of appropriate tenure, to meet our business requirements. This risk is minimised through a mix of strategies, including asset securitisation and assignment and temporary asset liability gap.

We monitor liquidity risk through our asset liability management (ALM) function with the help of liquidity gap reports. This involves the categorisation of all assets and liabilities into different maturity profiles, and evaluating these items for any mismatches in any particular maturities, especially in the short-term. The ALM policy has capped the maximum mismatches in the various maturities in line with RBI guidelines and ALCO guidelines.

To address liquidity risk, we have developed expertise in mobilising long-term and short-term funds at competitive interest rates, according to the requirements of the situation. For instance, we structure our indebtedness to adequately cover the average three-year tenure of loans we extend. As a matter of practice, we generally do not deploy funds raised from short-term borrowing for long-term lending.

Credit Risk

Credit risk is the risk of loss that may occur from default by our customers under the loan agreements with us. As discussed above, borrower defaults and inadequate collateral may lead to higher NPAs.

We minimise credit risk by requiring that each loan must be guaranteed by another commercial vehicle operator in the same locality as the borrower, preferably by an existing or former borrower. Our loan to value (LTV) is always kept under reasonable limits. Furthermore, we lend on a relationship-based model, and we believe our high loan recovery ratios indicate the effectiveness of this approach for our target customer base. We also employ

advanced credit assessment procedures, which include verifying the identity and checking references of the proposed customer thoroughly at the lead generation stage. Our extensive local presence also enables us to maintain regular direct contact with our customers. In this regard, we assign personal responsibility to each member of the lead generation team for the timely recovery of the loans they originate, closely monitoring their performance against our Company's standards, and maintain client and truck-wise exposure limits.

Cash Management Risk

Our branches collect a substantial amount of our customers' payments in cash. Lack of proper cash management practices could lead to losses. To address cash management risks, we have developed advanced cash management checks that we employ at every level to track and tally accounts. Moreover, we conduct regular audits to ensure the highest levels of compliance with our cash management systems. Customers are gradually migrating towards non-cash payment modes such as NACH and Digital. Customers can use "MyShriram" app on their smartphones or create a login under "Customer online" option on the Company website <http://www.stfc.in> and make loan repayments. We are educating our customers for EMI payment through payment gateways and payments through debit cards by swiping them in our POS machines at the branches.

Regulatory and Compliance Risk

Regulatory and compliance risk are the risks to earnings or capital arising from violations of, or nonconformance with, laws, rules, regulations, prescribed practices, internal policies, and procedures, or ethical standards. The regulatory and compliance risk will also be result of any changes made in laws, rules or regulations to comply with. There may some differences in interpretation of regulations by the company vis-à-vis that of the regulators. Our Company has engaged experienced professionals in different departments in order to take care of compliance with the applicable laws, rules and regulations and guidelines affecting company's business. Our Company also takes advice from external reputed consultants in respect to the laws, rules or regulations affecting the company's business.

Employees

As of March 31, 2018, the total number of our employees was 23,819.

We have built a highly capable workforce primarily by recruiting fresh graduates. As our business model requires an entrepreneurial approach in dealing with truck operators, we prefer to recruit and train fresh graduates in achieving our objectives. Moreover, we prefer to recruit our workforce from the area in which they will be serving our customers, in order to benefit from the workforce's knowledge of the local culture, language, preferences and territory. We emphasise both classroom training and on-the-job skills acquisition. Post recruitment, an employee undergoes induction training to gain an understanding of our Company and our operations. Our relationship executives are responsible for customer origination, loan administration and monitoring as well as loan recovery, which enables them to develop strong relationships with our customers. We believe our transparent organisational structure ensures efficient communication and feedback and drives our performance-driven work culture.

In a business where, personal relationships are an important driver of growth, relationship executive attrition may lead to loss of business. We therefore endeavour to build common values and goals throughout our organisation and strive to ensure a progressive career path for promising employees and retention of quality intellectual capital in our Company. We provide a performance-based progressive career path for our employees. For instance, we introduced an employee stock option plan in 2005 for eligible employees. We believe our attrition rates are among the lowest in the industry at managerial levels.

Intellectual Property

Pursuant to a licence agreement dated November 21, 2014 between our Company and SOT ("**License Agreement**"), we are licensed to use the name "Shriram" and the associated mark, for which our Company has to pay a licence fee to SOT of 1.00 per cent. of the total income of our Company every fiscal year. The total amount of the licence fee our Company pays to SOT in a fiscal year is subject to a ceiling of 5.00 per cent. of the profit (before tax and licence fee) of our Company from Fiscal 2016. The License Agreement is valid for a period of five years from October 1, 2014 until September 30, 2019, after which the agreement will be automatically renewed for a further period of five years on the same terms, unless otherwise decided.

Technology

We use information technology as a strategic tool in our business operations to improve our overall productivity. We believe that our information systems enable us to manage our nationwide operations network well, as well as to effectively monitor and control risks.

Our Company has various security controls in place to mitigate risks and safeguard the Company against security breaches and technological lapses, including established disaster recovery centres located in different seismic zones, periodic upgrading of servers and data storage, accreditation from the International Organisation for Standardisation for our Company's information security management system and regular audits.

All our branches are online, connected through a virtual private network with our central server located at our data centre.

Property

Our registered office is at Mookambika Complex, 3rd Floor, No. 4, Lady Desika Road, Mylapore, Chennai – 600 004, Tamil Nadu, India. Our corporate office is at Wockhardt Towers, Level 3, West Wing, C-2, G Block, Bandra Kurla Complex, Bandra (East), Mumbai – 400 051, Maharashtra, India. As of March 31, 2018, we had 1,213 branches across India. We typically enter into lease agreements for these strategic business units and branch locations.

Collaborations

Our Company has not entered into any collaboration, any performance guarantee or assistance in marketing by any collaborators.

Competition

We believe that we do not face any significant competition from organised players in our principal business line, the pre-owned commercial vehicle financing sector. Small NBFCs in the organised sector have not been able to increase their scale of operations to the level of our Company. Most of our customers are not a focus segment for banks or large NBFCs, as these customers lack substantial credit histories and other financial documentation on which many of such financial institutions rely to identify and target new customers. We believe our experience-based valuation methodology, our expanding product portfolio, growing customer base and relationship-based approach are key competitive advantages against new market entrants. Our primary competition comprises private unorganised financiers that principally operate in the local market. These private operators have significant local market expertise, but lack brand image and organizational structure. The small private financiers also have limited access to funds and may not be able to compete with us on interest rates extended to borrowers, which we are able to maintain at competitive levels because of our access to a variety of comparatively lower cost of funding sources and operational efficiencies from our scale of operations. However, private operators may attract certain clients who are unable to otherwise comply with our loan requirements, such as the absence of an acceptable guarantor or failure of the commercial vehicle to meet our asset valuation benchmarks. For new commercial vehicle financing, we compete with more conventional lenders, such as banks and other NBFCs. Given the relatively minimal scale of our present operations in our other business lines, we do not directly compete with others in these segments. However, as our operations in our other business lines expand, we may face significant competition in these segments in future.

HISTORY, MAIN OBJECTS AND KEY AGREEMENTS

Brief background of our Company

Our Company was incorporated as a public limited company under the provisions of the Companies Act, 1956, by a certificate of incorporation dated June 30, 1979, issued by the ROC, Chennai, Tamil Nadu. Key terms of our Material Agreements

(1) License Agreement dated November 21, 2014 between Shriram Ownership Trust, (“SOT”) and our Company, (“License Agreement”) read together with the Addendum No. 1 to the License Agreement dated March 18, 2016 (“Addendum”):

By a license agreement dated April 1, 2014 (and as extended from time to time), our Company was granted license to use the non-exclusive copyright, relating to the existing artistic work “SHRIRAM” logo, (“Copyright”) assigned in the favour of SOT by Shriram Capital Limited, and to reproduce the said work, in connection with the business activities of our Company in the territory of India during the term of the Copyright. However, the aforesaid license agreement was mutually terminated on September 30, 2014.

SOT and our Company subsequently entered into and executed the License Agreement, wherein our Company was permitted to continue to use the Copyright and reproduce the same in connection with the business activities of our Company in the territory of India during the term of the Copyright, with effect from October 1, 2014. The salient terms of the License Agreement are as follows:

- (a) Consideration: SOT was originally entitled to license fees which shall be calculated annually (on the basis of the results of the operation of our Company for the fiscal year ended March 31) and shall be equal to 1% (one percent) of the total income of our Company for such fiscal year. The fees determined on an annual basis shall be paid in quarterly intervals, within 15 days of the release of the results or 60 days of the quarter ending, whichever earlier, commencing from the date of the License Agreement. Pursuant to the Addendum and with effect from April 1, 2015, the license fees payable to SOT stood revised to 1% (one percent) of the total income of our Company, subject to a limit of 5% (five percent) on profit before tax and license fee.

In addition to the aforesaid, our Company shall also be liable to pay SOT amounts by way of reimbursement of actual expenses incurred by SOT in respect of protection and defence of the Copyright.

- (b) Duration: The License Agreement will remain in force for a period of five years, commencing from October 1, 2014 after which the same shall automatically stand extended for a further period of 5 years, on the same terms and conditions as contained in the License Agreement, unless mutually amended by SOT and our Company.
- (c) Arbitration: In case of dispute or difference arising between the SOT and our Company shall be in accordance with the provisions of the Arbitration and Conciliation Act, 1996, by a sole arbitrator to be mutually agreed to by the Parties and the decision of the arbitrator(s) shall be final and binding on both the parties. The place of arbitration shall be in Chennai.

(2) Service Agreement dated May 3, 2017 between SCL and our Company, (“Service Agreement 2”)

Our Company has executed Service Agreement 2 with SCL for formalising their arrangement with regard to the role and services to be provided by SCL to our Company. The salient terms of Service Agreement 2 are:

- (a) Role of SCL: SCL shall provide specialised advisory and support services to our Company, in connection with group strategy, new ventures, management information systems, synergy, group human resource, brand building, risk management, taxation, regulatory, secretarial, group information technology, external relations, corporate communications, investor relations, policy advocacy and that the Company shall avail of such aforementioned services, in accordance with terms of Service Agreement 2.
- (b) Consideration: Our Company shall pay SCL a sum of ₹ 38,00,00,000 (Rupees Thirty Eight crores only), for the financial year of 2017- 2018, in equal quarterly instalments, excluding applicable taxes. Subject to the review of board of directors or the audit committee, the said fees shall be subject to annual revision up to 5% (five percent) per annum, over and above the fees payable during the respective previous financial year, effective from April 1, 2017.
- (c) Term: Service Agreement 2 shall come into effect on April 1, 2017 and shall be valid for a period of 5 (five) years therefrom unless terminated earlier by either party with a notice period of 1 (one) year. And

on the expiry of the aforementioned period of 5 (five) years, Service Agreement 2 shall automatically stand renewed with the same annual increases as set out in Service Agreement 2, unless otherwise agreed to in writing between the parties.

- (d) Arbitration: All disputes, differences and/or claims arising out of Service Agreement 2, shall be settled in accordance with the provisions of the Arbitration and Conciliation Act, 1996, by a sole arbitrator to be mutually agreed to by the parties and the decision of the sole arbitrator shall be final and binding on both the parties. The place of arbitration shall be in Chennai and the language of arbitration shall be English.

2. The accompanying Reformatted Standalone Financial Statements of Shriram Transport Finance Company Limited (“the Company”) as at and for the years ended on March 31, 2018, 2017, 2016, 2015 and 2014 and Other Standalone Financial Information, (collectively referred to as “Reformatted Standalone Statements”) annexed to this report and initialed by us for identification purposes only, have been prepared by the Management of the Company, in accordance with the requirements of :
 - (a) Section 26 of Part I of Chapter III of the Companies Act, 2013 (“the Act”) read with applicable provisions of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (“the Rules”);
 - (b) the Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008, as amended from time to time (“SEBI Regulations”), issued by the Securities and Exchange Board of India, in pursuance of the Securities and Exchange Board of India Act, 1992.

to be included in the Draft Shelf Prospectus and Shelf Prospectus, in connection with the proposed public issue of non-convertible debentures by the Company.

Management's responsibility for the Reformatted Standalone Statements

3. The preparation of the Reformatted Standalone Statements is the responsibility of the Management of the Company. The Management's responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of the Reformatted Standalone Statements. The Management is also responsible for identifying and ensuring that the Company complies with the Act, Rules and SEBI regulations.

Auditor's responsibilities

4. Our responsibility is to express our opinion based on the examination of such Reformatted Standalone Statements with regards to:
 - (a) the Guidance Note on “Reports in Company Prospectuses (Revised)” issued by the Institute of Chartered Accountants of India (“ICAI”), except that these financial information have not been adjusted for changes in accounting policies, retrospectively in the respective financial years to reflect the same accounting policies for all the reporting periods and for adjustments of amounts pertaining to previous years in the respective financial years to which they relate.

- (b) the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) which includes the concepts of test checks and materiality. This Guidance Note requires us to obtain reasonable assurance based on verification of evidence supporting the Reformatted Standalone Statements. This guidance note also requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, covering Quality Control for firms that perform audits and reviews of historical financial information and other assurance and related service engagements.

A. Reformatted Standalone Financial Statements

- 5. The Reformatted Standalone Financial Statements referred to above, relating to profits, assets and liabilities and cash flows of the Company are contained in the following annexures to this report:
 - (a) Annexure I containing the 'Statement of Reformatted Standalone Assets and Liabilities' of the Company as at March 31 2018, 2017, 2016, 2015 and 2014.

Opinion

- 9. Based on our examination of the Reformatted Standalone Statements, we state that in our opinion, the Reformatted Standalone Financial Statements and Other Standalone Financial Information of the Company mentioned above, as at and for the years ended March 31, 2018, 2017, 2016, 2015 and 2014 have been prepared in accordance with Section 26 of the Act read with Rule 4 to Rule 6 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and the SEBI Regulations.
- 10. We report that the Reformatted Standalone Financial Statements have been extracted and prepared by the

Management from the audited Standalone Financial Statements of the Company for the financial years ended March 31, 2018, 2017, 2016, 2015 and 2014 which were approved by the Board of Directors on April 27, 2018; April 27, 2017; April 29, 2016; April 30, 2015 and April 29, 2014 respectively. The Standalone Financial Statements of the Company for the financial year ended March 31, 2018 have been audited by us. The Standalone financial statements of the Company for the financial year ended March 31, 2017, 2016, 2015 and 2014 respectively have been audited by S.R. Batliboi & Co LLP and G.D. Apte & Co. (together “the predecessor auditors”) and in respect of which they have issued unmodified audit opinion dated April 27, 2017; April 29, 2016; April 30, 2015 and April 29, 2014 respectively to the Members of the Company. Based on our examination of these Reformatted Standalone Statements for the year ended March 31, 2018 and reliance on the Auditor’s Report on Reformatted Standalone Statements for the years ended March 31, 2017, 2016, 2015 and 2014 dated June 12, 2018 by the predecessor auditors, we state that:

- i. The figures of earlier years have been regrouped (but not restated retrospectively for change in any accounting policy and for adjustments of amounts pertaining to previous years), wherever necessary, to conform to the classification adopted for the standalone financial statements for the year ended March 31, 2018 for the purpose of Reformatted Standalone Financial Statements.
 - ii. There are no extraordinary items that need to be disclosed separately in the Reformatted Standalone Financial Statements.
 - iii. There is no qualification or adverse remark in the auditor’s report on the Audited Standalone Financial Statements as at and for each of the financial years ended March 31, 2018, 2017, 2016, 2015 and 2014 that requires adjustments to the Reformatted Standalone Financial Statements.
11. We did not perform audit tests for the purposes of expressing an opinion on individual balances or summaries of selected transactions, and accordingly, we express no such opinion thereon on the Reformatted Standalone Statements.
 12. This report should not, in any way, be construed as a re-issuance or re-dating of any of the previous audit reports, nor should this be construed as a new opinion on any of the financial statements/information referred to herein.
 13. We have no responsibility to update our report for events and circumstances occurring after the date of this report.

For the Financial year 2017-18

1.	Corporate information						
	Shriram Transport Finance Company Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on BSE Limited and National Stock Exchange of India Limited. The Company is primarily engaged in the business of financing commercial vehicles. It also provides loans for equipment and other business purposes. The Company is registered with the Reserve Bank of India (RBI), Ministry of Corporate Affairs and Insurance Regulatory and Development Authority of India (IRDA). The registration details are as follows: <table> <tr> <td>RBI</td><td>07-00459</td></tr> <tr> <td>Corporate Identity Number (CIN)</td><td>L65191TN1979PLC007874</td></tr> <tr> <td>IRDA</td><td>CA0197</td></tr> </table>	RBI	07-00459	Corporate Identity Number (CIN)	L65191TN1979PLC007874	IRDA	CA0197
RBI	07-00459						
Corporate Identity Number (CIN)	L65191TN1979PLC007874						
IRDA	CA0197						
2.	Basis of preparation						
	The financial statements have been prepared under the historical cost convention on an accrual basis in conformity with generally accepted accounting principles in India ("Indian GAAP") to comply in all material respects with the notified Accounting Standards ('AS') under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016. The Company follows directions prescribed by the Reserve Bank of India ('RBI') for Non-Banking Finance Company ('NBFC'). All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Act. The Company has ascertained its operating cycle to be 12 months for such classification. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year. These financial statements are presented in Indian rupees and rounded off to nearest lacs unless otherwise stated.						
2.1	Significant accounting policies						
(a)	Use of estimates						
	The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revisions to the accounting estimates are recognised prospectively in the current and future years.						
(b)	Property, plant and equipment						
	Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment, (if any). The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. Subsequent expenditure related to an item of tangible asset are added to its gross value only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance. The carrying amount of an item of PPE is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain/loss arising from derecognition of an item of PPE is included in the Statement of Profit and Loss. The gain or loss arising from the derecognition of an item of PPE would be the difference between the net disposal proceeds, if any, and the carrying amount of the item. The residual value, useful life and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if required.						
(c)	Depreciation						
	Depreciation on cost of PPE is provided on straight line method at estimated useful life, which is in line with the estimated useful life as specified in Schedule II of the Companies Act, 2013. Leasehold improvements include all expenditure incurred on the leasehold premises that have future economic benefits. Leasehold Improvements are amortised on a straight line basis over the period of lease or estimated period of useful life of such improvement, subject to a maximum period of 60 months.						

(d)	Intangible assets and amortisation
	Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Intangible assets comprising of software are amortised on a straight line basis over a period of 3 years, unless it has a shorter useful life. Amortisation on assets acquired/sold during the year is recognised on a pro-rata basis to the Statement of Profit and Loss from / upto the date of acquisition/sale. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly. Gains or losses from derecognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.
(e)	Impairment of assets
	The carrying amount of assets is reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment. The reversal of impairment is recognised in Statement of Profit and Loss, unless the same is carried at revalued amount and treated as revaluation reserve.
(f)	Investments
	On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as 'current investments'. All other investments are classified as 'long term investments'. 'Long term investments' are carried at acquisition/amortised cost. A provision is made for diminution other than temporary on an individual basis. 'Current Investments' are carried at the lower of cost or fair value on an individual basis. Profit or loss on sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sales price and the carrying value of the investment. Any premium or discount on acquisition is amortised over the remaining maturity of the security on constant yield to maturity basis. Such amortisation of premium/discount is adjusted against interest income from investments. The book value of the investment is reduced to the extent of amount amortised during the relevant accounting year. Investment in buildings, which is not intended to be occupied substantially for use by, or in the operations of, the Company, is classified as investment property. Investment properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on building component of investment property is calculated on a straight-line basis using the rate arrived at based on the useful life as prescribed as per the Schedule II of the Companies Act, 2013.
(g)	Loans
	Loans are stated at the amount advanced including finance charges accrued and expenses recoverable, up to the Balance Sheet date as reduced by the amounts received and loans securitized.
(h)	Securitisation/direct assignment
	The Company enters into arrangements for sale of loan receivables through direct assignment/securitisation. The said assets are derecognised upon transfer of significant risks and rewards to the purchaser and on meeting the true sale criteria.

(i)	Provisioning / write off of assets
	The Company assesses all loans and receivables for their recoverability and makes provision for Non-performing assets (NPA)/restructured assets as considered necessary based on past experience, emerging trends and estimates, subject to the minimum provision required as per Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ("RBI Master Direction") as and when amended. NPA loans where underlying asset has been repossessed are provided in full. Provision on standard assets is made as per RBI Master Direction. Delinquencies on assets securitised/assigned are provided for based on management estimates.
(j)	Foreign currency transactions
	- <i>Initial recognition</i> Foreign currency transactions are recorded in the reporting currency which is Indian Rupee, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. - <i>Conversion</i> Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognised in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost. - <i>Exchange Differences</i> Exchange differences arising on the settlement of monetary items or on reporting monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise. - <i>Forward contracts</i> The premium or discount arising at the inception of forward exchange contract is amortised and recognised as an expense/income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognised as income or expense for the period.
(k)	Revenue/income recognition
	Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Income from financing activities - Income from financing activities is recognised on the basis of internal rate of return on time proportion basis. All other charges relating to financing activities are recognised on accrual basis. - Income recognised and remaining unrealised after installments become overdue for 90 days or more in case of secured/unsecured loans are reversed and are accounted as income when these are actually realised. - Additional finance charges/additional interest are treated to accrue only on realisation, due to uncertainty of realisation and are accounted accordingly. - Income from application and processing fees, including recovery of documentation charges are recognised upfront at the inception of the contract. - Subvention income is recognised as income over the tenor of the loan agreements. For the agreements foreclosed/transferred through assignment, balance of subvention income is recognised as income at the time of such foreclosure/transfer through assignment. Income from securitisation - Interest spread under par structure of securitisation/direct assignment of loan receivables is recognised on realisation over the tenure of the 'securities issued by SPV' /agreements. - Loss (if any)/expenditure in relation to securitisation/direct assignment is recognised upfront. Income from investments - Interest income on fixed deposits/margin money, call money (Collateralised borrowing and lending obligation), certificate of deposits, pass through certificates, subordinated debts, non-convertible debentures, government securities, inter-corporate deposits and treasury bills are recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Discount, if any, on government and other securities acquired as long-term investments is recognised on a time proportion basis over the tenure of the securities.

	- Dividend income on investments is recognised as income when right to receive payment is established by the date of Balance Sheet. - Profit/loss on the sale of investments is computed on the basis of weighted average cost of investments and recognised at the time of actual sale/redemption. Income from any other activities - Income from services is recognised as per the terms of the contract on accrual basis. - Income from guarantee commission is recognised on a time proportion basis taking into the amount outstanding and the commission rate applicable.
(I)	Employee benefits - Short term employee benefit All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service. - Post-employment employee benefits <i>Defined Contribution schemes</i> All the employees of the Company are entitled to receive benefits under the Provident Fund and Employees State Insurance scheme, defined contribution plans in which both the employee and the Company contribute monthly at a stipulated rate. The Company has no liability for future benefits other than its annual contribution and recognises such contributions as an expense in the period in which employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund. <i>Defined Benefit schemes</i> The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated years mentioned under 'The Payment of Gratuity Act, 1972'. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary at each Balance Sheet date, using the Projected Unit Credit Method, which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government Securities as at the Balance Sheet date. The Company fully contributes all ascertained liabilities to The Trustees - Shriram Transport Finance Company Limited Employees Group Gratuity Assurance Scheme. Trustees administer contributions made to the trust and contributions are invested in a scheme of insurance with the IRDA approved Insurance Companies. The Company recognises the net obligation of the gratuity plan in the Balance Sheet as an asset or liability, respectively in accordance with AS-15 'Employee Benefits'. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the period in which they arise. - Other long term employee benefits Company's liabilities towards compensated absences to employees are accrued on the basis of valuations, as at the Balance Sheet date, carried out by an independent actuary using Projected Unit Credit Method. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Statement of Profit and Loss. The Company presents the entire leave as a current liability in the Balance Sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.

(m)	Leases
	Where the Company is the lessee: Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term. Where the Company is the lessor: Assets given on operating leases are included in Investment property. Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation incurred in earning rental income are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.
(n)	Taxation
	Income-tax expense comprises current tax, deferred tax charge or credit and minimum alternative tax (MAT). Current tax Current income-tax is measured at the amount expected to be paid to the tax authorities after considering tax allowances, deductions and exemptions determined in accordance with Income Tax Act, 1961 and the prevailing tax laws. The tax rate and laws used to compute the amount are those which are enacted at the reporting date. Minimum alternative tax Minimum alternative tax (MAT) obligation in accordance with the tax laws, which give rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax during the specified period. Accordingly, it is recognised as an asset in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably, and reviewed at each reporting date. Deferred tax Deferred tax liability or asset is recognised for timing differences between the profits/losses offered for income tax and profits/losses as per the financial statements. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Deferred tax asset is recognised only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax asset is recognised only if there is a virtual certainty of realization of such asset. Deferred tax asset is reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.
(o)	Provisions and contingencies
	A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The company does not recognise a contingent liability but discloses its existence in the financial statements. When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
(p)	Earnings per share
	Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are calculated after adjusting effects of potential equity shares (PES). PES are those shares which will convert into equity shares at a later stage. Profit/loss is adjusted by the expenses incurred on such PES. Adjusted profit/loss is divided by the weighted average number of ordinary plus potential equity shares.

(q)	Borrowing cost
	Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs to the extent related/attributionable to the acquisition/construction of assets that takes substantial period of time to get ready for their intended use are capitalized along with the respective fixed asset up to the date such asset is ready for use. Other borrowing costs are charged to the Statement of Profit and Loss in the period they occur.
(r)	Cash and cash equivalents
	Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.
(s)	Debenture issue expenses
	Public issue expenses, other than the brokerage, incurred on issue of debentures are charged off on a straight-line basis over the weighted average tenor of underlying debentures. The brokerage incurred on issue of debentures is treated as expenditure in the year in which it is incurred. Expenses incurred for private placement of debentures, are charged to Statement of Profit and Loss in the year in which they are incurred.

Significant accounting policies upto March 31, 2017:

1.	Corporate Information						
	Shriram Transport Finance Company Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on BSE Limited and National Stock Exchange of India Limited. The Company provides finance for commercial vehicles, equipments and other loans. 2.	Basis of preparation						
	The reformatted financial statements include financial statements for the year ended March 31, 2013 to September 30, 2017 which have been prepared in conformity with generally accepted accounting principles to comply in all material respects with the notified Accounting Standards ('AS') under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 as amended, and the relevant provisions of the Companies Act, 1956 ('the Act'). These reformatted financial statements have been prepared in conformity with the guidelines issued by the Reserve Bank of India ('RBI') as applicable to a Non-Banking Finance Company ('NBFC'). The reformatted financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year, except for the change in accounting policy explained below. The reformatted financial statements are prepared by the Company in accordance with the requirements of the Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and Companies (Prospectus and Allotment of Securities) Rules, 2014.						
2.1	Significant Accounting Policies						
(a)	Change in accounting policy						
	As per the requirements of pre-revised AS 4, the Company used to create a liability for dividend proposed/declared after the Balance Sheet date if dividend related to periods covered by the financial statements. Going forward, as per AS 4(R), the Company cannot create provision for dividend proposed/declared after the Balance Sheet date unless a statute requires otherwise. Rather, Company will need to disclose the same in notes to the financial statements. Accordingly, the Company has disclosed dividend proposed by board of directors after the Balance Sheet date in the notes.						

	Had the Company continued with creation of provision for proposed dividend, its surplus in the Statement of Profit and Loss would have been lower by Rs. 16,384.24 lacs and current provision would have been higher by Rs. 16,384.24 lacs (including dividend distribution tax of Rs. 2,771.28 lacs). Depreciation on fixed assets Till the year ended March 31, 2014, Schedule XIV to the Companies Act, 1956, prescribed requirements concerning depreciation of fixed assets. From the current year, Schedule XIV has been replaced by Schedule II to the Companies Act, 2013. 1. Useful lives/ depreciation rates Effective from April 01, 2014, the Company has provided depreciation on fixed assets based on useful lives as provided in Schedule II of the Companies Act, 2013 or as re-assessed by the Company. The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets. This change in accounting policy has resulted in additional charge of depreciation of Rs. 737.85 lacs for the year ended March 31, 2015 and has impacted the opening reserve to the extent of Rs. 82.07 lacs (net of deferred tax). 2. Component accounting Further, on application of Schedule II to the Companies Act, 2013, the Company has changed the manner of depreciation for its fixed assets. Now, the Company identifies and determines separate useful life for each major component of the fixed asset, if they have useful life that is materially different from that of the remaining asset. 3. Depreciation on assets costing less than Rs. 5,000/- Till the year ended March 31, 2014, to comply with the requirements of Schedule XIV to the Companies Act, 1956, the Company was charging 100% depreciation on assets costing less than Rs. 5,000/- in the year of purchase. However, Schedule II to the Companies Act 2013, applicable from the current year, does not recognize such practice. Hence, to comply with the requirement of Schedule II to the Companies Act, 2013, the Company has changed its accounting policy for depreciation of assets costing less than Rs. 5,000/-. As per the revised policy, the Company is depreciating such assets over their useful life as assessed by the management. The management has decided to apply the revised accounting policy prospectively from accounting periods commencing on or after April 01, 2014. The change in accounting for depreciation of assets costing less than Rs. 5,000/- did not have any material impact on financial statements of the Company for the current year.
	Accounting Policy for securitisation transactions
	During the year ended March 31, 2013, the Company adopted the accounting policy for securitisation transactions, as notified by RBI in its circular "Revisions to the Guidelines on Securitisation Transactions" issued on August 21, 2012. Accordingly, the income from securitisation transactions during the year ended March 31, 2013 is lower by Rs. 529.78 Lacs on account of change in the method of deferral of recognition of income prescribed in the revised guidelines issued by RBI.
(b)	Current / Non-current classification of assets / liabilities
	The Company has classified all its assets / liabilities into current / non-current portion based on the time frame of 12 months from the date of financial statements. Accordingly, assets/liabilities expected to be realised /settled within 12 months from the date of financial statements are classified as current and other assets/ liabilities are classified as non-current.
(c)	Use of estimates
	The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revisions to the accounting estimates are recognised prospectively in the current and future years.
(d)	Fixed assets, depreciation/amortisation and impairment
	i) Property, plant and equipment Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

	Depreciation on property, plant and equipment From the financial year 2014-15, Depreciation on property, plant and equipment is provided on Straight Line Method (‘SLM’) using the rates arrived at based on the useful lives estimated by the management. The Company has used the following useful life to provide depreciation on its fixed assets:																																										
	<table><tr><th>Particulars</th><th>Useful life as prescribed by Schedule II of the Companies Act, 2013</th><th>Useful life estimated by Company</th></tr><tr><td>Building</td><td>60 years</td><td>60 years</td></tr><tr><td>Plant and machinery</td><td>15 years</td><td>15 years</td></tr><tr><td>Electrical equipment</td><td>10 years</td><td>10 years</td></tr><tr><td>Generator</td><td>10 years</td><td>10 years</td></tr><tr><td>Furniture and fixture</td><td>10 years</td><td>10 years</td></tr><tr><td>Air conditioner</td><td>5 years</td><td>5 years</td></tr><tr><td>Electronic equipment</td><td>5 years</td><td>5 years</td></tr><tr><td>Office equipment</td><td>5 years</td><td>5 years</td></tr><tr><td>Refrigerator</td><td>5 years</td><td>5 years</td></tr><tr><td>Motor car</td><td>8 years</td><td>8 years</td></tr><tr><td>Vehicles</td><td>10 years</td><td>10 years</td></tr><tr><td>Server and networking</td><td>6 years</td><td>6 years</td></tr><tr><td>Computer</td><td>3 years</td><td>3 years</td></tr></table>	Particulars	Useful life as prescribed by Schedule II of the Companies Act, 2013	Useful life estimated by Company	Building	60 years	60 years	Plant and machinery	15 years	15 years	Electrical equipment	10 years	10 years	Generator	10 years	10 years	Furniture and fixture	10 years	10 years	Air conditioner	5 years	5 years	Electronic equipment	5 years	5 years	Office equipment	5 years	5 years	Refrigerator	5 years	5 years	Motor car	8 years	8 years	Vehicles	10 years	10 years	Server and networking	6 years	6 years	Computer	3 years	3 years

	The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment. The reversal of impairment is recognised in statement of profit and loss, unless the same is carried at revalued amount and treated as revaluation reserve.
(f)	Investments
	Investments intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost, however, provision for diminution in value is made to recognise a decline, other than temporary, in the value of the investments. An investment in buildings, which is not intended to be occupied substantially for use by, or in the operations of, the Company, is classified as investment property. Investment properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on building component of investment property is calculated on a straight-line basis using the rate arrived at based on the useful life as prescribed as per the Schedule II of the Companies Act, 2013.
(g)	Provisioning / Write-off of assets
	Non-performing loans are written off/provided for, as per management estimates, subject to the minimum provision required as per Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 as and when amended. Delinquencies on assets securitised/assigned are provided for based on management estimates. Provision on standard assets is made as per Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 as and when amended. Pursuant to Reserve Bank India (RBI) notification no. DNBR 011/CGM (CDS) dated March 27, 2015, the Company has revised its recognition norms of Non-Performing Assets (NPA) from 150 days to 120 days (March 31, 2016: from 180 days to 150 days) and increased provision on standard assets from 0.30% to 0.35% (March 31, 2016: from 0.25% to 0.30%). Had the Company continued to use the earlier policy of classification of NPA and provision for standard asset, provisions and write-offs for the year ended March 31, 2017 would have been lower by Rs. 36,867.13 lacs (March 31, 2016: Rs. 30,071.80 lacs), income from operations for the same period would have been higher by Rs. 1,769.38 lacs (March 31 2016: Rs. 1,582.92 lacs) and profit before tax for the same period would have been higher by Rs. 38,636.51 lacs (March 31, 2016: Rs. 31,654.72 lacs) (net of tax Rs. 25,265.19 lacs (March 31, 2016: Rs. 20,699.65 lacs). Upto March 31, 2016, Non-performing loans are written off / provided for, as per management estimates, subject to the minimum provision required as per Non- Banking Financial (Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007. Delinquencies on assets securitised/assigned are provided for based on management estimates of the historical data. Upto March 31, 2016, Provision on standard assets is made as per the notification DNBS.PD.CC.No.207/ 03.02.002 /2010-11 issued by Reserve Bank of India.
(g)	Loans
	Loans are stated at the amount advanced including finance charges accrued and expenses recoverable, up to the balance sheet date as reduced by the amounts received and loans securitised.

(h)	Leases
	Where the Company is the lessor Assets given on operating leases are included in fixed assets. Lease income is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation are recognised as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the statement of profit and loss. Where the Company is the lessee Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items, are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.
(i)	Foreign currency translation
	Initial recognition
	Transactions in foreign currency entered into during the year are recorded at the exchange rates prevailing on the date of the transaction.
	Conversion Monetary assets and liabilities denominated in foreign currency are translated in to Rupees at exchange rate prevailing on the date of the Balance Sheet. Exchange differences All exchange differences are dealt with including differences arising on translation settlement of monetary items in the statement of profit and loss. Forward exchange contracts entered into to hedge foreign currency risk of an existing asset/liability The premium or discount arising at the inception of forward exchange contract is amortised and recognised as an expense/income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognised as income or expense for the period.
(j)	Revenue recognition
	Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. i. <u>From the year ended March 31, 2015 onwards</u> Income from financing activities is recognised on the basis of internal rate of return on time proportion basis. All other charges relating to financing activities are recognised on accrual basis. <u>For the year ended March 31, 2014</u> Income from financing activities is recognised on the basis of internal rate of return on time proportion basis. Income from other charges are booked at the commencement of the contract. Service tax on charges/fees is collected by the Company as an intermediary and accordingly revenue is presented on net basis. <u>Upto the year ended March 31, 2013</u> Income from financing activities is recognised on the basis of internal rate of return. Service tax on charges/fees is collected by the Company as an intermediary and accordingly revenue is presented on net basis. ii. Subvention income is recognised as income over the tenor of the loan agreements. For the agreements foreclosed/transferred through assignment, balance of subvention income is recognised as income at the time of such foreclosure/transfer through assignment. iii. <u>For the year ended March 31, 2017</u> Income recognised and remaining unrealised after installments become overdue for 120 days or more in case of secured/unsecured loans are reversed and are accounted as income when these are actually realised. <u>For the year ended March 31, 2016</u> Income recognised and remaining unrealised after installments become overdue for five months or more in case of secured/unsecured loans are reversed and are accounted as income when these are actually realised. <u>For the year ended March 31, 2014</u> Income recognised and remaining unrealised after installments become overdue for six months or more in case of secured/unsecured loans are reversed and are accounted as income when these are actually realised. <u>Upto the year ended March 31, 2013</u> Income recognised and remaining unrealised after installments become overdue for six months or more in case of secured/unsecured loans and twelve months or more in case of financial lease transactions are reversed and are accounted as income when these are actually realised.

	iv. Additional finance charges / additional interest are treated to accrue only on realisation, due to uncertainty of realisation and are accounted accordingly.
	v.. Income apportioned on securitisation/direct assignment of loan receivables arising under premium structure is recognised over the tenure of securities issued by SPV/agreements. Interest Spread under par structure of securitisation/direct assignment of loan receivables is recognised on realisation over the tenure of the 'securities issued by SPV' / agreements. Loss/expenditure, if any, in respect of securitisation /direct assignment is recognised upfront.
	Unrealised gain on securitisation comprises of future interest receivable under par structure of securitisation/assignment. Securitisation deferred consideration receivable comprises of Company's share of future interest strip receivables in case of a par structure securitised / assigned deals.
	vi. Interest income on fixed deposits/margin money, call money (Collateralised Borrowing and Lending Obligation), certificate of deposits, pass through certificates, subordinate debts, government securities, inter corporate deposits and treasury bills is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Discount, if any, on government and other securities acquired as long term investments is recognised on a time proportion basis over the tenure of the securities.
	vii. Dividend is recognised as income when right to receive payment is established by the date of balance sheet.
	viii. Profit/loss on the sale of investments is computed on the basis of weighted average cost of investments and recognised at the time of actual sale/redemption.
	viii. Income from services is recognised as per the terms of the contracts on an accrual basis.
	ix. Income from operating lease is recognised as rentals, as accrued on straight line basis over the period of the lease.
(k)	Retirement and other employee benefits
	Provident Fund Retirement benefit in the form of provident fund is a defined contribution scheme. All the employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the Company contribute monthly at a stipulated rate. The Company has no liability for future provident fund benefits other than its annual contribution and recognises such contributions as an expense in the period in which employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund. <u>Upto the year ended March 31, 2015</u> All the employees of the Company are entitled to receive benefits under the Provident Fund, a defined contribution plan in which both the employee and the Company contribute monthly at a stipulated rate. The Company has no liability for future Provident Fund benefits other than its annual contribution and recognises such contributions as an expense in the period in which service is received.
	Gratuity The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated year mentioned under 'The Payment of Gratuity Act, 1972'. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation at each Balance Sheet Date using the Projected Unit Credit Method. The Company fully contributes all ascertained liabilities to The Trustees-Shriram Transport Finance Company Limited Employees Group Gratuity Assurance Scheme. Trustees administer contributions made to the trust and contributions are invested in a scheme of insurance with the IRDA approved Insurance Companies. The Company recognizes the net obligation of the gratuity plan in the Balance Sheet as an asset or liability, respectively in accordance with AS-15 'Employee Benefits'. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the period in which they arise. Upto March 31, 2013, Company did not contribute to the scheme as it was unfunded.

	Leave Encashment Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.
(l)	Income tax
	Tax expense comprises of current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.
	The un-recognised deferred tax assets are re-assessed by the Company at each balance sheet date and are recognised to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.
	The carrying cost of the deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.
	Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period i.e the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for credit available in respect of MAT under the Income tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT credit entitlement". The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.
(m)	Segment reporting policies
	Identification of segments: The Company's operating businesses are organised and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate. Unallocated items: Unallocated items include income and expenses which are not allocated to any reportable business segment. Segment policies : The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.
(n)	Earnings per share
	Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(o)	Provisions
	A provision is recognised when the Company has a present obligation as a result of past event; it is probable that outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
(p)	Cash and cash equivalents
	Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, cheques on hand, remittances in transit and short-term investments with an original maturity of three months or less.
(q)	Equity shares and Debentures issue expenses
	Expenses incurred on issue of equity shares are charged to statement of profit and loss on a straight line basis over a period of 10 years. Public issue expenses, other than the brokerage, incurred on issue of debentures are charged off on a straight line basis over the weighted average tenor of underlying debentures. The brokerage incurred on issue of debentures is treated as expenditure in the year in which it is incurred. Expenses incurred for private placement of debentures, are charged to statement of profit and loss in the year in which they are incurred.
(r)	Borrowing costs
	Borrowing cost includes interest and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Ancillary and other borrowing costs are charged to statement of profit & loss in the year in which they are incurred.
(s)	Employee stock compensation costs
	In accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India, the Company measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortised over the vesting period of the option on a straight line basis. <u>Upto the year ended March 31, 2015</u> In accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India, the compensation cost relating to employee stock options is measured and recognised using intrinsic value method. Compensation expense is amortised over the vesting period of the option on a straight line basis.
(t)	Contingent liabilities
	A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

The Company's best estimate of contributions expected to be paid during the annual period beginning after the Balance Sheet date, towards gratuity is Rs. 278.80 lacs (March 31, 2017: Rs. 441.74 lacs, March 31, 2016: Rs. 885.30 lacs, March 31, 2015: Rs. 344.74 lacs and March 31, 2014: Rs. 355.15 lacs).

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows:

Particulars	Gratuity				
	March 31, 2018	March 31, 2017	March 31, 2016	March 31, 2015	March 31, 2014
	%	%	%	%	%
Investments with insurer	100	100	100	100	100

The principal assumptions used in determining gratuity obligations for the Company's plan are shown below:

Particulars	Gratuity				
	March 31, 2018	March 31, 2017	March 31, 2016	March 31, 2015	March 31, 2014
Discount Rate	7.80%	7.22%	7.80%	7.95%	9.36%
Expected rate of return on assets \$	7.80%	7.22%	7.80%	7.95%	8.70%

The estimates of future salary increases, considered in actuarial valuation, are on account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

*7.5% (5% upto March 31, 2015) in case of employees with service period of 5 years and above and 20% (15% for March 30, 2015 and 10% upto March 31, 2014) for all other employees.

\$The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

Amounts for the Current year and previous four years are as follows:

Particulars	(Rs. in lacs)				
	March 31, 2018	March 31, 2017	March 31, 2016	March 31, 2015	March 31, 2014

4.3. Disclosures on risk exposure of derivatives

Qualitative disclosures

The Company has a Board approved policy in dealing with derivative transactions. Derivative transaction consists of hedging of foreign exchange transactions, which includes interest rate and currency swaps, interest rate options and forwards. The Company undertakes derivative transactions for hedging on-balance sheet assets and liabilities. Such outstanding derivative transactions are accounted on accrual basis over the life of the underlying instrument. The Asset Liability Management Committee and Risk Management Committee closely monitors such transactions and reviews the risks involved.

The accompanying Reformatted Consolidated Financial Statements of Shriram Transport Finance Company Limited (“the Company”) as at and for the years ended on March 31, 2018, 2017, 2016, 2015 and 2014 and Other Consolidated Financial Information, (collectively referred to as “Reformatted Consolidated Statements”) annexed to this report and initialed by us for identification purposes only, have been prepared by the Management of the Company, in accordance with the requirements of :
 - (a) Section 26 of Part I of Chapter III of the Companies Act, 2013 (“the Act”) read with applicable provisions of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (“the Rules”);
 - (b) the Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008, as amended from time to time (“SEBI Regulations”), issued by the Securities and Exchange Board of India, in pursuance of the Securities and Exchange Board of India Act, 1992.

to be included in the Draft Shelf Prospectus and Shelf Prospectus, in connection with the proposed public issue of non-convertible debentures by the Company.

Management's responsibility for the Reformatted Consolidated Statements

3. The preparation of the Reformatted Consolidated Statements is the responsibility of the Management of the Company. The Management's responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of the Reformatted Consolidated Statements. The Management is also responsible for identifying and ensuring that the Company complies with the Act, Rules and SEBI regulations.

Auditor's responsibilities

4. Our responsibility is to express our opinion based on the examination of such Reformatted Consolidated Statements with regards to:
 - (a) the Guidance Note on “Reports in Company Prospectuses (Revised)” issued by the Institute of Chartered Accountants of India (“ICAI”), except that these financial information have not been adjusted for changes in accounting policies, retrospectively in the respective financial years to reflect the same accounting policies for all the reporting periods and for adjustments of amounts pertaining to previous years in the respective financial years to which they relate.

- (b) the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) which includes the concepts of test checks and materiality. This Guidance Note requires us to obtain reasonable assurance based on verification of evidence supporting the Reformatted Consolidated Statements. This guidance note also requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, covering Quality Control for firms that perform audits and reviews of historical financial information and other assurance and related service engagements.

A. Reformatted Consolidated Financial Statements

5. The Reformatted Consolidated Financial Statements referred to above, relating to profits, assets and liabilities and cash flows of the Company are contained in the following annexures to this report:
- (a) Annexure I containing the 'Statement of Reformatted Consolidated Assets and Liabilities' of the Company as at March 31 2018, 2017, 2016, 2015 and 2014.
 - (b) Annexure II containing the 'Statement of Reformatted Consolidated Profit and Loss' of the Company for each of the financial years ended March 31, 2018, 2017, 2016, 2015 and 2014.
 - (c) Annexure III containing the 'Statement of Reformatted Consolidated Cash Flow Statements' of the Company for each of the financial years ended March 31, 2018, 2017, 2016, 2015 and 2014.
 - (d) Annexure IV to VI containing consolidated significant accounting policies and notes to financial statements.
6. These Reformatted Consolidated Financial Statements have been compiled by the Management from the audited Consolidated Financial Statements of the Company as at and for the years ended March 31, 2018, 2017, 2016, 2015 and 2014. No adjustments have been made for any events occurring subsequent to the dates of the audit opinions specified in paragraph 10 below, in the preparation and presentation of the Reformatted Consolidated Financial Statements.
7. We have not audited any Consolidated Financial Statements of the Company as of any date or for any period subsequent to March 31, 2018. Accordingly, we express no opinion on the financial position, results of operations or cash flows of the Company as of any date or for any period subsequent to March 31, 2018.

B. Other Consolidated Financial Information :

8. At the Company's request, we have also examined the following Other Consolidated Financial Information of the Company as at and for the years ended on March 31, 2018, 2017, 2016, 2015 and 2014 proposed to be included in the Draft Shelf Prospectus and the Shelf Prospectus as approved by the Committee of Directors, annexed to this report:
- i. Statements of Accounting Ratios (Consolidated) as at and for the financial years ended March 31, 2018, 2017, 2016, 2015 and 2014 (Annexure VII)
 - ii. Capitalization Statement (Annexure VIII)

Opinion

9. Based on our examination of the Reformatted Consolidated Statements, we state that in our opinion, the Reformatted Consolidated Financial Statements and Other Consolidated Financial Information of the Company mentioned above, as at and for the years ended March 31, 2018, 2017, 2016, 2015 and 2014 have been prepared in accordance with Section 26 of the Act read with Rule 4 to Rule 6 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and the SEBI Regulations.
10. We report that the Reformatted Consolidated Financial Statements have been extracted and prepared by the Management from the audited Consolidated Financial Statements of the Company for the financial years ended March 31, 2018, 2017, 2016, 2015 and 2014 which were approved by the Board of Directors on April 27, 2018; April 27, 2017; April 29, 2016; April 30, 2015 and April 29, 2014 respectively. The Consolidated

Financial Statements of the Company for the financial year ended March 31, 2018 have been audited by us. The Consolidated Financial Statements of the Company for the financial year ended March 31, 2017, 2016, 2015 and 2014 have been audited by S.R. Batliboi & Co LLP and G.D. Apte & Co. (together “the predecessor auditors”) and in respect of which they have issued unmodified audit opinion dated April 27, 2017; April 29, 2016; April 30, 2015 and April 29, 2014 respectively to the Members of the Company. Based on our examination of these Reformatted Consolidated Statements for the year ended March 31, 2018 and reliance on the Auditor’s Report on Reformatted Consolidated Statements for the years ended March 31, 2017, 2016, 2015 and 2014 dated June 12, 2018 by the predecessor auditors, we state that:

- i. The figures of earlier years have been regrouped (but not restated retrospectively for change in any accounting policy and for adjustments of amounts pertaining to previous years), wherever necessary, to conform to the classification adopted for the Consolidated Financial Statements for the year ended March 31, 2018 for purpose of the Reformatted Consolidated Financial Statements.
 - ii. There are no extraordinary items that need to be disclosed separately in the Reformatted Consolidated Financial Statements.
 - iii. There is no qualification or adverse remark in the auditor’s report on the Audited Consolidated Financial Statements as at and for each of the financial years ended March 31, 2018, 2017, 2016, 2015 and 2014 that requires adjustments to the Reformatted Consolidated Financial Statements.
11. We did not perform audit tests for the purposes of expressing an opinion on individual balances or summaries of selected transactions, and accordingly, we express no such opinion thereon on the Reformatted Consolidated Statements.
12. This report should not, in any way, be construed as a re-issuance or re-dating of any of the previous audit reports, nor should this be construed as a new opinion on any of the financial statements/information referred to herein.
13. We have no responsibility to update our report for events and circumstances occurring after the date of this report.

Restriction of use

14. This report is issued at the specific request of the Company for inclusion in the Draft Shelf Prospectus and the Shelf Prospectus to be filed by the Company with the Stock Exchanges and the Securities and Exchange Board of India, ROC in connection with the Proposed Issue of NCD and is not to be used, referred to or distributed for any other purpose without our prior written consent. This report may not be useful for any other purpose.

For the Financial year 2017-18

1	Basis of preparation										
	The consolidated financial statements relates to M/s. Shriram Transport Finance Company Limited (the “Company”) and its subsidiary and associate company (together hereinafter referred to as “Group”). The financial statements have been prepared under the historical cost convention on an accrual basis in conformity with generally accepted accounting principles to comply in all material respects with the notified Accounting Standards (‘AS’) under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014, and the Companies (Accounting Standards) Amendment Rules, 2016. The financial statements of the Company comply with the guidelines issued by the Reserve Bank of India (‘RBI’) as applicable to a Non-Banking Finance Company (‘NBFC’). The assets and liabilities have been classified as current and non-current based on a twelve month operating cycle. The accounting policies have been consistently applied by the Group and are consistent with those used in the previous year. These financial statements are presented in Indian rupees and rounded off to nearest lacs unless otherwise stated.										
2	Basis of consolidation										
	(i) The financial statements of the subsidiary/associate company used in the consolidation are drawn up to the same reporting date as of the Company i.e. year ended March 31, 2018 and are prepared based on the accounting policies consistent with those used by the Company. (ii) The financial statements of the Group have been prepared in accordance with the AS 21- ‘Consolidated Financial Statements’ notified under the provision of the Companies Act, 2013 (the ‘Act’) read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 and other generally accepted accounting principles in India. (iii) The consolidated financial statements have been prepared on the following basis: a) The financial statements of the Company and its subsidiary company has been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions have been fully eliminated except where losses are realised. b) The excess of cost to the Company of its investments in the subsidiary company over its share of equity of the subsidiary company, at the dates on which the investments in the subsidiary company is made, is recognised as ‘Goodwill’ being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary company as on the date of investment is in excess of cost of investment of the Company, it is recognised as ‘Capital Reserve’ and shown under the head ‘Reserves and Surplus’, in the consolidated financial statements. c) The difference between the proceeds from disposal of investment in subsidiary and the carrying amount of its assets and liabilities as of the date of disposal is recognised in the Statement of Reformatted Consolidated Profit and Loss as profit or loss on disposal of subsidiary. d) Minority interest, if any, in the net assets of consolidated subsidiary consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary company and further movements in their share in the equity, subsequent to the dates of investments as stated above. e) Investment made by the Company in an associate company is accounted under the equity method, in accordance with the Accounting Standard 23 on “Accounting for investment in associates in Consolidated Financial Statements” (AS 23). (iv) The subsidiary/associate company considered in the consolidated financial statements are as below (refer note 15): <table> <tr> <th>Name of the subsidiary/associate company</th><th>Country of incorporation</th><th>Share of ownership interest as at March 31, 2018</th><th>Share of ownership interest as at March 31, 2017</th></tr> <tr> <td>Shriram Automall India Limited (SAMIL) (Subsidiary upto February 6, 2018, Associate w.e.f. Notes forming part of the Reformatted consolidated Financial Statement

2.1	Significant accounting policies						
(a)	Use of estimates						
	The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revisions to the accounting estimates are recognised prospectively in the current and future years.						
(b)	Property, plant and equipment						
	Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and accumulated impairment (if any). The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. Subsequent expenditure related to an item of tangible asset are added to its gross value only if it increases the future benefits of the existing asset, beyond its previously assessed standards of performance. The carrying amount of an item of PPE is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain/loss arising from derecognition of an item of PPE is included in the Statement of Profit and Loss. The gain or loss arising from the derecognition of an item of PPE would be the difference between the net disposal proceeds, if any, and the carrying amount of the item. The residual value, useful life and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if required.						
(c)	Depreciation						
	Depreciation on cost of PPE is provided on straight line method at estimated useful life, which is in line with the estimated useful life as specified in Schedule II of the Companies Act, 2013. Leasehold improvements include all expenditure incurred on the leasehold premises that have future economic benefits. Leasehold Improvements are amortised on a straight line basis over the period of lease or estimated period of useful life of such improvement, subject to a maximum period of 60 months.						
(d)	Intangible assets and amortisation						
	Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Intangible assets are amortised on a straight line basis over the estimated useful economic life. <table border="1"> <thead> <tr> <th>Particulars</th><th>Useful life</th></tr> </thead> <tbody> <tr> <td>Computer software</td><td>3 years</td></tr> <tr> <td>Trade marks</td><td>10 years</td></tr> </tbody> </table> Amortisation on assets acquired/sold during the year is recognised on a pro-rata basis to the Statement of Profit and Loss from / upto the date of acquisition/sale. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly. Gains or losses from derecognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.	Particulars	Useful life	Computer software	3 years	Trade marks	10 years
Particulars	Useful life						
Computer software	3 years						
Trade marks	10 years						
(e)	Impairment of assets						
	The carrying amount of assets is reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.						

Notes forming part of the Reformatted consolidated Financial Statement

	After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.
	A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment. The reversal of impairment is recognised in Statement of Profit and Loss, unless the same is carried at revalued amount and treated as revaluation reserve.
(f)	Investments
	On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as 'current investments'. All other investments are classified as 'long term investments'. 'Long term investments' are carried at acquisition /amortised cost. A provision is made for diminution other than temporary on an individual basis. 'Current Investments' are carried at the lower of cost or fair value on an individual basis. Profit or loss on sale of investments is recorded on transfer of title from the Company and is determined as the difference between the sales price and the carrying value of the investment. Any premium or discount on acquisition is amortised over the remaining maturity of the security on constant yield to maturity basis. Such amortisation of premium/discount is adjusted against interest income from investments. The book value of the investment is reduced to the extent of amount amortised during the relevant accounting year. Investment in buildings, which is not intended to be occupied substantially for use by, or in the operations of, the Company, is classified as investment property. Investment properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on building component of investment property is calculated on a straight-line basis using the rate arrived at based on the useful life as prescribed as per the Schedule II of the Companies Act, 2013.
(g)	Loans
	Loans are stated at the amount advanced including finance charges accrued and expenses recoverable, up to the Balance Sheet date as reduced by the amounts received and loans securitised
(h)	Securitisation/direct assignment
	The Company enters into arrangements for sale of loan receivables through direct assignment/securitisation. The said assets are derecognised upon transfer of significant risks and rewards to the purchaser and on meeting the true sale criteria.
(i)	Provisioning/write off of assets
	The Company assesses all loans and receivables for their recoverability and makes provision for Non-performing assets (NPA)/restructured assets as considered necessary based on past experience, emerging trends and estimates, subject to the minimum provision required as per Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ("RBI Master Direction") as and when amended. NPA loans where underlying asset has been repossessed are provided in full. Provision on standard assets is made as per RBI Master Direction. Delinquencies on assets securitised/assigned are provided for based on management estimates.
(j)	Foreign currency transactions
	- <i>Initial recognition</i> Foreign currency transactions are recorded in the reporting currency which is Indian Rupee, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. - <i>Conversion</i> Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognised in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

Notes forming part of the Reformatted consolidated Financial Statement

	- <i>Exchange Differences</i> Exchange differences arising on the settlement of monetary items or on reporting monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise. - <i>Forward contracts</i> The premium or discount arising at the inception of forward exchange contract is amortised and recognised as an expense/income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognised as income or expense for the period.
(k)	Revenue/income recognition Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. <i>Income from financing activities</i> - Income from financing activities is recognised on the basis of internal rate of return on time proportion basis. All other charges relating to financing activities are recognised on accrual basis. - Income recognised and remaining unrealised after installments become overdue for 90 days or more in case of secured/unsecured loans are reversed and are accounted as income when these are actually realised. - Additional finance charges/additional interest are treated to accrue only on realisation, due to uncertainty of realisation and are accounted accordingly. - Income from application and processing fees, including recovery of documentation charges are recognised upfront at the inception of the contract. - Subvention income is recognised as income over the tenor of the loan agreements. For the agreements foreclosed/transferred through assignment, balance of subvention income is recognised as income at the time of such foreclosure/transfer through assignment. <i>Income from securitisation</i> - Interest spread under par structure of securitisation/direct assignment of loan receivables is recognised on realisation over the tenure of the 'securities issued by SPV' /agreements. - Loss (if any)/expenditure in relation to securitisation/direct assignment is recognised upfront. <i>Income from investments</i> - Interest income on fixed deposits/margin money, call money (Collateralised borrowing and lending obligation), certificate of deposits, pass through certificates, subordinated debts, non-convertible debentures, government securities, inter-corporate deposits and treasury bills are recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Discount, if any, on government and other securities acquired as long-term investments is recognised on a time proportion basis over the tenure of the securities. - Dividend income on investments is recognised as income when right to receive payment is established by the date of Balance Sheet. - Profit/loss on the sale of investments is computed on the basis of weighted average cost of investments and recognised at the time of actual sale/redemption. <i>Income from any other activities</i> - Income from services are recognised as per the terms of the contract on accrual basis. - Income from guarantee commission is recognised on a time proportion basis taking into account the amount outstanding and the commission rate applicable.

(l)	Employee benefits
	Short term employee benefit All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service. Post-employment employee benefits <i>Defined Contribution schemes</i> All the employees of the Company are entitled to receive benefits under the Provident Fund and Employees State Insurance scheme, defined contribution plans in which both the employee and the Company contribute monthly at a stipulated rate. The Company has no liability for future benefits other than its annual contribution and recognises such contributions as an expense in the period in which employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund. <i>Defined Benefit schemes</i> The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated years mentioned under 'The Payment of Gratuity Act, 1972'. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary at each Balance Sheet date, using the Projected Unit Credit Method, which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government Securities as at the Balance Sheet date. The Company fully contributes all ascertained liabilities to The Trustees - Shriram Transport Finance Company Limited Employees Group Gratuity Assurance Scheme. Trustees administer contributions made to the trust and contributions are invested in a scheme of insurance with the IRDA approved Insurance Companies. The Company recognises the net obligation of the gratuity plan in the Balance Sheet as an asset or liability, respectively in accordance with AS-15 'Employee Benefits'. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the period in which they arise. Other long term employee benefits Company's liabilities towards compensated absences to employees are accrued on the basis of valuations, as at the Balance Sheet date, carried out by an independent actuary using Projected Unit Credit Method. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Statement of Profit and Loss. The Company presents the entire leave as a current liability in the Balance Sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.
(m)	Leases
	Where the Company is the lessee: Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term. Where the Company is the lessor:

Notes forming part of the Reformatted consolidated Financial Statement

	Assets given on operating leases are included in Investment property. Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation incurred in earning rental income are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.
(n)	Taxation
	Income-tax expense comprises current tax, deferred tax charge or credit and minimum alternate tax (MAT). Current tax Current income-tax is measured at the amount expected to be paid to the tax authorities after considering tax allowances, deductions and exemptions determined in accordance with Income Tax Act, 1961 and the prevailing tax laws. The tax rate and laws used to compute the amount are those which are enacted at the reporting date. Minimum alternate tax Minimum alternate tax (MAT) obligation in accordance with the tax laws, which give rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal tax during the specified period. Accordingly, it is recognised as an asset in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the Group and the asset can be measured reliably, and reviewed at each reporting date. Deferred tax Deferred tax liability or asset is recognised for timing differences between the profits/losses offered for income tax and profits/losses as per the financial statements. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Deferred tax asset is recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax asset is recognised only if there is a virtual certainty of realisation of such asset. Deferred tax asset is reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realised. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.
(o)	Segment reporting policies
	Identification of segments: The Group's operating businesses are organised and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different services and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate. Unallocated items: Unallocated items include income, expenses, assets and liabilities which are not allocated to any reportable business segment. Segment policies: The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the group as a whole.
(p)	Provisions and contingencies
	A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates

Notes forming part of the Reformatted consolidated Financial Statement

	A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The company does not recognise a contingent liability but discloses its existence in the financial statements. When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
(q)	Earnings per share
	Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are calculated after adjusting effects of potential equity shares (PES). PES are those shares which will convert into equity shares at a later stage. Profit/loss is adjusted by the expenses incurred on such PES. Adjusted profit/loss is divided by the weighted average number of ordinary plus potential equity shares.
(r)	Borrowing cost
	Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs to the extent related/attributionable to the acquisition/construction of assets that takes substantial period of time to get ready for their intended use are capitalised along with the respective fixed asset up to the date such asset is ready for use. Other borrowing costs are charged to the Statement of Profit and Loss in the period they occur.
(s)	Cash and cash equivalents
	Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.
(t)	Employee stock compensation costs
	In accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India, the Group measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortised over the vesting period of the option on a straight line basis.
(u)	Debenture issue expenses
	Public issue expenses, other than the brokerage, incurred on issue of debentures are charged off on a straight-line basis over the weighted average tenor of underlying debentures. The brokerage incurred on issue of debentures is treated as expenditure in the year in which it is incurred. Expenses incurred for private placement of debentures, are charged to Statement of Profit and Loss in the year in which they are incurred.

Significant accounting policies upto March 31, 2017:

The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Group and are consistent with those used in the previous year except for the change in accounting policy explained below. The complete financial statements have been prepared along with all disclosures.
2	Basis of consolidation
	(i) The financial statements of the subsidiary company and associate (upto June 18, 2013) used in the consolidation are drawn up to the same reporting date as of the Company i.e. year ended March 31 and are prepared based on the accounting policies consistent with those used by the Company. (ii) The financial statements of the Group have been prepared in accordance with the AS 21- 'Consolidated Financial Statements' notified under the provision of the Companies Act, 2013 (the 'Act') read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 and other generally accepted accounting principles in India. (iii) The consolidated financial statements have been prepared on the following basis : 1 The financial statements of the Company and its subsidiary company has been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions have been fully eliminated except where losses are realised. 2 The excess of cost to the Company of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the date on which the investments in the subsidiary companies are made, is recognised as "Goodwill" being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investments of the Company, it is recognised as "Capital Reserve" and shown under the head "Reserve and Surplus", in the consolidated financial statements. (for the financial year ended March 31, 2014) 3 The excess of cost to the Company of its investments in the subsidiary company over its share of equity of the subsidiary company, at the dates on which the investments in the subsidiary company is made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary company as on the date of investment is in excess of cost of investment of the Company, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements. 4 Minority interest, if any, in the net assets of consolidated subsidiary consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary company and further movements in their share in the equity, subsequent to the dates of investments as stated above.

	As the amount involved in transactions with Shriram Insurance Broking Company Limited are not material, the financial effects have not been considered in the financial statements for FY 2014 & 2015.						
2.1	Significant accounting policies						
(a)	Change in accounting policy						
	Accounting for proposed dividend						
	As per the requirements of pre-revised AS 4, the Company used to create a liability for dividend proposed/declared after the Balance Sheet date if dividend related to periods covered by the financial statements. Going forward, as per AS 4(R), the Company cannot create provision for dividend proposed/declared after the Balance Sheet date unless a statute requires otherwise. Rather, Company will need to disclose the same in notes to the financial statements. Accordingly, the Company has disclosed dividend proposed by board of directors after the Balance Sheet date in the notes. Had the Company continued with creation of provision for proposed dividend, its surplus in the Statement of Profit and Loss would have been lower by Rs. 16,384.24 lacs and current provision would have been higher by Rs. 16,384.24 lacs (including dividend distribution tax of Rs. 2,771.28 lacs).						
(b)	Current/non-current classification of assets/liabilities						
	The Group has classified all its assets/liabilities into current/non-current portion based on the time frame of 12 months from the date of the financial statements. Accordingly, assets/liabilities expected to be realised /settled within 12 months from the date of financial statements are classified as current and other assets/liabilities are classified as non-current.						
(c)	Use of estimates						
	The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revisions to the accounting estimates are recognised prospectively in the current and future years.

	Amortisation is provided on Straight Line Method ('SLM'), which reflect the management's estimate of the useful life of the intangible asset. <table border="1"> <thead> <tr> <th>Particulars</th><th>Rates (SLM)</th></tr> </thead> <tbody> <tr> <td>Computer software</td><td>33.33%</td></tr> <tr> <td>Trade marks</td><td>10.00%</td></tr> </tbody> </table> Amortisation on assets acquired/sold during the year is recognised on a pro-rata basis to the Statement of Profit and Loss till the date of acquisition/sale. Impairment of fixed assets The carrying amount of assets is reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment. The reversal of impairment is recognised in Statement of Profit and Loss, unless the same is carried at revalued amount and treated as revaluation reserve.	Particulars	Rates (SLM)	Computer software	33.33%	Trade marks	10.00%
Particulars	Rates (SLM)						
Computer software	33.33%						
Trade marks	10.00%						
(e)	Investments						
	Investments intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline, other than temporary, in the value of the investments. An investment in buildings, which is not intended to be occupied substantially for use by, or in the operations of, the Group, is classified as investment property. Investment properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on building component of investment property is calculated on a straight-line basis using the rate arrived at based on the useful life as prescribed as per the Schedule II of the Companies Act, 2013.						
(f)	Provisioning/Write-off of assets						
	Non-performing loans are written off/provided for, as per management estimates, subject to the minimum provision required as per Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 as and when amended. Delinquencies on assets securitised/assigned are provided for based on management estimates. Provision on standard assets is made as per Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 as and when amended. Pursuant to Reserve Bank India (RBI) notification no. DNBR 011/CGM (CDS) dated March 27, 2015, the Company has revised its recognition norms of Non-Performing Assets (NPA) from 150 days to 120 days and increased provision on standard assets from 0.30% to 0.35%. Had the Company continued to use the earlier policy of classification of NPA and provision for standard asset, provisions and write-offs for and year ended March 31, 2017 would have been lower by Rs. 36,867.13 lacs, income from operations for the same period would have been higher by Rs. 1,769.38 lacs and profit before tax for the same period would have been higher by Rs. 38,636.51 lacs (net of tax Rs. 25,265.19 lacs).

(g)	Loans										
	Loans are stated at the amount advanced including finance charges accrued and expenses recoverable, up to the Balance Sheet date as reduced by the amounts received and loans securitised.										
(h)	Leases										
	Where the Company is the lessor Assets given on operating leases are included in fixed assets. Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss. Where the Company is the lessee Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the lease term.										
(i)	Foreign currency translation										
	Initial recognition Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Conversion Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined. Exchange differences All exchange differences are dealt with including differences arising on translation settlement of monetary items in the Statement of Profit and Loss. Forward exchange contracts entered into to hedge foreign currency risk of an existing asset/liability The premium or discount arising at the inception of forward exchange contract is amortised and recognised as an expense/income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognised as income or expense for the period.										
(j)	Revenue recognition										
	Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. i. Income from financing activities is recognised on the basis of internal rate of return on time proportion basis. All other charges relating to financing activities are recognised on accrual basis. ii. Subvention income is recognised as income over the tenor of the loan agreements. For the agreements foreclosed/transferred through assignment, balance of subvention income is recognised as income at the time of such foreclosure/transfer through assignment. iii. Income recognised and remaining unrealised after installments become overdue for following days or more in case of secured/unsecured loans are reversed and are accounted as income when these are actually realised. <table><tr><td></td><td>For the year ended March 31, 2017</td><td>For the year ended March 31, 2016</td><td>For the year ended March 31, 2015</td><td>For the year ended March 31, 2014</td></tr><tr><td></td><td>120 days or more</td><td>Five months or more</td><td>Six months or more</td><td>Six months or more</td></tr></table> iv. 	v. Income apportioned on securitisation/direct assignment of loan receivables arising under premium structure is recognised over the tenure of securities issued by SPV/agreements. Interest spread under par structure of securitisation/direct assignment of loan receivables is recognised on realisation over the tenure of the 'securities issued by SPV' /agreements. Loss, if any/expenditure for securitisation/direct assignment is recognised upfront.
	vi. Interest income on fixed deposits/margin money, call money (Collateralised borrowing and lending obligation), certificate of deposits, pass through certificates, subordinated debts, non-convertible debentures, government securities, inter-corporate deposits and treasury bills is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Discount, if any, on government and other securities acquired as long-term investments is recognised on a time proportion basis over the tenure of the securities. vii. Dividend is recognised as income when right to receive payment is established by the date of Balance Sheet. viii. Profit/loss on the sale of investments is computed on the basis of weighted average cost of investments and recognised at the time of actual sale/redemption. ix. Income from services (for eg. facilitation fees) is recognised as per the terms of contracts on accrual basis. x. Income from operating lease is recognised as rentals, as accrued on straight line basis over the period of the lease.
(k)	Retirement and other employee benefits Provident fund Retirement benefit in the form of provident fund is a defined contribution scheme. All the employees of the Group are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the Group contribute monthly at a stipulated rate. The Group has no liability for future provident fund benefits other than its annual contribution and recognises such contributions as an expense in the period in which employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund. Gratuity The Group provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated years mentioned under 'The Payment of Gratuity Act, 1972'. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation at each Balance Sheet Date using the Projected Unit Credit Method. The Group fully contributes all ascertained liabilities to The Trustees- Shriram Transport Finance Company Limited Employees Group Gratuity Assurance Scheme. Trustees administer contributions made to the trust and contributions are invested in a scheme of insurance with the IRDA approved Insurance Companies. The group recognises the net obligation of the gratuity plan in the Balance Sheet as an asset or liability, respectively in accordance with AS-15 'Employee Benefits'. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the period in which they arise. Leave encashment Accumulated leave, which is expected to be utilised within the next twelve months, is treated as short-term employee benefit. The Group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the Projected Unit Credit Method at the reporting date. Actuarial gains/losses are immediately taken to the Statement of Profit and Loss and are not deferred.

Notes forming part of the Reformatted consolidated Financial Statement

	The Group presents the entire leave as a current liability in the Balance Sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.
(l)	Income tax
	Tax expense comprises of current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Group operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. The un-recognised deferred tax assets are re-assessed by the Group at each Balance Sheet date and are recognised to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying cost of the deferred tax assets are reviewed at each Balance Sheet date. The Group writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.
	Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Group recognises MAT credit available as an asset only to the extent that there is convincing evidence that the group will pay normal income tax during the specified period i.e the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for credit available in respect of MAT under the Income tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT credit entitlement". The Group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period.
(m)	Segment reporting policies
	Identification of segments: The Group's operating businesses are organised and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate. Unallocated items: Unallocated items include income, expenses, assets and liabilities which are not allocated to any reportable business segment. Segment policies : The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the group as a whole.
(n)	Earnings per share
	Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

Notes forming part of the Reformatted consolidated Financial Statement

	For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.
(o)	Provisions
	A provision is recognised when the Group has a present obligation as a result of past event; it is probable that outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
(p)	Cash and cash equivalents
	Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, cheques on hand, remittances in transit and short term investments with an original maturity of three months or less.
(q)	Equity shares and debentures issue expenses
	Expenses incurred on issue of equity shares are charged to Statement of Profit and Loss on a straight line basis over a period of 10 years. Public issue expenses, other than the brokerage, incurred on issue of debentures are charged off on a straight line basis over the weighted average tenor of underlying debentures. The brokerage incurred on issue of debentures is treated as expenditure in the year in which it is incurred. Expenses incurred for private placement of debentures, are charged to Statement of Profit and Loss in the year in which they are incurred.
(r)	Borrowing costs
	Borrowing cost includes interest and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Ancillary and other borrowing costs are charged to Statement of Profit and Loss in the year in which they are incurred.
(s)	Employee stock compensation costs
	In accordance with Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by The Institute of Chartered Accountants of India, the Group measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortised over the vesting period of the option on a straight line basis.
(t)	Contingent liabilities
	A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the financial statements.

Future cash outflows in respect of (a), (b), (c) above are determinable only on receipt of judgements /decisions pending with various forums/authorities. The Company is of the opinion that above demands are not sustainable and expects to succeed in its appeals. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the Company's financial position and results of operations.

Disputed income tax demands are on account of royalty, disallowance of ESOP expenses, 14A, derivatives, interest as per assessment orders, etc.

The company has received show-cause notice demanding service tax on services rendered towards provision of collection of receivables and liquidity facilities in respect of securitization/direct assignments for the period 2008-09 to 2014-15, the same contested by the company. SAMIL has received show cause notice demanding service tax on income from refurbishment of vehicles for the periods April 2011 upto June 2012 amounting to Rs. 39.28 lacs, irregular availment of input tax credit amounting to Rs. 25.80 lacs for the period April 2011 to March 2015, service tax on reimbursement expenses received amounting to Rs. 4.83 lacs for the period April 2013 to May 2014 and the same is contested by SAMIL. SAMIL has provided for service tax demands on refurbishment income and reimbursement of expenses including interest thereon. The Management of SAMIL believes that the ultimate outcome of this proceeding will not have a material effect on SAMIL's financial position and results of operations. Proportionate share of the Company on account of above show cause notices amounts to Rs. 31.15 lacs.

14. During the year pursuant to Reserve Bank India (RBI) notification no. DNBR 011/CGM (CDS) dated March 27, 2015, the Company has revised its recognition norms of Non-Performing Assets (NPA) from 120 days to 90 days and increased contingent provision on standard assets from 0.35% to 0.40% and applied the revised norms in the last quarter of the year. Had the Company continued to use the earlier policy of classification of NPA and contingent provision on standard assets, provisions and write offs for the year ended March 31, 2018 would have been lower by Rs. 72,156.19 lacs, revenue from operations for the same period would have been higher by Rs. 2,717.25 lacs and profit before tax for the same period would have been higher by Rs. 74,873.44 lacs (net of tax Rs. 48,961.24 lacs).

15. During the year ended March 31, 2018, the Company has sold the controlling stake in its wholly owned subsidiary, Shriram Automall India Limited (SAMIL) to the extent of 16,630,435 equity shares (representing 55.44% of paid-up capital) @ Rs. 94.03 per share for a total consideration of Rs.15,637.60 lacs to MXC Solutions India Private Limited (MXC). Consequently, SAMIL has ceased to be a subsidiary and has been treated as an associate of the Company from February 7, 2018 for purpose of the consolidated financial statement. Profit arising on the sale of SAMIL shares amounting to Rs 12,309.12 lacs has been disclosed as Exceptional Items in the Statement of Reformatted Consolidated Profit and Loss.

A portion of our funding requirements is met through short-term funding sources, being, bank loans, working capital demand loans, cash credit, short term loans and commercial papers. Further, a large portion of our loan assets mature over a medium term, while comparatively some of our liabilities in connection with the credit facilities obtained by us are for a relatively shorter periods of time. Consequently, our inability to obtain additional credit facilities or renew our existing credit facilities, in a timely manner or at all, may lead to mismatches between our assets and liabilities.

Based on the structural liquidity position of our Company as on March 31, 2018 as per the RBI norms, our Company has positive asset liability mismatch of ₹ 6,15,022 lakhs over a period of six months till September 30, 2018 based on our submission dated June 8, 2018 to RBI.

Corporate Guarantee

On June 30, 2015, our Company executed a deed of guarantee in favour of a debenture trustee in connection with 6500 unsecured redeemable non-convertible debentures (debentures) of face value of ₹ 10 lakhs each aggregating to ₹ 65,000 lakhs issued by a public limited company. As per the terms and conditions of the issue, the debenture holders were entitled to receive the redemption amount of ₹ 13,76,892.59 per debenture on June 29, 2018 (voluntary redemption date) and ₹ 15,31,345.64 per debenture on June 28, 2019 (final redemption date/maturity date). If the said public limited company fails to deposit into specified account the redemption amount of

debentures for the purpose of payment to the debenture holders on the redemption amount deposit date on early redemption of debentures sought by any debenture holder or on final redemption date/ maturity date, our Company in its capacity as guarantor of the debt under the said deed of guarantee as amended shall be required to deposit the redemption amount/ shortfall into specified account on the respective redemption amount deposit date(s) as per the terms and conditions of the issue of debenture.

Restrictive Covenants under our Financing Arrangements:

Some of the corporate actions for which our Company requires the prior written consent of lenders include the following:

1. to declare and/ or pay dividend to any of its shareholders whether equity or preference, during any financial year unless our Company has paid to the lender the dues payable by our Company in that year;
2. to undertake or permit any merger, amalgamation or compromise with its shareholders, creditors or effect any scheme of amalgamation or reconstruction;
3. to create or permit any charges or lien on any mortgaged properties;
4. to amend its MOA and AOA or alter its capital structure; and
5. to make any major investments by way of deposits, loans, share capital, etc. in any manner.

Servicing behaviour on existing debt securities, payment of due interest on due dates on term loans and debt securities.

As on the date of this Shelf Prospectus, our Company has not defaulted/ delayed in the payments of interest and principal of any kind of term loans, debt securities and other financial indebtedness including corporate guarantee issued by the Company, in the past 5 years.

Further, there are no outstanding borrowings taken/ debt securities issued where taken/ issued (i) for consideration other than cash, whether in whole or in part, (ii) at a premium or discount, or (iii) in pursuance of an option as on March 31, 2018.

MATERIAL DEVELOPMENTS

There have been no material developments since March 31, 2018 and there have arisen no circumstances that materially or adversely affect the operations, or financial condition or profitability or credit quality of our Company or the value of its assets or its ability to pay its liabilities with the next 12 months except as stated in the section titled “*Financial Information*” beginning on page 121.

SUMMARY OF SIGNIFICANT DIFFERENCES BETWEEN INDIAN GAAP AND INDAS

The Reformatted Financial Statements of the Issuer included in this Shelf Prospectus are presented in accordance with Indian GAAP, which differs from Indian Accounting Standards (“**Ind AS**”) in certain respects. The Ministry of Corporate Affairs (“**MCA**”), in its press release dated January 18, 2016, issued a roadmap for implementation of Ind AS converged with IFRS for non-banking financial companies, scheduled 50 commercial banks, insurers, and insurance companies, which was subsequently confirmed by the RBI through its circular dated February 11, 2016. The notification further explains that NBFCs having a net worth of ₹ 50,000 lakh or more as of March 31, 2016, shall comply with Ind AS for accounting periods beginning on or after April 1, 2018, with comparatives for the periods ending on March 31, 2018. Therefore, the Issuer would be subject to this notification.

“Summary of Significant Differences among Indian GAAP and Ind AS”, does not present all differences between Indian GAAP and Ind AS which are relevant to the Issuer. Consequently, there can be no assurance that those are the only differences in the accounting principles that could have a significant impact on the financial information included in this Shelf Prospectus. Furthermore, the Issuer has made no attempt to identify or quantify the impact of these differences or any future differences between Indian GAAP and Ind AS which may result from prospective changes in accounting standards. The Issuer has not considered matters of Indian GAAP presentation and disclosures, which also differ from Ind AS. In making an investment decision, investors must rely upon their own examination of the Issuer’s business, the terms of the offerings and the financial information included in this Shelf Prospectus. Potential investors should consult with their own professional advisors for a more thorough understanding of the differences between Indian GAAP and Ind AS and how those differences might affect the financial information included in this Shelf Prospectus. The Issuer cannot assure that it has completed a comprehensive analysis of the effect of Ind AS on future financial information or that the application of Ind AS will not result in a materially adverse effect on the Issuer’s future financial information.

Summary of Significant Differences among Indian GAAP and Ind AS:

Sr.No.	Particulars	Treatment as per Indian GAAP	Treatment as per Ind-AS
1.	Presentation of Financial Statements	Other Comprehensive Income: There is no concept of ‘Other Comprehensive Income’ under Indian GAAP.	Other Comprehensive Income: Ind AS 1 introduces the concept of other Comprehensive Income (“OCI”). Other comprehensive income comprises items of income and expense (including reclassification adjustments) that are not recognized in profit or loss as required or permitted by other Ind AS.
		Extraordinary items: Under Indian GAAP, extraordinary items are disclosed separately in the statement of profit and loss and are included in the determination of net profit or loss for the period. Items of income or expense to be disclosed as extraordinary should be distinct from the ordinary activities and are determined by the nature of the event or transaction in relation to the business ordinarily carried out by an entity.	Extraordinary items: Under Ind AS, presentation of any items of income or expense as extraordinary is prohibited.
		Change in Accounting Policies: Indian GAAP requires changes in accounting policies to be presented in the financial statements on a prospective basis (unless transitional provisions, if any, of an accounting standard require otherwise)	Change in Accounting Policies: Ind AS requires retrospective application of changes in accounting policies by adjusting the opening balance of each affected component of equity for the earliest prior period presented and the

		together with a disclosure of the impact of the same, if material. If a change in the accounting policy has no material effect on the financial statements for the current period but is expected to have a material effect in the later periods, the same should be appropriately disclosed.	other comparative amounts for each period presented as if the new accounting policy had always been applied, unless transitional provisions of an accounting standard require otherwise.
2.	Deferred Taxes	Under Indian GAAP, the Company determines deferred tax to be recognized in the financial statements with reference to the income statement approach i.e. with reference to the timing differences between profit offered for income taxes and profit as per the financial statements.	As per Ind AS 12 Income Taxes, deferred tax is determined with reference to the balance sheet approach i.e. based on the differences between carrying value of the assets/ liabilities and their respective tax base. Using the balance sheet approach, there could be additional deferred tax charge/ income on account of all Ind AS opening balance sheet adjustments.
3.	Property, plant and Equipment depreciation and residual value – reviewing	Under Indian GAAP, the Company currently provides depreciation on straight line method over the useful lives of the assets estimated by the Management.	Ind AS 16 mandates reviewing the method of depreciation, estimated useful life and estimated residual value of an asset at least once in a year. The effect of any change in the estimated useful and residual value shall be taken prospectively. Ind AS 101 allows current carrying value under Indian GAAP for items of property, plant and equipment to be carried forward as the cost under Ind AS.
4.	Accounting for Employee benefits	Currently, all actuarial gains and losses are recognized immediately in the statement of profit and loss.	Under Ind AS 19, the change in liability is split into changes arising out of service, interest cost and re measurements and the change in asset is split between interest income and re measurements. Changes due to service cost and net interest cost/ income need to be recognized in the income statement and the changes arising out of re-measurements are to be recognized directly in OCI.
5.	Accounting for Investments in Subsidiaries/ Associates/ JV in separate Financial Statements	Accounting for investments in subsidiaries/ Associates/JV is governed by Accounting Standard 13 depending on the classification of the investment as current or long term.	Accounting for investments in Subsidiaries / Associates / JV is governed by Ind AS 27 which gives an option to account the same at cost or in accordance with Ind AS 109.

Sr.No.	Particulars	Treatment as per Indian GAAP	Treatment as per Ind-AS
6.	Consolidated Financial Statements	Under Indian GAAP the consolidation is driven by the reporting entity's control over its investees namely subsidiaries, associates and joint ventures. Control is: (a) the ownership, directly or indirectly through subsidiary(ies), of more than one-half of the voting power of an entity; or (b) control of the composition of the board of directors in the case of a company or of the composition of the corresponding governing body in case of any other entity so as to obtain economic benefits from its activities. Therefore, a mere ownership of more than 50 per cent of equity shares is sufficient to constitute control under Indian GAAP, whereas this is not necessarily so under Ind AS.	Control is based on whether an investor has: (a) power over the investee; (b) exposure, or rights, to variable return from its involvement with the investee; and (c) the ability to use its power over the investee to affect the amounts of the returns.
7.	Consolidation - Exclusion of subsidiaries, associates and joint ventures	Excluded from consolidation, equity accounting or proportionate consolidation if the subsidiary/ investment/ interest in joint venture was acquired with intent to dispose of in the near future (which, ordinarily means not more than 12 months, unless a longer period can be justified based on facts and circumstances of the case) or if it operates under severe long-term restrictions which significantly impair its ability to transfer funds to the parent/ investor/ venturer.	Consolidated financial statements include all subsidiaries and equity accounted associates and joint ventures. No exemption for "temporary control", "different lines of business" or "subsidiary/ associate/ joint venture that operates under severe long- term funds transfer restrictions" except when the investment is determined as held for sale in accordance with Ind AS.
8.	Consolidation - Joint Ventures	Under Indian GAAP, Proportionate consolidation method is applied when the entity prepares consolidated financial statements.	The equity method, as described in Ind AS 28 is applied when the entity prepares consolidated financial statements.
9.	Provisions, contingent liabilities and contingent assets	Under Indian GAAP, provisions are recognised only under a legal obligation. Also, discounting of provisions to present value is not permitted	Under IND AS, provisions are recognised for legal as well as constructive obligations. IND AS requires discounting the provisions to present value, if the effect of time value of money is material
10.	Share based payments	Under Indian GAAP, company has an option to account for share based payments on the basis of intrinsic value or fair value. The company followed the intrinsic value method and gave a disclosure for the fair valuation.	Under Ind AS, the share based payments have to be mandatorily accounted basis the fair value and the same has to be recorded in the Statement of Profit or Loss over the vesting period. The fair valuation of the unvested options as on the transition date have to be adjusted against retained earnings
11.	The pooling of	Amalgamations in the nature of purchase	All business combinations, other than

Sr.No.	Particulars	Treatment as per Indian GAAP	Treatment as per Ind-AS
	interests and purchase method	are accounted for by recording the identifiable assets and liabilities of the acquiree either at the fair values or at book values. Amalgamations in the nature of merger are accounted under the pooling of interests method.	those between entities under common control, are accounted for using the purchase method. An acquirer is identified for all business combinations, which is the entity that obtains control of the other combining entity. Business combination transactions between entities under common control should be accounted for using the 'pooling of interests' method.
12.	Presentation and classification of Financial Instruments and subsequent measurement	Currently, under Indian GAAP, the financial assets and financial liabilities are recognised at the transaction value. The Company classifies all its financial assets and liabilities as short term or long term. Long term investments are carried at cost less any permanent diminution in the value of such investments determined on a specific identification basis. Current investments are carried at lower of cost and fair value. Financial liabilities are carried at their transaction values. Disclosures under Indian GAAP are limited. Currently under Indian GAAP, loan processing fees and/or fees of similar nature are recognized upfront in the Statement of Profit and Loss.	Ind AS 109 requires all financial assets and financial liabilities to be recognised on initial recognition at fair value. Financial assets have to be either classified as measured at amortized cost or measured at fair value. Where assets are measured at fair value, gains and losses are either recognized entirely in profit or loss (FVTPL) or recognized in other comprehensive income (FVOCI). Financial assets include equity and debts investments, security receipts, interest free deposits, loans, trade receivables etc. Assets classified at amortized cost and FVOCI and the related revenue (including processing fees and fees of similar nature) net of related costs have to be measured using the Effective Interest Rate (EIR) method. There are two measurement categories for financial liabilities - FVTPL and amortized cost. Liabilities classified at amortized cost and the related expenses (processing cost & fees) have to be measured using the Effective Interest Rate (EIR) method. Fair value adjustment on transition shall be adjusted against opening retained earnings on the date of transition. Disclosures under Ind AS are extensive.
13.	Financial Instruments - Impairment	Under Indian GAAP, the Company assesses the provision for doubtful debts at each reporting period, which in practice, is based on relevant information like past experience, financial position of the debtor, cash flows of the debtor, guidelines issued by the regulator etc.	The impairment model in Ind AS is based on expected credit losses and it applies equally to debt instruments measured at amortized cost or FVOCI, lease receivables, contract assets within the scope of Ind AS 109 and certain written loan commitments and financial guarantee contracts.

SPECIFIC TERMS AND CONDITIONS IN CONNECTION WITH EACH SERIES OF NCDs

As specified in the relevant Tranche Prospectus.

Terms of payment

The entire face value per NCDs is payable on application (except in case of ASBA Applicants). In case of ASBA Applicants, the entire amount of face value of NCDs applied for will be blocked in the relevant ASBA Account maintained with the SCSB. In the event of Allotment of a lesser number of NCDs than applied for, our Company shall refund the amount paid on application to the Applicant, in accordance with the terms of the respective Tranche Prospectus.

Participation by any of the above-mentioned Investor classes in this Issue will be subject to applicable statutory and/or regulatory requirements. Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and/or regulatory provisions.

Applications may be made in single or joint names (not exceeding three). Applications should be made by Karta in case the Applicant is an HUF. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account (in case of Applicants applying for Allotment of the NCDs in dematerialized form) held in joint names. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form. Please ensure that such Applications contain the PAN of the HUF and not of the Karta.

In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein.

Applicants are advised to ensure that they have obtained the necessary statutory and/or regulatory permissions/consents/approvals in connection with applying for, subscribing to, or seeking Allotment of NCDs pursuant to the Issue. For further details, please refer to the chapter titled “Issue Procedure” on page 468.

TERMS OF THE ISSUE

GENERAL TERMS OF THE ISSUE

Authority for the Issue

This Issue has been authorized by the Board of Directors of our Company pursuant to a resolution passed at their meeting held on April 27, 2018. Further, the present borrowing is within the borrowing limits under Section 180(1)(c) of the Companies Act, 2013 duly approved by the shareholders' *vide* their resolution passed by postal ballot on June 6, 2018.

Principal Terms & Conditions of this Issue

The NCDs being offered as part of the Issue are subject to the provisions of the Debt Regulations, the Act, the Memorandum and Articles of Association of our Company, the terms of the Draft Shelf Prospectus, this Shelf Prospectus, the relevant Tranche Prospectus(es), the Application Forms, the terms and conditions of the Debenture Trust Agreement and the Debenture Trust Deed, other applicable statutory and/or regulatory requirements including those issued from time to time by SEBI/the Government of India/BSE/NSE, RBI, and/or other statutory/regulatory authorities relating to the offer, issue and listing of securities and any other documents that may be executed in connection with the NCDs.

Ranking of NCDs

The NCDs would constitute direct and secured obligations of ours and shall rank *pari passu* inter se, and subject to any obligations under applicable statutory and/or regulatory requirements, shall also, with regard to the amount invested, be secured by way of first charge on the identified immovable property and the specified future loan receivables of our Company. The claims of the NCD Holders shall be superior to the claims of any unsecured creditors, subject to applicable statutory and/or regulatory requirements.

Debenture Redemption Reserve

Section 71 (4) of the Companies Act, 2013 states that where debentures are issued by any company, the company shall create a debenture redemption reserve out of the profits of the company available for payment of dividend. Rule 18 (7) of the Companies (Share Capital and Debentures) Rules, 2014, as amended by Companies (Share Capital and Debentures) Third Amendment Rules, 2016, dated July 19, 2016, further states that 'the adequacy' of DRR for NBFCs registered with the RBI under Section 45-IA of the RBI (Amendment) Act, 1997 shall be 25% of the value of outstanding debentures issued through a public issue as per the Debt Regulations. Accordingly, our Company is required to create a DRR of 25% of the value of the NCDs, outstanding as on date, issued through the Issue. In addition, as per Rule 18 (7) (e) under Chapter IV of the Companies Act, 2013, the amounts credited to DRR shall not be utilised by our Company except for the redemption of the NCDs.

The Rules further mandate that every company required to maintain DRR shall deposit or invest, as the case may be, before the 30th day of April of each year a sum which shall not be less than 15% of the amount of its debentures maturing during the year ending on the 31st day of March of the next year in any one or more following methods: (a) in deposits with any scheduled bank, free from charge or lien; (b) in unencumbered securities of the Central Government or of any State Government; (c) in unencumbered securities mentioned in clauses (a) to (d) and (ee) of Section 20 of the Indian Trusts Act, 1882; (d) in unencumbered bonds issued by any other company which is notified under clause (f) of Section 20 of the Indian Trusts Act, 1882. The abovementioned amount deposited or invested, must not be utilized for any purpose other than for the repayment of debentures maturing during the year provided that the amount remaining deposited or invested must not at any time fall below 15% of the amount of debentures maturing during year ending on the 31st day of March of that year.

Face Value

The face value of each NCD shall be ₹1,000.

Security

The outstanding NCDs, to be issued in terms of this Shelf Prospectus, together with all interest due on the outstanding NCDs in respect thereof shall be secured by way of exclusive and/or pari passu charge in favour of the Debenture Trustee on specific present and/or future receivables/assets of our Company as may be decided mutually by our Company and the Debenture Trustee. Our Company will create appropriate security (by way of mortgage/ hypothecation) in favour of the Debenture Trustee for the NCD Holders on the assets adequate to ensure 100% asset cover for the NCDs (along with the interest due thereon).

Our Company intends to enter into an indenture/deed with the Debenture Trustee, (**'Debenture Trust Deed'**), the terms of which will govern the powers, authorities and obligations of the Debenture Trustee. Our Company proposes to complete the execution of the Debenture Trust Deed within one month of the closure of the Issue and shall utilize the funds only after the stipulated security has been created.

Under the terms of the Debenture Trust Deed, our Company will covenant with the Debenture Trustee that it will pay the NCD Holders the principal amount on the NCDs on the relevant redemption date and also that it will pay the interest due on NCDs on the rate specified in the relevant Tranche Prospectus(es), the respective Tranche Prospectus(es) and in the Debenture Trust Deed. The Debenture Trust Deed will also provide that our Company may withdraw any portion of the security and replace with another asset of the same or a higher value.

Trustees for the NCD Holders

We have appointed Catalyst Trusteeship Limited to act as the Debenture Trustee for the NCD Holders in terms of Regulation 4(4) of the Debt Regulations and Section 71 (5) of the Companies Act, 2013 and the rules prescribed thereunder. We and the Debenture Trustee will execute a Debenture Trust Deed, inter alia, specifying the powers, authorities and obligations of the Debenture Trustee and us. The NCD Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the NCDs as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the NCD Holder(s). Any payment made by us to the Debenture Trustee on behalf of the NCD Holder(s) shall discharge us pro tanto to the NCD Holder(s).

The Debenture Trustee will protect the interest of the NCD Holders in the event of default by us in regard to timely payment of interest and repayment of principal and they will take necessary action at our cost.

Events of Default:

Subject to the terms of the Debenture Trust Deed, the Debenture Trustee at its discretion may, or if so requested in writing by the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution, passed at a meeting of the NCD Holders, (subject to being indemnified and/or secured by the NCD Holders to its satisfaction), give notice to our Company specifying that the NCDs and/or any particular Series of NCDs, in whole but not in part are and have become due and repayable on such date as may be specified in such notice inter alia if any of the events listed below occurs. The description below is indicative and a complete list of events of default and its consequences will be specified in the Debenture Trust Deed:

1. Default is committed in payment of the principal amount of the NCDs on the due date(s); and
2. Default is committed in payment of any interest on the NCDs on the due date(s).

NCD Holder not a Shareholder

The NCD Holders will not be entitled to any of the rights and privileges available to the equity and/or preference shareholders of our Company, except to the extent of the right to receive the annual reports of our Company and such other rights as may be prescribed under the Companies Act, 2013 and the rules prescribed thereunder and the Debt Listing Agreement and the Securities and Exchange Board of India (Listing Obligations and Disclosure Obligations) Regulations, 2015.

Rights of NCD Holders

Some of the significant rights available to the NCD Holders are as follows:

1. The NCDs shall not, except as provided in the Act, our Memorandum and Articles of Association and/or the Debenture Trust Deed, confer upon the holders thereof any rights or privileges available to our Company's members/shareholders including, without limitation, the right to attend and/or vote at any general meeting of our Company's members/shareholders. However, if any resolution affecting the rights attached to the NCDs is to be placed before the members/shareholders of our Company, the said resolution will be placed before the concerned registered NCD Holders for their consideration. The opinion of the Debenture Trustee as to whether such resolution is affecting the right attached to the NCDs is final and binding on NCD holders. In terms of Section 136 (1) of the Companies Act, 2013, holders of NCDs shall be entitled to a copy of the balance sheet and copy of trust deed on a specific request made to our Company.
2. Subject to the above and the applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, including requirements of the RBI, the rights, privileges and conditions attached to the NCDs may be varied, modified and/or abrogated with the consent in writing of the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution passed at a meeting of the concerned NCD Holders, provided that nothing in such consent or resolution shall be operative against us, where such consent or resolution modifies or varies the terms and conditions governing the NCDs, if the same are not acceptable to us.
3. Subject to applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, the registered NCD Holder or in case of joint-holders, the one whose name stands first in the register of debenture holders shall be entitled to vote in respect of such NCDs, either in person or by proxy, at any meeting of the concerned NCD Holders and every such holder shall be entitled to one vote on a show of hands and on a poll, his/her voting rights on every resolution placed before such meeting of the NCD Holders shall be in proportion to the outstanding nominal value of NCDs held by him/her.
4. The NCDs are subject to the provisions of the Debt Regulations, the Act, the Memorandum and Articles of Association of our Company, the terms of this Shelf Prospectus, the respective Tranche Prospectus(es), the Application Forms, the terms and conditions of the Debenture Trust Deed, requirements of the RBI, other applicable statutory and/or regulatory requirements relating to the issue and listing, of securities and any other documents that may be executed in connection with the NCDs.
5. The Depositories shall maintain the up to date record of holders of the NCDs in dematerialized Form. In terms of Section 88(3) of the Companies Act, 2013, the register and index of beneficial of NCDs maintained by a Depository for any NCD in dematerialized form under Section 11 of the Depositories Act shall be deemed to be a Register of NCD holders for this purpose.
6. A register of NCD Holders holding NCDs in physical form pursuant to rematerialisation of the NCDs issued pursuant to the relevant Tranche Prospectus ("**Register of NCD Holders**") will be maintained in accordance with Section 88 of the Companies Act, 2013 and all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the registered holder thereof for the time being or in the case of joint-holders, to the person whose name stands first in the Register of NCD Holders as on the Record Date.
7. Subject to compliance with RBI requirements, NCDs can be rolled over only with the consent of the holders of at least 75% of the outstanding amount of the NCDs after providing at least 21 days prior notice for such roll over and in accordance with the Debt Regulations. Our Company shall redeem the debt securities of all the debt securities holders, who have not given their positive consent to the roll-over.

The aforementioned rights of the NCD Holders are merely indicative. The final rights of the NCD Holders will be as per the terms of this Shelf Prospectus, the respective Tranche Prospectus(es) and the Debenture Trust Deed to be executed between our Company and the Debenture Trustee.

Nomination facility to NCD Holder

In accordance with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014 ("**Rule 19**") and the Companies Act, 2013, the sole NCD holder, or first NCD Holder, along with other joint NCD Holders' (being individual(s)), may nominate, in the **Form No. SH.13**, any one person in whom, in the event of the death of Applicant the NCDs Allotted, if any, will vest. Where the nomination is made in respect of the NCDs held by more than one person jointly, all joint holders shall together nominate in **Form No.SH.13** any person as nominee. A nominee entitled to the NCDs by reason of the death of the original holder(s), will, in accordance with Rule 19 and Section 56 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the NCDs. Where the nominee is a minor, the holder(s) may make a

nomination to appoint, in **Form No. SH.14**, any person to become entitled to NCDs in the event of the holder's death during minority. A nomination will stand rescinded on a sale/transfer/alienation of NCDs by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office, Corporate Office or with the Registrar to the Issue.

NCD Holder(s) are advised to provide the specimen signature of the nominee to us to expedite the transmission of the NCD(s) to the nominee in the event of demise of the NCD Holder(s). The signature can be provided in the Application Form or subsequently at the time of making fresh nominations. This facility of providing the specimen signature of the nominee is purely optional.

In accordance with Rule 19, any person who becomes a nominee by virtue of the Rule 19, will on the production of such evidence as may be required by the Board, elect either:

- to register himself or herself as holder of NCDs; or
- to make such transfer of the NCDs, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the NCDs, and if the notice is not complied with, within a period of 90 days, our Board may thereafter withhold payment of all interests or other monies payable in respect of the NCDs, until the requirements of the notice have been complied with.

For all NCDs held in the dematerialized form, nominations registered with the respective Depository Participant of the Applicant would prevail. If the investors require changing their nomination, they are requested to inform their respective Depository Participant in connection with NCDs held in the dematerialized form.

Jurisdiction

Exclusive jurisdiction for the purpose of the Issue is with the competent courts of jurisdiction in Mumbai, India.

Application in the Issue

Applicants shall apply in this Issue in dematerialized form only, through a valid Application Form filled in by the Applicant along with attachment, as applicable.

In terms of Regulation 4(2)(d) of the Debt Regulations, our Company will make public issue of the NCDs in the dematerialised form only. However, in terms of Section 8(1) of the Depositories Act, our Company, at the request of the Investors who wish to hold the NCDs in physical form will rematerialise the NCDs. However, any trading of the NCDs shall be compulsorily in dematerialized form only.

Transfer/Transmission of NCD(s)

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of the Companies Act, 2013. The NCDs held in dematerialized form shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL/CDSL and the relevant DP's of the transfer or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar.

Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 ("**SEBI LODR IV Amendment**"), NCDs held in physical form, pursuant to any rematerialisation, as above, can not be transferred except by way of transmission or transposition, from December 4, 2018. However, any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialized form only.

Please refer to "*- Interest/ Premium*" on page 459 for the implications on the interest applicable to NCDs held by

Individual Investors on the Record Date and NCDs held by Non-Individual Investors on the Record Date.

Title

In case of:

- the NCDs held in the dematerialized form, the person for the time being appearing in the record of beneficial owners maintained by the Depository; and
- the NCD held in physical form, the person for the time being appearing in the Register of NCD Holders as NCD Holder,

shall be treated for all purposes by our Company, the Debenture Trustee, the Depositories and all other persons dealing with such person as the holder thereof and its absolute owner for all purposes regardless of any notice of ownership, trust or any interest in it or any writing on, theft or loss of the Consolidated NCD Certificate issued in respect of the NCDs and no person will be liable for so treating the NCD Holder.

No transfer of title of a NCD will be valid unless and until entered on the Register of NCD Holders or the register and index of NCD Holders maintained by the Depository prior to the Record Date. In the absence of transfer being registered, interest and/or Maturity Amount, as the case may be, will be paid to the person, whose name appears first in the Register of NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar.

Succession

Where NCDs are held in joint names and one of the joint holders dies, the survivor(s) will be recognized as the NCD Holder(s). It will be sufficient for our Company to delete the name of the deceased NCD Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on our Company to register his name as successor of the deceased NCD Holder after obtaining evidence such as probate of a will for the purpose of proving his title to the debentures.

In the event of demise of the sole or first holder of the Debentures, the Company will recognise the executors or administrator of the deceased NCD Holders, or the holder of the succession certificate or other legal representative as having title to the Debentures only if such executor or administrator obtains and produces probate or letter of administration or is the holder of the succession certificate or other legal representation, as the case may be, from an appropriate court in India. The directors of the Company in their absolute discretion may, in any case, dispense with production of probate or letter of administration or succession certificate or other legal representation.

Where a non-resident Indian becomes entitled to the NCDs by way of succession, the following steps have to be complied with:

1. Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the NCDs were acquired by the non-resident Indian as part of the legacy left by the deceased NCD Holder.
2. Proof that the non-resident Indian is an Indian national or is of Indian origin.
3. Such holding by a non-resident Indian will be on a non-repatriation basis.

Joint-holders

Where two or more persons are holders of any NCD(s), they shall be deemed to hold the same as joint holders with benefits of survivorship subject to other provisions contained in the Articles.

Procedure for Re-materialization of NCDs

NCD Holders who wish to hold the NCDs in physical form may do so by submitting a request to their DP at any time after Allotment in accordance with the applicable procedure stipulated by the DP, in accordance with the Depositories Act and/or rules as notified by the Depositories from time to time. **Holders of NCDs who propose to rematerialize their NCDs, would have to mandatorily submit details of their bank mandate along with a**

copy of any document evidencing that the bank account is in the name of the holder of such NCDs and their Permanent Account Number to the Company and the DP. No proposal for rematerialization of NCDs would be considered if the aforementioned documents and details are not submitted along with the request for such rematerialization.

Restriction on transfer of NCDs

There are no restrictions on transfers and transmission of NCDs allotted pursuant to this Issue. Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 (“**SEBI LODR IV Amendment**”), NCDs held in physical form, pursuant to any rematerialisation, as above, can not be transferred except by way of transmission or transposition, from December 4, 2018.

Interest/Premium

As specified in the relevant Tranche Prospectus.

Basis of payment of Interest

We may enter into an arrangement with one or more banks in one or more cities for direct credit of interest to the account of the Investors. In such cases, interest, on the interest payment date, would be directly credited to the account of those Investors who have given their bank mandate.

We may offer the facility of NACH, NEFT, RTGS, Direct Credit and any other method permitted by RBI and SEBI from time to time to help NCD Holders. The terms of this facility (including towns where this facility would be available) would be as prescribed by RBI. Refer to the paragraph on “*Manner of Payment of Interest / Refund / Redemption Amounts*” at page 461.

Taxation

Any tax exemption certificate/document must be lodged at the office of the Registrar at least 7(seven) days prior to the Record Date or as specifically required, failing which tax applicable on interest will be deducted at source on accrual thereof in our Company's books and/or on payment thereof, in accordance with the provisions of the IT Act and/or any other statutory modification, enactment or notification as the case may be. A tax deduction certificate will be issued for the amount of tax so deducted.

As per clause (ix) of Section 193 of the I.T. Act, no tax is required to be withheld on any interest payable on any security issued by a company, where such security is in dematerialized form and is listed on a recognized stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 (42 of 1956) and the rules made thereunder. Accordingly, no tax will be deducted at source from the interest on listed NCDs held in the dematerialized form.

If the date of interest payment falls on a Saturday, Sunday or a public holiday in Mumbai or Chennai or any other payment centre notified in terms of the Negotiable Instruments Act, 1881, then interest would be paid on the next working day. Payment of interest would be subject to the deduction as prescribed in the I.T. Act or any statutory modification or re-enactment thereof for the time being in force.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date as stated on page 7, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Shelf Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Day Count Convention:

Interest shall be computed on actual/actual basis i.e. on the principal outstanding on the NCDs as per the SEBI Circular bearing no. CIR/IMD/DF-1/122/2016 dated November 11, 2016.

Effect of holidays on payments

If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day (the “**Effective Date**”), however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Maturity Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment.

Illustration for guidance in respect of the day count convention and effect of holidays on payments.

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI Circular No. CIR/IMD/DF-1/122/2016 dated November 11, 2016 will be a disclosed in the relevant Tranche Prospectus.

Tax exemption certificate/declaration of non-deduction of tax at source on interest on Application Amount, if any, should be submitted along with the Application Form.

Interest on application amounts received which are liable to be refunded:

Our Company shall pay interest on application amount on all valid applications which are liable to be refunded to the Applicants, other than to ASBA Applicants, in accordance with the provisions of the Debt Regulations and/or the Companies Act, 2013, or other applicable statutory and/or regulatory requirements, subject to deduction of income tax under the provisions of the Income Tax Act, 1961, as amended, as applicable, after the date of realization of the cheque(s)/demand draft(s) or 3 (three) days after the date of receipt of the application (being the date of upload of each Application on the electronic Application platform of the Stock Exchanges) whichever is later up to one day prior to the Deemed Date of Allotment, at the rate as specified in the relevant Tranche Prospectus(es). Such interest shall be paid along with the monies liable to be refunded. Interest warrant will be dispatched / credited (in case of electronic payment) along with the Letter(s) of Refund at the sole risk of the Applicant, to the sole/first Applicant.

In the event our Company does not receive a minimum subscription as specified in the Tranche Prospectus(es) on the date of closure of the Issue, our Company shall pay interest on application amount which is liable to be refunded to the Applicants, other than to ASBA Applicants, in accordance with the provisions of the Debt Regulations and/or the Companies Act, 2013, or other applicable statutory and/or regulatory requirements, subject to deduction of income tax under the provisions of the Income Tax Act, 1961, as amended.

Provided that, notwithstanding anything contained hereinabove, our Company shall not be liable to pay any interest on monies liable to be refunded in case of (a) invalid applications or applications liable to be rejected, (b) applications which are withdrawn by the Applicant and/or (c) monies paid in excess of the amount of NCDs applied for in the Application Form. Please refer to “*Rejection of Application*” at page 486.

Maturity and Redemption

As specified in the relevant Tranche Prospectus.

Put / Call Option

As specified in the relevant Tranche Prospectus(es).

Application Size

As specified in the relevant Tranche Prospectus(es).

Applicants can apply for any or all types of NCDs offered hereunder (any/all Series) using the same Application Form.

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.

Terms of Payment

The entire issue price of ₹1,000 per NCD is payable on application itself. In case of allotment of lesser number of NCDs than the number of NCDs applied for, our Company shall refund the excess amount paid on application to

the Applicant in accordance with the terms of this Shelf Prospectus. For further details please refer to the paragraph on “Interest on Application Amount” on page 460.

Manner of Payment of Interest / Refund / Redemption Amounts

The manner of payment of interest / refund / redemption in connection with the NCDs is set out below:

For NCDs held in physical form:

In case of NCDs held in physical form on account of re-materialization, the bank details will be obtained from the documents submitted to the Company along with the rematerialisation request. *Please refer to “Procedure for Re-materialization of NCDs” on page 458 for further details.*

For NCDs applied / held in electronic form:

The bank details will be obtained from the Depositories for payment of Interest / refund / redemption as the case may be. Applicants who have applied for or are holding the NCDs in electronic form, are advised to immediately update their bank account details as appearing on the records of the depository participant. Please note that failure to do so could result in delays in credit of refunds to the Applicant at the Applicant’s sole risk, and the Lead Managers, our Company nor the Registrar to the Issue shall have any responsibility and undertake any liability for the same.

The mode of interest / refund / redemption payments shall be undertaken in the following order of preference:

1. **Direct Credit:** Investors having their bank account with the Refund Banks, shall be eligible to receive refunds, if any, through direct credit. The refund amount, if any, would be credited directly to their bank account with the Refund Banker.
2. **NACH:** National Automated Clearing House which is a consolidated system of ECS. Payment of refund would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition (MICR) code wherever applicable from the depository. The payment of refund through NACH is mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get refunds through NEFT or Direct Credit or RTGS.
3. **RTGS:** Applicants having a bank account with a participating bank and whose interest payment / refund / redemption amount exceeds ₹2 lakhs, or such amount as may be fixed by RBI from time to time, have the option to receive refund through RTGS. Such eligible Applicants who indicate their preference to receive interest payment / refund / redemption through RTGS are required to provide the IFSC code in the Application Form or intimate our Company and the Registrars to the Issue at least 7 (seven) days before the Record Date. Charges, if any, levied by the Applicant’s bank receiving the credit would be borne by the Applicant. In the event the same is not provided, interest payment / refund / redemption shall be made through NECS subject to availability of complete bank account details for the same as stated above.
4. **NEFT:** Payment of interest / refund / redemption shall be undertaken through NEFT wherever the Applicants’ bank has been assigned the Indian Financial System Code (“**IFSC**”), which can be linked to a Magnetic Ink Character Recognition (“**MICR**”), if any, available to that particular bank branch. IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Applicants have registered their nine digit MICR number and their bank account number while opening and operating the de-mat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of interest/refund/redemption will be made to the Applicants through this method.
5. **Registered Post/Speed Post:** For all other Applicants, including those who have not updated their bank particulars with the MICR code, the interest payment / refund / redemption orders shall be dispatched through Speed Post/ Registered Post only to Applicants that have provided details of a registered address

in India. Refunds may be made by cheques, pay orders, or demand drafts drawn on the relevant Refund Bank and payable at par at places where Applications are received. All the cheques, pay orders, or demand drafts as the case may be, shall be sent by registered/speed post at the Investor's sole risk. Bank charges, if any, for cashing such cheques, pay orders, or demand drafts at other centres will be payable by the Applicant.

Refunds for Applicants other than ASBA Applicants

Within 12 Working Days of the Issue Closing Date, the Registrar to the Issue will dispatch refund orders/issue instructions for electronic refund, as applicable, of all amounts payable to unsuccessful Applicants (other than ASBA Applicants) and also any excess amount paid on Application, after adjusting for allocation/Allotment of NCDs. In case of Applicants who have applied for Allotment of NCDs in dematerialized form, the Registrar to the Issue will obtain from the Depositories the Applicant's bank account details, including the MICR code, on the basis of the DP ID and Client ID provided by the Applicant in their Application Forms, for making refunds. For Applicants who receive refunds through ECS, direct credit, RTGS or NEFT, the refund instructions will be issued to the clearing system within 12 Working Days of the Issue Closing Date.

A suitable communication will be dispatched to the Applicants receiving refunds through these modes, giving details of the amount and expected date of electronic credit of refund. Such communication will be mailed to the addresses (in India) of Applicants, as per Demographic Details received from the Depositories. The Demographic Details or the address details provided in the Application Form would be used for mailing of the physical refund orders, as applicable. Investors are advised to immediately update their bank account details as appearing on the records of their Depository Participant. Failure to do so could result in delays in credit of refund to the investors at their sole risk and neither the Lead Managers nor our Company shall have any responsibility and undertake any liability for such delays on part of the investors.

Printing of Bank Particulars on Interest Warrants

As a matter of precaution against possible fraudulent encashment of refund orders and interest/redemption warrants due to loss or misplacement, the particulars of the Applicant's bank account are mandatorily required to be given for printing on the orders/ warrants. In relation to NCDs applied and held in dematerialized form, these particulars would be taken directly from the depositories.

In case of NCDs held in physical form, either on account of rematerialisation, the investors are advised to submit their bank account details with our Company / Registrar at least seven (seven) days prior to the Record Date failing which the orders / warrants will be dispatched to the postal address of the holder of the NCD as available in the records of our Company. Bank account particulars will be printed on the orders/ warrants which can then be deposited only in the account specified.

Loan against NCDs

Pursuant to RBI Circular dated June 27, 2013, our Company, being an NBFC, is not permitted to extend any loans against the security of its NCDs.

Buy Back of NCDs

Our Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buyback of NCDs, upon such terms and conditions as may be decided by our Company.

Our Company may from time to time invite the NCD Holders to offer the NCDs held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as our Company may from time to time determine, subject to applicable statutory and/or regulatory requirements. Such NCDs which are bought back may be extinguished, re-issued and/or resold in the open market with a view of strengthening the liquidity of the NCDs in the market, subject to applicable statutory and/or regulatory requirements.

Procedure for Redemption by NCD Holders

The procedure for redemption is set out below:

NCDs held in physical form pursuant to rematerialisation of NCDs

No action would ordinarily be required on the part of the NCD Holder at the time of redemption and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of NCD Holders maintained by us on the Record Date fixed for the purpose of Redemption. However, our Company may require that the NCD certificate(s), duly discharged by the sole holder/all the joint-holders (signed on the reverse of the NCD certificate(s)) be surrendered for redemption on maturity and should be sent by the NCD Holder(s) by Registered Post with acknowledgment due or by hand delivery to our office or to such persons at such addresses as may be notified by us from time to time. NCD Holder(s) may be requested to surrender the NCD certificate(s) in the manner as stated above, not more than three months and not less than one month prior to the redemption date so as to facilitate timely payment.

We may at our discretion redeem the NCDs without the requirement of surrendering of the NCD certificates by the holder(s) thereof. In case we decide to do so, the holders of NCDs need not submit the NCD certificates to us and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of NCD Holders maintained by us on the Record Date fixed for the purpose of redemption of NCDs. In such case, the NCD certificates would be deemed to have been cancelled. Also see the para “*Payment on Redemption*” given below.

NCDs held in electronic form:

No action is required on the part of NCD Holder(s) at the time of redemption of NCDs.

Payment on Redemption

The manner of payment of redemption is set out below:

NCDs held in physical form

The payment on redemption of the NCDs will be made by way of cheque/pay order/ electronic modes. However, if our Company so requires, the aforementioned payment would only be made on the surrender of NCD certificate(s), duly discharged by the sole holder / all the joint-holders (signed on the reverse of the NCD certificate(s)). Dispatch of cheques/pay order, etc. in respect of such payment will be made on the Redemption Date or (if so requested by our Company in this regard) within a period of 30 days from the date of receipt of the duly discharged NCD certificate.

In case we decide to do so, the redemption proceeds in the manner stated above would be paid on the Redemption Date to those NCD Holders whose names stand in the Register of NCD Holders maintained by us/Registrar to the Issue on the Record Date fixed for the purpose of Redemption. Hence the transferees, if any, should ensure lodgment of the transfer documents with us at least 7 (seven) days prior to the Record Date. In case the transfer documents are not lodged with us at least 7 (seven) days prior to the Record Date and we dispatch the redemption proceeds to the transferor, claims in respect of the redemption proceeds should be settled amongst the parties inter se and no claim or action shall lie against us or the Registrars.

Our liability to holder(s) towards his/their rights including for payment or otherwise shall stand extinguished from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

NCDs held in electronic form:

On the redemption date, redemption proceeds would be paid by cheque /pay order / electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us. These names would be as per the Depositories’ records on the Record Date fixed for the purpose of redemption.

These NCDs will be simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned above, no action is required on the part of NCD Holders.

Our liability to NCD Holder(s) towards his/their rights including for payment or otherwise shall stand extinguished

from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

Issue of Duplicate NCD Certificate(s)

If any NCD certificate(s), issued pursuant to and is/are mutilated or defaced or the cages for recording transfers of NCDs are fully utilised, the same may be replaced by us against the surrender of such certificate(s). Provided, where the NCD certificate(s) are mutilated or defaced, the same will be replaced as aforesaid only if the certificate numbers and the distinctive numbers are legible.

If any NCD certificate is destroyed, stolen or lost then upon production of proof thereof to our satisfaction and upon furnishing such indemnity/security and/or documents as we may deem adequate, duplicate NCD certificate(s) shall be issued. Upon issuance of a duplicate NCD certificate, the original NCD certificate shall stand cancelled.

Right to Reissue NCD(s)

Subject to the provisions of the Companies Act, 2013, where we have fully redeemed or repurchased any NCD(s), we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or reissue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or reissuing the same NCDs or by issuing other NCDs in their place. The aforementioned right includes the right to reissue original NCDs.

Sharing of Information

We may, at our option, use on our own, as well as exchange, share or part with any financial or other information about the NCD Holders available with us, with our subsidiaries, if any and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither we or our affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee shall be published in one English language newspaper having wide circulation and one regional language daily newspaper in Chennai and/or will be sent by post/ courier or through email or other electronic media to the Registered Holders of the NCD(s) from time to time.

Future Borrowings

We will be entitled to borrow/raise loans or avail of financial assistance in whatever form as also to issue debentures/ NCDs/other securities in any manner having such ranking in priority, pari passu or otherwise, subject to applicable consents, approvals or permissions that may be required under any statutory/regulatory/contractual requirement, and change the capital structure including the issue of shares of any class, on such terms and conditions as we may think appropriate, without the consent of, or intimation to, the NCD Holders or the Debenture Trustee in this connection.

Impersonation

As a matter of abundant caution, attention of the Investors is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under section 447 of the Companies Act, 2013”

Pre-closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date, subject to receipt of minimum subscription or as may be specified in the relevant Tranche Prospectus(es). Our Company shall allot NCDs with respect to the Applications received at the time of such pre-closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements.

In the event of such early closure of the Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure or the Issue Closing Date for the relevant Tranche Issue, as applicable, through advertisement(s) in all those newspapers in which pre-issue advertisement and advertisement for opening or closure of the issue have been given.

Minimum Subscription

In terms of the Debt Regulations, an issuer undertaking a public issue of debt securities may disclose the minimum amount of subscription that it proposes to raise through the issue. Our Company shall disclose the minimum subscription for each Tranche Issue in the relevant Tranche Prospectus(es).

Utilisation of Application Amount

The sum received in respect of the Issue will be kept in separate bank accounts and we will have access to such funds as per applicable provisions of law(s), regulations and approvals.

Utilisation of Issue Proceeds

- (a) All monies received pursuant to the Issue of NCDs to public shall be transferred to a separate bank account with a scheduled commercial bank as referred to in sub-section (3) of section 40 of the Companies Act, 2013.
- (b) We shall utilize the Issue proceeds only upon execution of the documents for creation of security as stated in this Shelf Prospectus and the relevant Tranche Prospectus and on receipt of the minimum subscription and receipt of listing and trading approval from Stock Exchange(s).
- (c) The Issue proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, inter alia by way of a lease, of any immovable property or in the purchase of any business or in the purchase of an interest in any business.
- (d) Details of all monies utilised out of Issue referred to in sub-item (a) shall be disclosed under an appropriate separate head in our Balance Sheet indicating the purpose for which such monies had been utilised;
- (e) Details of all unutilised monies out of issue of NCDs, if any, referred to in sub-item (a) shall be disclosed under an appropriate separate head in our Balance Sheet indicating the form in which such unutilised monies have been invested.

Filing of this Shelf Prospectus and Tranche Prospectus(es) with the RoC

Pre-Issue Advertisement

Subject to Section 30 of the Companies Act, 2013, our Company will issue a statutory advertisement on or before the Issue Opening Date.

This advertisement will contain the information as prescribed in Schedule IV of Debt Regulations in compliance with the Regulation 8(1) of Debt Regulations.

Material updates, if any, between the date of filing of this Shelf Prospectus with ROC and the date of release of this statutory advertisement will be included in the statutory advertisement.

Listing

The NCDs offered through this Shelf Prospectus are proposed to be listed on the BSE and the NSE. Our Company has obtained an 'in-principle' approval for the Issue from the BSE *vide* their letter dated June 21, 2018 and from NSE *vide* their letter dated June 21, 2018 .

For the purposes of the Issue, BSE shall be the Designated Stock Exchange.

Our Company will use best efforts to ensure that all steps for the completion of the necessary formalities for listing at the Stock Exchanges are taken within 12 Working Days of the Issue Closing Date. For the avoidance of doubt, it is hereby clarified that in the event of non-subscription to any one or more of the Series, such Series(s) of NCDs shall not be listed.

If permissions to deal in and for an official quotation of our NCDs are not granted by the Stock Exchange, our Company will forthwith repay, without interest, all moneys received from the applicants in pursuance of this Shelf Prospectus.

Guarantee/Letter of Comfort

The Issue is not backed by a guarantee or letter of comfort or any other document and/or letter with similar intent.

Monitoring & Reporting of Utilisation of Issue Proceeds

There is no requirement for appointment of a monitoring agency in terms of the Debt Regulations. Our Board shall monitor the utilization of the proceeds of the Issue.

For the relevant quarters commencing from the financial year ending March 31, 2018, our Company will disclose in our quarterly financial statements, the utilization of the net proceeds of the Issue under a separate head along with details, if any, in relation to all such proceeds of the Issue that have not been utilized thereby also indicating investments, if any, of such unutilized proceeds of the Issue.

Lien

Our Company will have the right of set-off and lien, present as well as future on the moneys due and payable to the NCD Holder, to the extent of all outstanding dues, if any by the NCD Holder to our Company.

Lien on Pledge of NCDs

Subject to applicable laws, our Company, at its discretion, may note a lien on pledge of NCDs if such pledge of NCDs is accepted by any bank or institution for any loan provided to the NCD Holder against pledge of such NCDs as part of the funding.

ISSUE PROCEDURE

This chapter applies to all Applicants. ASBA Applicants should note that the ASBA process involves application procedures which may be different from the procedures applicable to Applicants who apply for NCDs through any of the other channels, and accordingly should carefully read the provisions applicable to ASBA Applications hereunder. Please note that all Applicants are required to make payment of the full Application Amount along with the Application Form. In case of ASBA Applicants, an amount equivalent to the full Application Amount will be blocked by the Designated Branches of the SCSBs.

ASBA Applicants should note that they may submit their ASBA Applications to the Members of Consortium, or Trading Members of the Stock Exchanges only in the Specified Cities or directly to the Designated Branches of the SCSBs. Applicants other than ASBA Applicants are required to submit their Applications to the Lead Manager, or Trading Members of the Stock Exchanges at the centres mentioned in the Application Form. For further information, please refer to “- Submission of Completed Application Forms” on page 486.

Applicants are advised to make their independent investigations and ensure that their Applications do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable law or as specified in this Shelf Prospectus.

Please note that this section has been prepared based on the circular no. CIR/IMD/DF-1/20/2012 dated July 27, 2012 issued by SEBI (“Debt Application Circular”). The procedure mentioned in this section is subject to the Stock Exchanges putting in place the necessary systems and infrastructure for implementation of the provisions of the abovementioned circular, including the systems and infrastructure required in relation to Applications made through the Direct Online Application Mechanism and the online payment gateways to be offered by Stock Exchanges and accordingly is subject to any further clarifications, notification, modification, direction, instructions and/or correspondence that may be issued by the Stock Exchanges and/or SEBI. Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchange and the Stock Exchange has confirmed that the necessary infrastructure and facilities for the same have not been implemented by the Stock Exchange. Hence, the Direct Online Application facility will not be available for this Issue.

Specific attention is drawn to the circular (No. CIR/IMD/DF/18/2013) dated October 29, 2013 issued by SEBI, which amends the provisions of the 2012 SEBI Circular to the extent that it provides for allotment in public issues of debt securities to be made on the basis of date of upload of each application into the electronic book of the Stock Exchanges, as opposed to the date and time of upload of each such application.

PLEASE NOTE THAT ALL TRADING MEMBERS OF THE STOCK EXCHANGES WHO WISH TO COLLECT AND UPLOAD APPLICATIONS IN THIS ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY THE STOCK EXCHANGES WILL NEED TO APPROACH THE RESPECTIVE STOCK EXCHANGES AND FOLLOW THE REQUISITE PROCEDURES AS MAY BE PRESCRIBED BY THE RELEVANT STOCK EXCHANGE. THE FOLLOWING SECTION MAY CONSEQUENTLY UNDERGO CHANGE BETWEEN THE DATES OF THIS SHELF PROSPECTUS, THE ISSUE OPENING DATE AND THE ISSUE CLOSING DATE.

THE LEAD MANAGERS, THE CONSORTIUM MEMBERS AND THE COMPANY SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY ERRORS OR OMISSIONS ON THE PART OF THE TRADING MEMBERS IN CONNECTION WITH THE RESPONSIBILITIES OF SUCH TRADING MEMBERS INCLUDING BUT NOT LIMITED TO COLLECTION AND UPLOAD OF APPLICATIONS IN THIS ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY THE STOCK EXCHANGE. FURTHER, THE RELEVANT STOCK EXCHANGES SHALL BE RESPONSIBLE FOR ADDRESSING INVESTOR GRIEVANCES ARISING FROM APPLICATIONS THROUGH TRADING MEMBERS REGISTERED WITH SUCH STOCK EXCHANGE.

For purposes of the Issue, the term “Working Day” shall mean all days excluding Sundays or a holiday of commercial banks in Mumbai, except with reference to Issue Period, where Working Days shall mean all days, excluding Saturdays, Sundays and public holiday in India. Furthermore, for the purpose of post issue period, i.e. period beginning from Issue Closure to listing of the securities, Working Days shall mean all days excluding Sundays or a holiday of commercial banks in Mumbai or a public holiday in India.

The information below is given for the benefit of the investors. Our Company and the Members of Consortium

are not liable for any amendment or modification or changes in applicable laws or regulations, which may occur after the date of this Shelf Prospectus.

Brokers having online demat account portals may also provide a facility of submitting the Application Forms (ASBA as well as non-ASBA Applications) online to their account holders. Under this facility, a broker receives an online instruction through its portal from the Applicant for making an Application on his/ her behalf. Based on such instruction, and a power of attorney granted by the Applicant to authorise the broker, the broker makes an Application on behalf of the Applicant.

APPLICATIONS FOR ALLOTMENT OF NCDs

Submission of ASBA Applications

Applicants can also apply for NCDs using the ASBA facility. ASBA Applications can be submitted through either of the following modes:

- (a) Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of ASBA Application in physical mode, the ASBA Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Investor's bank records, as mentioned in the ASBA Application, prior to uploading such ASBA Application into the electronic system of the Stock Exchange. **If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such ASBA Application and shall not upload such ASBA Application in the electronic system of the Stock Exchange.** If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the ASBA Application in the electronic system of the Stock Exchange. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application. In case of Application in the electronic mode, the ASBA Applicant shall submit the ASBA Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly registering such ASBA Applications.

- (b) Physically through the Members of Consortium, or Trading Members of the Stock Exchanges only at the Specified Cities (Mumbai, Chennai, Kolkata, Delhi, Ahmedabad, Rajkot, Jaipur, Bangalore, Hyderabad, Pune, Vadodara and Surat), i.e. Syndicate ASBA. Kindly note that ASBA Applications submitted to the Members of Consortium or Trading Members of the Stock Exchanges at the Specified Cities will not be accepted if the SCSB where the ASBA Account, as specified in the ASBA Application, is maintained has not named at least one branch at that Specified City for the Members of Consortium or Trading Members of the Stock Exchange, as the case may be, to deposit ASBA Applications (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>).

Upon receipt of the Application Form by the Members of Consortium or Trading Members of the Stock Exchange, as the case may be, an acknowledgement shall be issued by giving the counter foil of the Application Form to the ASBA Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchanges and the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Specified City, named by such SCSB to accept such ASBA Applications from the Members of Consortium or Trading Members of the Stock Exchange, as the case may be (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>). Upon receipt of the ASBA Application, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the ASBA Form. **If sufficient funds are not available in the ASBA Account, the relevant ASBA Application is liable to be rejected.** If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the ASBA Application. The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be.

ASBA Applicants must note that:

- (a) Physical Application Forms will be available with the Designated Branches of the SCSBs and with the Members of Consortium and Trading Members of the Stock Exchanges at the Specified Cities; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchanges at least one day prior to the Issue Opening Date. Application Forms will also be provided to the Trading Members of the Stock Exchanges at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that the Tranche Prospectus is made available on their websites.
- (b) The Designated Branches of the SCSBs shall accept ASBA Applications directly from ASBA Applicants only during the Issue Period. The SCSB shall not accept any ASBA Applications directly from ASBA Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, in case of Syndicate ASBA, the relevant branches of the SCSBs at Specified Cities can accept ASBA Applications from the Members of Consortium or Trading Members of the Stock Exchange, as the case may be, after the closing time of acceptance of Applications on the Issue Closing Date. For further information on the Issue programme, please refer to “**General Information – Issue Programme**” on page 43.
- (c) In case of Applications through Syndicate ASBA, the physical Application Form shall bear the stamp of the Members of Consortium or Trading Members of the Stock Exchange, as the case maybe, if not, the same shall be rejected. **Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.**

Please note that ASBA Applicants can make an Application for Allotment of NCDs in the dematerialized form only.

Submission of Non-ASBA Applications

Applicants must use the specified Application Form, which will be serially numbered, bearing the stamp of the relevant Lead Manager or Trading Member of the Stock Exchange, as the case maybe, from whom such Application Form is obtained. Such Application Form must be submitted to the relevant Lead Manager, Consortium Members or Trading Member of the Stock Exchange, as the case maybe, at the centers mentioned in the Application Form along with the cheque or bank draft for the Application Amount, before the closure of the

Issue Period. **Applicants must use only CTS compliant instruments and refrain from using NON-CTS 2010 instruments for the payment of the Application Amount.** The Stock Exchanges may also provide Application Forms for being downloaded and filled. Accordingly, the investors may download Application Forms and submit the completed Application Forms together with cheques/ demand drafts to the Lead Manager, Consortium Members or Trading Member of the Stock Exchanges at the centers mentioned in the Application Form. On submission of the complete Application Form, the relevant Lead Manager, Consortium Members or Trading Member of the Stock Exchange, as the case maybe, will upload the Application Form on the electronic system provided by the Stock Exchange, and once an Application Form has been uploaded, issue an acknowledgement of such upload by stamping the acknowledgement slip attached to the Application Form with the relevant date and time and return the same to the Applicant. Thereafter, the Application Form together with the cheque or bank draft shall be forwarded to the Escrow Collection Banks for realization and further processing.

The duly stamped acknowledgment slip will serve as a duplicate Application Form for the records of the Applicant. The Applicant must preserve the acknowledgment slip and provide the same in connection with:

1. any cancellation/ withdrawal of their Application;
2. queries in connection with allotment and/ or refund(s) of NCDs; and/or
3. all investor grievances/ complaints in connection with the Issue.

All cheques / bank drafts accompanying the Applications made by eligible Applicants should be crossed “A/c Payee only” and must be made payable to the escrow account as provided for in relevant Tranche Prospectus(es).

The Members of the Syndicate/ Trading Members of the Stock Exchanges, upon receipt of the Non-ASBA Applications, shall upload all the details of the Applications on the online platform of the Stock Exchanges. The Members of the Syndicate/ Trading Members of the Stock Exchanges shall thereafter submit the physical Application Form along with the cheque/ bank draft to the Escrow Collection Banks. The Members of the Syndicate/ Trading Members of the Stock Exchanges are requested to note that all Applications are required to be banked with only the designated branches of Escrow Collection Banks.

INSTRUCTIONS FOR FILLING-UP THE APPLICATION FORM

General Instructions

A. General instructions for completing the Application Form

- Applications must be made in prescribed Application Form only;
- Application Forms must be completed in block letters in English, as per the instructions contained in this Shelf Prospectus, the abridged Tranche Prospectus and the Application Form.
- If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names.
- Applications should be in single or joint names and not exceeding three names, and in the same order as their Depository Participant details (in case of Applicants applying for Allotment of the Bonds in dematerialized form) and Applications should be made by Karta in case the Applicant is an HUF. Please ensure that such Applications contain the PAN of the HUF and not of the Karta.
- Applicants applying for Allotment in dematerialised form must provide details of valid and active DP ID, Client ID and PAN clearly and without error. On the basis of such Applicant’s active DP ID, Client ID and PAN provided in the Application Form, and as entered into the electronic Application system of Stock Exchanges by SCSBs, the Members of the Syndicate at the Syndicate ASBA Application Locations and the Trading Members, as the case may be, the Registrar will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs.
- Applications must be for a minimum of 10 NCDs and in multiples of one NCD thereafter. For the purpose of fulfilling the requirement of minimum application size of 10 NCDs, an Applicant may choose to apply for 10 NCDs of the same series or across different series. Applicants may apply for one or more series of NCDs Applied for in a single Application Form.

- If the ASBA Account holder is different from the ASBA Applicant, the Application Form should be signed by the ASBA Account holder also, in accordance with the instructions provided in the Application Form.
- If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.
- Applications should be made by Karta in case of HUFs. Applicants are required to ensure that the PAN details of the HUF are mentioned and not those of the Karta;
- Thumb impressions and signatures other than in English/Hindi/Gujarati/Marathi or any other languages specified in the 8th Schedule of the Constitution needs to be attested by a Magistrate or Notary Public or a Special Executive Magistrate under his/her seal;
- No separate receipts will be issued for the money payable on the submission of the Application Form. However, the Members of Consortium, Trading Members of the Stock Exchanges or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the relevant Lead Manager, Trading Member of the Stock Exchanges or the Designated Branch of the SCSBs, as the case may be.
- Every Applicant should hold valid Permanent Account Number (PAN) and mention the same in the Application Form.
- All Applicants are required to tick the relevant column of “Category of Investor” in the Application Form.
- All Applicants are required to tick the relevant box of the “Mode of Application” in the Application Form choosing either ASBA or Non-ASBA mechanism.
- ASBA Applicants should correctly mention the ASBA Account number and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form to the Designated Branch and also ensure that the signature in the Application Form matches with the signature in Applicant’s bank records, otherwise the Application is liable to be rejected

The series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Members of Consortium, Trading Member of the Stock Exchanges in the data entries as such data entries will be considered for allotment.

Applicants should note that neither the Members of Consortium, Trading Member of the Stock Exchange, Escrow Collection Banks nor Designated Branches, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms.

Our Company would allot the series of NCDs, as specified in the relevant Tranche Prospectus to all valid Applications, wherein the Applicants have not indicated their choice of the relevant series of NCDs.

B. Applicant’s Beneficiary Account and Bank Account Details

Applicants applying for Allotment in dematerialized form must mention their DP ID and Client ID in the Application Form, and ensure that the name provided in the Application Form is exactly the same as the name in which the Beneficiary Account is held. In case the Application Form for Allotment in dematerialized form is submitted in the first Applicant’s name, it should be ensured that the Beneficiary Account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID and PAN mentioned in the Application Form for Allotment in dematerialized form and entered into the electronic system of the Stock Exchanges do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form for Allotment in dematerialized form is liable to be rejected. Further, Application Forms submitted by Applicants applying for Allotment in dematerialized form, whose beneficiary accounts are inactive, will be rejected.

On the basis of the DP ID and Client ID provided by the Applicant in the Application Form for Allotment in

dematerialized form and entered into the electronic system of the Stock Exchange, the Registrar to the Issue will obtain from the Depositories the Demographic Details of the Applicant including PAN, address, bank account details for printing on refund orders/sending refunds through electronic mode, Magnetic Ink Character Recognition (“**MICR**”) Code and occupation. These Demographic Details would be used for giving Allotment Advice and refunds (including through physical refund warrants, direct credit, NACH, NEFT and RTGS), if any, to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details as appearing on the records of the DP and ensure that they are true and correct, and carefully fill in their Beneficiary Account details in the Application Form. Failure to do so could result in delays in dispatch/credit of refunds to Applicants and delivery of Allotment Advice at the Applicants’ sole risk, and neither our Company, the Members of Consortium, Trading Members of the Stock Exchange, Escrow Collection Bank(s), SCSBs, Registrar to the Issue nor the Stock Exchanges will bear any responsibility or liability for the same.

The Demographic Details would be used for correspondence with the Applicants including mailing of the Allotment Advice and printing of bank particulars on the refund orders, or for refunds through electronic transfer of funds, as applicable. Allotment Advice and physical refund orders (as applicable) would be mailed at the address of the Applicant as per the Demographic Details received from the Depositories. Applicants may note that delivery of refund orders/ Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. In such an event, the address and other details given by the Applicant (other than ASBA Applicants) in the Application Form would be used only to ensure dispatch of refund orders.

Please note that any such delay shall be at such Applicants sole risk and neither our Company, the Members of Consortium, Trading Members of the Stock Exchange, Escrow Collection Banks, SCSBs, Registrar to the Issue nor the Stock Exchanges shall be liable to compensate the Applicant for any losses caused to the Applicant due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in this Shelf Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

In case of Applications made under power of attorney, our Company in its absolute discretion, reserves the right to permit the holder of Power of Attorney to request the Registrar that for the purpose of printing particulars on the refund order and mailing of refund orders/ Allotment Advice, the demographic details obtained from the Depository of the Applicant shall be used. By signing the Application Form, the Applicant would have deemed to have authorized the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to the Issue.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to the Issue will be made into the accounts of such Applicants. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the three parameters, namely, DP ID, Client ID and PAN, then such Application are liable to be rejected.

C. Permanent Account Number (PAN)

The Applicant should mention his or her Permanent Account Number (PAN) allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the Central or State Government officials and the officials appointed by the courts in terms of a SEBI circular dated June 30, 2008 and Applicants residing in the state of Sikkim who in terms of a SEBI circular dated July 20, 2006 may be exempt from specifying their PAN for transacting in the securities market. In accordance with Circular No. MRD/DOP/Cir-05/2007 dated April 27, 2007 issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. **Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.**

However, the exemption for the Central or State Government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants’ verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN Field i.e. either Sikkim category or exempt category.

D. Joint Applications

Applications may be made in single or joint names (not exceeding three). In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.

E. Additional/ Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs for the same or other series of NCDs, subject to a minimum application size as specified in the relevant Tranche Prospectus and in multiples of thereafter as specified in the relevant Tranche Prospectus. **Any Application for an amount below the aforesaid minimum application size will be deemed as an invalid application and shall be rejected.** However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹ 10 lakhs shall be deemed such individual Applicant to be a HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the basis of allotment to such Applicant. However, any Application made by any person in his individual capacity and an Application made by such person in his capacity as a Karta of a Hindu Undivided family and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under the Issue, Applications shall be grouped based on the PAN, i.e. Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN number of the sole or the first Applicant is one and the same.

Do's and Don'ts

Applicants are advised to take note of the following while filling and submitting the Application Form:

Do's

1. Check if you are eligible to apply as per the terms of this Shelf Prospectus, the relevant Tranche Prospectus and applicable law;
2. Read all the instructions carefully and complete the Application Form in the prescribed form;
3. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory authorities to apply for, subscribe to and/or seek Allotment of NCDs pursuant to the Issue.
4. Ensure that the DP ID and Client ID are correct and beneficiary account is activated for Allotment of NCDs in dematerialized form. The requirement for providing Depository Participant details shall be mandatory for all Applicants.
5. Ensure that the Application Forms are submitted at the Collection Centres provided in the Application Forms, bearing the stamp of a member of the Consortium or Trading Members of the Stock Exchange, as the case may be, for Applications other than ASBA Applications.
6. Ensure that you have been given an acknowledgement as proof of having accepted the Application Form;
7. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic application platform of the Stock Exchanges as per the procedures and requirements prescribed by each relevant Stock Exchange, ensure that you have first withdrawn your original Application and submit a fresh Application. For instance, as per the notice No: 20120831-22 dated August 31, 2012 issued by the NSE, fields namely, quantity, series, application no., sub-category codes will not be allowed for modification during the Issue. In such a case the date of the fresh Application will be considered for date priority for allotment purposes.
8. Ensure that signatures other than in the languages specified in the Eighth Schedule to the Constitution of India is attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal.
9. Ensure that the DP ID, the Client ID and the PAN mentioned in the Application Form, which shall be entered

into the electronic system of the Stock Exchange, match with the DP ID, Client ID and PAN available in the Depository database;

10. In case of an HUF applying through its Karta, the Applicant is required to specify the name of an Applicant in the Application Form as 'XYZ Hindu Undivided Family applying through PQR', where PQR is the name of the Karta. However, the PAN number of the HUF should be mentioned in the Application Form and not that of the Karta;
11. Ensure that the Applications are submitted to the Members of Consortium, Trading Members of the Stock Exchanges or Designated Branches of the SCSBs, as the case may be, before the closure of application hours on the Issue Closing Date. For further information on the Issue programme, please refer to "**General Information – Issue Programme**" on page 43.
12. Ensure that the Demographic Details including PAN are updated, true and correct in all respects;
13. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory authorities to apply for, subscribe to and/or seek allotment of NCDs pursuant to the Issue;
14. **Permanent Account Number:** Except for Application (i) on behalf of the Central or State Government and officials appointed by the courts, and (ii) (subject to SEBI circular dated April 3, 2008) from the residents of the state of Sikkim, each of the Applicants should provide their PAN. Application Forms in which the PAN is not provided will be rejected. The exemption for the Central or State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the demographic details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the demographic details evidencing the same;
15. Ensure that if the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form;
16. Applicants (other than ASBA Applicants) are requested to write their names and Application serial number on the reverse of the instruments by which the payments are made;
17. All Applicants are requested to tick the relevant column "Category of Investor" in the Application Form; and
18. Tick the series of NCDs in the Application Form that you wish to apply for.

The Reserve Bank of India has issued standard operating procedure in terms of paragraph 2(a) of RBI circular number DPSS.CO.CHD.No./133/04.07.05/2013-14 dated July 16, 2013, detailing the procedure for processing CTS 2010 and non-CTS 2010 instruments in the three CTS grid locations.

SEBI Circular No. CIR/CFD/DIL/1/2011 dated April 29, 2011 stipulating the time between closure of the Issue and listing at 12 Working Days. In order to enable compliance with the above timelines, investors are advised to use CTS cheques or use ASBA facility to make payment. Investors using non-CTS cheques are cautioned that applications accompanied by such cheques are liable to be rejected due to any clearing delays beyond 6 Working Days from the date of the closure of the Issue to avoid any delay in the timelines mentioned in the aforesaid SEBI Circular.

Don'ts:

1. Do not apply for lower than the minimum application size;
2. Do not pay the Application Amount in cash, by money order or by postal order or by stock invest;
3. Do not send Application Forms by post; instead submit the same to the Members of Consortium, sub-brokers, Trading Members of the Stock Exchanges or Designated Branches of the SCSBs, as the case may be;

7. Do not submit the Application Forms without the full Application Amount;
8. Do not submit Applications on plain paper or on incomplete or illegible Application Forms;
9. Do not apply if you are not competent to contract under the Indian Contract Act, 1872;
10. Do not submit an Application in case you are not eligible to acquire NCDs under applicable law or your relevant constitutional documents or otherwise;
11. Do not submit an Application that does not comply with the securities law of your respective jurisdiction;
12. Do not apply if you are a person ineligible to apply for NCDs under the Issue including Applications by Persons Resident Outside India, NRI (inter-alia including NRIs who are (i) based in the USA, and/or, (ii) domiciled in the USA, and/or, (iii) residents/citizens of the USA, and/or, (iv) subject to any taxation laws of the USA);
13. Applicants other than ASBA Applicants should not submit the Application Form directly to the Escrow Collection Banks/ Bankers to the Issue, and the same will be rejected in such cases; and
14. Do not make an application of the NCD on multiple copies taken of a single form.

Additional Instructions Specific to ASBA Applicants

Do's:

1. Before submitting the physical Application Form with the Member of the Syndicate at the Syndicate ASBA Application Locations ensure that the SCSB, whose name has been filled in the Application Form, has named a branch in that centre;
2. Ensure that you tick the ASBA option in the Application Form and give the correct details of your ASBA Account including bank account number/ bank name and branch;
3. For ASBA Applicants applying through Syndicate ASBA, ensure that your Application Form is submitted to the Members of the Syndicate at the Syndicate ASBA Application Locations or the Trading Members and not to the Escrow Collection Banks (assuming that such bank is not a SCSB), to the Issuer, the Registrar;
4. For ASBA Applicants applying through the SCSBs, ensure that your Application Form is submitted at a Designated Branch of the SCSB where the ASBA Account is maintained, and not to the Escrow Collection Banks (assuming that such bank is not a SCSB), to the Issuer, the Registrar or the Members of the Syndicate or Trading Members;
5. Ensure that the Application Form is signed by the ASBA Account holder in case the ASBA Applicant is not the account holder;
6. Ensure that you have mentioned the correct ASBA Account number in the Application Form;
7. Ensure that you have funds equal to the Application Amount in the ASBA Account before submitting the Application Form to the respective Designated Branch, or to the Members of the Syndicate at the Syndicate ASBA Application Locations, or to the Trading Members, as the case may be;
8. Ensure that you have correctly ticked, provided or checked the authorisation box in the Application Form, or have otherwise provided an authorisation to the SCSB via the electronic mode, for the Designated Branch to block funds in the ASBA Account equivalent to the Application Amount mentioned in the Application Form;
9. Ensure that you receive an acknowledgement from the Designated Branch or the concerned member of the Syndicate, or the Trading Member, as the case may be, for the submission of the Application Form; and
10. In terms of SEBI Circular no. CIR/CFD/DIL/1/2013 dated January 2, 2013, SCSBs making applications on their own account using ASBA facility, should have a separate account in their own name with any other SEBI registered SCSB. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for ASBA applications.

Don'ts:

1. Payment of Application Amount in any mode other than through blocking of Application Amount in the ASBA Accounts shall not be accepted under the ASBA process;
2. Do not submit the Application Form to the Members of Consortium or Trading Members of the Stock Exchange, as the case may be, at a location other than the Specified Cities.
3. Do not send your physical Application Form by post. Instead submit the same to a Designated Branch or the Members of Consortium or Trading Members of the Stock Exchange, as the case may be, at the Specified Cities; and
4. Do not submit more than five Application Forms per ASBA Account.

Kindly note that ASBA Applications submitted to the Members of Consortium or Trading Members of the Stock Exchanges at the Specified Cities will not be accepted if the SCSB where the ASBA Account, as specified in the Application Form, is maintained has not named at least one branch at that Specified City for the Members of Consortium or Trading Members of the Stock Exchange, as the case may be, to deposit such Application Forms (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>)).

Please refer to “*Rejection of Applications*” on page 486 for information on rejection of Applications.

TERMS OF PAYMENT

The entire issue price for the NCDs is payable on Application only. In case of Allotment of lesser number of NCDs than the number applied, our Company shall refund the excess amount paid on Application to the Applicant (or the excess amount shall be unblocked in the ASBA Account, as the case may be).

Payment mechanism for ASBA Applicants

The ASBA Applicants shall specify the ASBA Account number in the Application Form.

For ASBA Applications submitted to the Members of Consortium or Trading Members of the Stock Exchanges at the Specified Cities, the ASBA Application will be uploaded onto the electronic system of the Stock Exchanges and deposited with the relevant branch of the SCSB at the Specified City named by such SCSB to accept such ASBA Applications from the Members of Consortium or Trading Members of the Stock Exchange, as the case may be (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>). The relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application.

For ASBA Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application, before entering the ASBA Application into the electronic system of the Stock Exchange. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account.

ASBA Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the ASBA Application to the Members of Consortium or Trading Members of the Stock Exchange, as the case may be, at the Specified Cities or to the Designated Branches of the SCSBs. An ASBA Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved, and upon receipt of intimation from the Registrar, the controlling branch of the SCSB shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account. The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs

on the basis of the instructions issued in this regard by the Registrar to the respective SCSB within 12 (twelve) Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the ASBA Application, as the case may be.

Escrow Mechanism for Applicants other than ASBA Applicants

Our Company shall open an Escrow Account with each of the Escrow Collection Bank(s) in whose favour the Applicants (other than ASBA Applicants) shall draw the cheque or demand draft in respect of his or her Application. Cheques or demand drafts received for the full Application Amount from Applicants would be deposited in the Escrow Account(s). All cheques/ bank drafts accompanying the Application should be crossed “A/c Payee only” for eligible Applicants must be made payable to the account details as specified in the relevant Tranche Prospectus. **Applicants must use only CTS compliant instruments and refrain from using NON-CTS 2010 instruments for the payment of the Application Amount.**

The Escrow Collection Bank(s) shall transfer the funds from the Escrow Account into the Public Issue Account(s), as per the terms of the Escrow Agreement and this Shelf Prospectus.

The Escrow Collection Banks will act in terms of this Shelf Prospectus, the relevant Tranche Prospectus and the Escrow Agreement. The Escrow Collection Banks, for and on behalf of the Applicants, shall maintain the monies in the Escrow Account until the Designated Date. The Escrow Collection Banks shall not exercise any lien whatsoever over the monies deposited therein and shall hold the monies therein in trust for the Applicants. On the Designated Date, the Escrow Collection Banks shall transfer the funds represented by Allotment of NCDs (other than in respect of Allotment to successful ASBA Applicants) from the Escrow Account, as per the terms of the Escrow Agreement, into the Public Issue Account(s) maintained with the Bankers to the Issue provided that our Company will have access to such funds only after receipt of minimum subscription and creation of security for the NCDs as described in relevant Tranche Prospectus, receipt of final listing and trading approval from the Stock Exchanges and execution of the Debenture Trust Deed.

The balance amount after transfer to the Public Issue Account(s) shall be transferred to the Refund Account. Payments of refund to the relevant Applicants shall also be made from the Refund Account as per the terms of the Escrow Agreement, this Shelf Prospectus and the relevant Tranche Prospectus.

The Applicants should note that the escrow mechanism is not prescribed by SEBI and has been established as an arrangement between our Company, the Lead Managers, the Escrow Collection Banks and the Registrar to the Issue to facilitate collections from the Applicants.

Each Applicant shall draw a cheque or demand draft mechanism for the entire Application Amount as per the following terms:

1. All Applicants would be required to pay the full Application Amount at the time of the submission of the Application Form.
2. The Applicants shall, with the submission of the Application Form, draw a payment instrument for the Application Amount in favour of the Escrow Accounts and submit the same along with their Application. If the payment is not made favouring the Escrow Accounts along with the Application Form, the Application is liable to be rejected by the Escrow Collection Banks. Application Forms accompanied by cash, stockinvest, money order or postal order will not be accepted.
3. The payment instruments for payment into the Escrow Account should be drawn as specified in the relevant Tranche Prospectus.
4. The monies deposited in the Escrow Accounts will be held for the benefit of the Applicants (other than ASBA Applicants) till the Designated Date.
5. On the Designated Date, the Escrow Collection Banks shall transfer the funds from the Escrow Accounts as per the terms of the Escrow Agreement into the Public Issue Account(s) with the Bankers to the Issue and the refund amount shall be transferred to the Refund Account.

6. Payments should be made by cheque or demand draft drawn on any bank (including a co-operative bank), which is situated at, and is a member of or sub-member of the bankers' clearing house located at the centre where the Application Form is submitted. Outstation cheques, post-dated cheques and cheques/ bank drafts drawn on banks not participating in the clearing process will not be accepted and Applications accompanied by such cheques or bank drafts are liable to be rejected. Cash/ stockinvest/ money orders/ postal orders will not be accepted. Please note that cheques without the nine-digit Magnetic Ink Character Recognition ("MICR") code are liable to be rejected.
7. Applicants are advised to provide the Application Form number on the reverse of the cheque or bank draft to avoid misuse of instruments submitted with the Application Form.
8. Applicants must use only CTS compliant instruments and refrain from using NON-CTS 2010 instruments for the payment of the Application Amount.

Payment by cash/ stockinvest/ money order

Payment through cash/ stockinvest/ money order shall not be accepted in this Issue.

Information for Applicants

In case of ASBA Applications submitted to the SCSBs, in terms of the SEBI circular CIR/CFD/DIL/3/2010 dated April 22, 2010, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchanges and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID and PAN. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such ASBA Applications or treat such ASBA Applications as rejected.

In case of ASBA Applicants submitted to the Members of Consortium, and Trading Members of the Stock Exchanges at the Specified Cities, the basis of allotment will be based on the Registrar’s validation of the electronic details with the Depository records, and the complete reconciliation of the final certificates received from the SCSBs with the electronic details in terms of the SEBI circular CIR/CFD/DIL/1/2011 dated April 29, 2011. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records or treat such ASBA Application as rejected.

In case of non-ASBA Applications, the basis of allotment will be based on the Registrar’s validation of the electronic details with the Depository records, and the complete reconciliation of the final certificates received from the Escrow Collection Banks with the electronic details in terms of the SEBI circular CIR/CFD/DIL/3/2010 dated April 22, 2010 and the SEBI circular CIR/CFD/DIL/1/2011 dated April 29, 2011. The Registrar will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records or treat such Applications as rejected.

Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship).

In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

Within 12 Working Days of the Issue Closing Date, the Registrar to the Issue will dispatch refund orders/ give instructions for electronic refund, as applicable, of all amounts payable to unsuccessful Applicants (other than ASBA Applicants) and also any excess amount paid on Application, after adjusting for allocation/ Allotment of NCDs.

The Registrar to the Issue will obtain from the Depositories the Applicant's bank account details, including the MICR code, on the basis of the DP ID and Client ID provided by the Applicant in their Application Forms, for making refunds.

For Applicants who receive refunds through ECS, direct credit, RTGS or NEFT, the refund instructions will be given to the clearing system within 12 Working Days from the Issue Closing Date. A suitable communication shall be dispatched to the Applicants receiving refunds through these modes, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund. Such communication will be mailed to the addresses of Applicants, as per the Demographic Details received from the Depositories.

The Demographic Details would be used for mailing of the physical refund orders, as applicable.

Mode of making refunds for Applicants other than ASBA Applicants

The payment of refund, if any, for Applicants other than ASBA Applicants would be done through any of the following modes:

1. Direct Credit – Applicants having bank accounts with the Refund Bank(s), as per Demographic Details received from the Depositories, shall be eligible to receive refunds through direct credit. Charges, if any, levied by the Refund Bank(s) for the same would be borne by our Company.
2. NACH – National Automated Clearing House which is a consolidated system of ECS. Payment of refund would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition (MICR) code wherever applicable from the depository. The payment of refund through NACH is mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get refunds through NEFT or Direct Credit or RTGS.
3. RTGS – Applicants having a bank account at any of the centres where such facility has been made available and whose refund amount exceeds ₹ 2.0 lakhs, have the option to receive refund through RTGS provided the Demographic Details downloaded from the Depositories contain the nine digit MICR code of the Applicant's bank which can be mapped with the RBI data to obtain the corresponding Indian Financial System Code (IFSC). Charges, if any, levied by the Applicant's bank receiving the credit would be borne by the Applicant.
4. NEFT – Payment of refund shall be undertaken through NEFT wherever the Applicant's bank has been assigned the Indian Financial System Code (IFSC), which can be linked to a Magnetic Ink Character Recognition (MICR), if any, available to that particular bank branch. IFSC will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Applicants have registered their nine digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC of that particular bank branch and the payment of refund will be made to the Applicants through this method. The process flow in respect of refunds by way of NEFT is at an evolving stage, hence use of NEFT is subject to operational feasibility, cost and process efficiency. In the event that NEFT is not operationally feasible, the payment of refunds would be made through any one of the other modes as discussed in the sections.
5. For all other Applicants, including those who have not updated their bank particulars with the MICR code, the refund orders will be dispatched through Speed Post or Registered Post. Such refunds will be made by cheques, pay orders or demand drafts drawn on the relevant Refund Bank and payable at par at places where Applications are received. Bank charges, if any, for cashing such cheques, pay orders or demand drafts at other centres will be payable by the Applicants.

Mode of making refunds for ASBA Applicants

In case of ASBA Applicants, the Registrar shall instruct the relevant SCSB to unblock the funds in the relevant ASBA Account for withdrawn, rejected or unsuccessful or partially successful ASBA Applications within 12 Working Days of the Issue Closing Date.

ISSUANCE OF ALLOTMENT ADVICE

With respect to Applicants other than ASBA Applicants, our Company shall (i) ensure dispatch of Allotment Advice/ intimation within 12 Working Days of the Issue Closing Date, and (ii) give instructions for credit of NCDs to the beneficiary account with Depository Participants, for successful Applicants who have been allotted NCDs in dematerialized form, within 12 Working Days of the Issue Closing Date. The Allotment Advice for successful Applicants who have been allotted NCDs in dematerialized form will be mailed to their addresses as per the Demographic Details received from the Depositories.

With respect to the ASBA Applicants, our Company shall ensure dispatch of Allotment Advice and/ or give instructions for credit of NCDs to the beneficiary account with Depository Participants within 12 Working Days of the Issue Closing Date. The Allotment Advice for successful ASBA Applicants will be mailed to their addresses as per the Demographic Details received from the Depositories.

Our Company shall use best efforts to ensure that all steps for completion of the necessary formalities for commencement of trading at the Stock Exchanges where the NCDs are proposed to be listed are taken within 12 Working Days from the Issue Closing Date.

Allotment Advices shall be issued, or Application Amount shall be refunded within fifteen days from the Issue Closing Date or such lesser time as may be specified by SEBI or else the application amount shall be refunded to the applicants forthwith, failing which interest shall be due to be paid to the applicants at the rate of fifteen per cent. per annum for the delayed period

Our Company will provide adequate funds required for dispatch of refund orders and Allotment Advice, as applicable, to the Registrar to the Issue.

OTHER INFORMATION

Withdrawal of Applications during the Issue Period

Withdrawal of ASBA Applications

ASBA Applicants can withdraw their ASBA Applications during the Issue Period by submitting a request for the same to Consortium Member, Trading Member of the Stock Exchanges or the Designated Branch, as the case may be, through whom the ASBA Application had been placed. In case of ASBA Applications submitted to the Consortium Member, or Trading Members of the Stock Exchanges at the Specified Cities, upon receipt of the request for withdrawal from the ASBA Applicant, the relevant Consortium Member, or Trading Member of the Stock Exchange, as the case may be, shall do the requisite, including deletion of details of the withdrawn ASBA Application Form from the electronic system of the Stock Exchange. In case of ASBA Applications submitted directly to the Designated Branch of the SCSB, upon receipt of the request for withdrawal from the ASBA Applicant, the relevant Designated Branch shall do the requisite, including deletion of details of the withdrawn ASBA Application Form from the electronic system of the Stock Exchanges and unblocking of the funds in the ASBA Account directly.

Withdrawal of Non-ASBA Applications

Non-ASBA Applicants can withdraw their Applications during the Issue Period by submitting a request for the same to Consortium Member, or Trading Member of the Stock Exchange, as the case may be, through whom the Application had been placed. Upon receipt of the request for withdrawal from the Applicant, the relevant Consortium Member, or Trading Member of the Stock Exchange, as the case may be, shall do the requisite, including deletion of details of the withdrawn Non-ASBA Application Form from the electronic system of the Stock Exchange.

Withdrawal of Applications after the Issue Period

In case an Applicant wishes to withdraw the Application after the Issue Closing Date, the same can be done by submitting a withdrawal request to the Registrar to the Issue prior to the finalization of the Basis of Allotment.

Revision of Applications

As per the notice No: 20120831-22 dated August 31, 2012 issued by the BSE and notice No: NSE/CML/2012/0672 dated August 7, 2012 issued by NSE, cancellation of one or more orders (series) within an Application is permitted during the Issue Period as long as the total order quantity does not fall under the minimum quantity required for a single Application. Please note that in case of cancellation of one or more orders (series) within an Application, leading to total order quantity falling under the minimum quantity required for a single Application will be liable for rejection by the Registrar.

Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the stock exchange(s), by submitting a written request to the Consortium Member / Trading Members of the Stock Exchange/ the SCSBs, as the case may be. However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchange(s) as per the procedures and requirements prescribed by each relevant Stock Exchange, Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

Revision of Applications is not permitted after the expiry of the time for acceptance of Application Forms on Issue Closing Date. However, in order that the data so captured is accurate, the Consortium Member, Trading Members of the Stock Exchanges and the Designated Branches of the SCSBs will be given up to one Working Day after the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period, after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL.

Depository Arrangements

We have made depository arrangements with NSDL and CDSL. Please note that Tripartite Agreements have been executed between our Company, the Registrar and both the depositories.

As per the provisions of the Depositories Act, 1996, the NCDs issued by us can be held in a dematerialized form. In this context:

- (i) Tripartite agreement dated March 29, 2000 among our Company, the Registrar and CDSL and tripartite agreement dated April 30, 1999 among our Company, the Registrar and NSDL, respectively for offering depository option to the investors.
- (ii) An Applicant must have at least one beneficiary account with any of the Depository Participants (DPs) of NSDL or CDSL prior to making the Application.
- (iii) The Applicant must necessarily provide the DP ID and Client ID details in the Application Form.
- (iv) NCDs Allotted to an Applicant in the electronic form will be credited directly to the Applicant's respective beneficiary account(s) with the DP.
- (v) Non-transferable Allotment Advice/ refund orders will be directly sent to the Applicant by the Registrar to this Issue.
- (vi) It may be noted that NCDs in electronic form can be traded only on the Stock Exchanges having electronic connectivity with NSDL or CDSL. The Stock Exchanges have connectivity with NSDL and CDSL.
- (vii) Interest or other benefits with respect to the NCDs held in dematerialized form would be paid to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us as on Record Date. In case of those NCDs for which the beneficial owner is not identified by the Depository as on the Record Date/ book closure date, we would keep in abeyance the payment of interest or other benefits, till such time that the beneficial owner is identified by the Depository and conveyed to us, whereupon the interest or benefits will be paid to the beneficiaries, as identified, within a period of 30 days.
- (viii) The trading of the NCDs on the floor of the Stock Exchanges shall be in dematerialized form only.

Please also refer to "**Instructions for filling up the Application Form - Applicant's Beneficiary Account and Bank Account Details**" on page 476.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the

applicable premium and interest for such NCDs) prior to redemption of the NCDs.

PLEASE NOTE THAT TRADING OF NCDs ON THE FLOOR OF THE STOCK EXCHANGES SHALL BE IN DEMATERIALIZED FORM ONLY IN MULTIPLE OF ONE NCD.

Allottees will have the option to re-materialize the NCDs Allotted under the Issue as per the provisions of the Companies Act, 2013 and the Depositories Act.

Communications

All future communications in connection with Applications made in this Issue should be addressed to the Registrar to the Issue quoting the full name of the sole or first Applicant, Application Form number, Applicant's DP ID and Client ID, Applicant's PAN, number of NCDs applied for, date of the Application Form, name and address of the Lead Manager, Trading Member of the Stock Exchanges or Designated Branch, as the case may be, where the Application was submitted, and cheque/ draft number and issuing bank thereof or with respect to ASBA Applications, ASBA Account number in which the amount equivalent to the Application Amount was blocked. REGULATIONS AND POLICIES

The regulations summarised below are not exhaustive and are only intended to provide general information to Investors and is neither designed nor intended to be a substitute for any professional legal advice. Taxation statutes such as the IT Act, Goods and Services Tax Act, 2017, applicable, labour regulations such as the Employees State Insurance Act, 1948 and the Employees Provident Fund and Miscellaneous Act, 1952, and other miscellaneous regulations such as the Trade and Merchandise Marks Act, 1958 and applicable shops and establishments statutes apply to us as they do to any other Indian company and therefore have not been detailed below. The following information is based on the current provisions of applicable Indian law, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

As per the RBI Act, a financial institution has been defined non-banking institution carrying on as its business or part of its business of, *inter alia*, the financing activities, whether by way of making loans or advances or otherwise, of any activity, other than its own and is engaged in the activities of loans and advances, acquisition of shares/stock/bonds/debentures/securities issued by the Government of India or other local authorities or other marketable securities of like nature, leasing, hire-purchase, insurance business, chit business but does not include any institution whose principal business is that of carrying out any agricultural or industrial activities or the purchase or sale of any goods (other than securities) or providing any services of the sale, purchase and/or construction of immoveable property.

Any company which carries on the business of a non-banking financial institution as its principal business is to be treated as an NBFC. Since the term 'principal business' has not been defined in law, the RBI has clarified through a press release (Ref. No. 1998-99/ 1269) in 1999, that in order to identify a particular company as an NBFC, it will consider both the assets and the income pattern as evidenced from the last audited balance sheet of the company to decide its principal business. The company will be treated as an NBFC if its financial assets are more than 50 % of its total assets (netted off by intangible assets) and income from financial assets should be more than 50 % of the gross income. Both these tests are required to be satisfied as the determinant factor for principal business of a company.

With effect from 1997, NBFCs were not permitted to commence or carry on the business of a non-banking financial institution without obtaining a Certificate of Registration (“CoR”). Further, with a view to imparting greater financial soundness and achieving the economies of scale in terms of efficiency of operations and higher managerial skills, the RBI has raised the requirement of minimum net owned fund from ₹25 lakhs to ₹200 lakhs for the NBFC which commences business on or after April 21, 1999. Also, it shall be mandatory for all NBFCs to attain a minimum NOF of ₹200 lakhs by the end of 1 April 2017. NBFCs failing to maintain NOF of ₹200 lakhs in the prescribed time shall not be eligible to hold a certificate of registration as an NBFC.

1. Regulation of NBFCs registered with the RBI

NBFCs are primarily governed by the RBI Act, the Non-Banking Financial Company –Systematically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (“**Master Directions**”) and the Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016 (“**Public Deposit Directions**”) . In addition to these regulations, NBFCs are also governed by various circulars, notifications, guidelines and directions issued by the RBI from time to time.

2. Types of Activities that NBFCs are permitted to carry out

Although by definition, NBFCs are permitted to operate in similar sphere of activities as banks, there are a few important, key differences. The most important distinctions are:

- i. An NBFC cannot accept deposits repayable on demand – in other words, NBFCs can only accept fixed term deposits. Thus, NBFCs are not permitted to issue negotiable instruments, such as cheques which are payable on demand;
- ii. NBFCs do not form part of the payment and settlement system and cannot issue cheques drawn on itself; and
- iii. Deposit insurance facility of Deposit Insurance and Credit Guarantee Corporation is not available to depositor of NBFCs.

3. Types of NBFCs:

Section 45-IA of the RBI Act makes it mandatory for every NBFC to get itself registered with the Reserve Bank in order to be able to commence any of the aforementioned activities.

Further, an NBFC may be registered as a deposit accepting NBFC (“**NBFC-D**”) or as a non-deposit accepting NBFC (“**NBFC-ND**”).

NBFCs registered with RBI are further classified as:

- i. asset finance companies;
- ii. investment companies;
- iii. loan companies;
- iv. infrastructure finance companies;
- v. systematically important core investment companies;
- vi. infrastructure debt fund - NBFCs;
- vii. NBFC - micro finance institutions;
- viii. NBFC-Factors;
- ix. Mortgage-Guarantee Company; and/or
- x. NBFC – Non-operative financial holding company.

Our Company has been classified as an NBFC-D and is further classified as an “asset finance company”. An asset finance company is an NBFC whose principal business is to finance physical assets supporting productive / economic activity, such as automobiles, tractors, lathe machines, generator sets, earth moving and material handling equipment, moving on own power and general purpose industrial machines. Principal business for this purpose is defined as aggregate of financing real/physical assets supporting economic activity and income arising therefrom is not less than 60% of its total assets and total income respectively.

4. Regulatory Requirements of an NBFC under the RBI Act

Net Owned Fund

Section 45-IA of the RBI Act provides that to carry on the business of a NBFC, an entity would have to register as an NBFC with the RBI and would be required to have a minimum net owned fund of ₹ 2,00,00,000 (Rupees two crore only). For this purpose, the RBI Act has defined “net owned fund” to mean:

- (a) the aggregate of the paid-up equity capital, preference shares which are compulsorily convertible into equity and free reserves as disclosed in the latest balance sheet of the company, after deducting (i) accumulated balance of losses, (ii) deferred revenue expenditure, (iii) deferred tax asset (net); and (iv) other intangible assets; and
- (b) Further reduced by the amounts representing,
 - (1) investment by such companies in shares of (i) its subsidiaries, (ii) companies in the same group, (iii) other NBFCs, and
 - (2) the book value of debentures, bonds, outstanding loans and advances (including hire purchase and lease finance) made to, and deposits with (i) subsidiaries of such companies; and (ii) companies in the same group, to the extent such amount exceeds 10% of (a) above.

Reserve Fund

In addition to the above, Section 45-IC of the RBI Act requires NBFCs to create a reserve fund and transfer therein a sum of not less than 20% of its net profits earned annually before declaration of dividend. Such sum cannot be appropriated by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation is required to be reported to the RBI within 21 days from the date of such withdrawal.

Maintenance of liquid assets

The RBI has prescribed that every NBFC shall invest and continue to invest in unencumbered approved securities valued at a price not exceeding the current market price of such securities an amount which shall, at the close of business on any day be not less than 10% in approved securities and the remaining in unencumbered term deposits in any scheduled commercial bank; the aggregate of which shall not be less than 15% of the public deposit outstanding at the close of business on the last working day of the second preceding quarter.

5. **Obligations of NBFC-D under the Public Deposit Directions**

The RBI's Public Deposit Directions governs the manner in which NBFCs may accept and/or hold public deposits. The Public Deposit Directions places the following restrictions on NBFCs in connection with accepting public deposits:

- i. Prohibition from accepting any demand deposits: NBFCs are prohibited from accepting any public deposit which is repayable on demand.
- ii. Ceiling on quantum of deposits: An asset finance company or a loan company or an investment company or a factor (a) having minimum NOF as stipulated by RBI, and (b) complying with all the prudential norms, may accept or renew public deposit, together with the amounts remaining outstanding in the books of the company as on the date of acceptance or renewal of such deposit, not exceeding one and one-half times of its NOF. Provided that an asset finance company holding public deposits in excess of the limit of one and one-half times of its NOF shall not renew or accept fresh deposits till such time they reach the revised limit.
NBFCs are also prohibited from inviting or accepting or renewing repatriable deposits from Non-Resident Indians under the Non-Resident (External) Account Scheme at a rate exceeding the rate specified by the RBI for such deposits with Scheduled Commercial Banks (the period of repatriable deposits shall be not less than one year and not more than three years).
- iii. Downgrading of credit-rating: In the event that credit rating issued by a credit rating agency recognised by RBI, for an asset finance company is downgraded below the minimum specified investment grade, with respect to the relevant credit rating agency, and the NBFC, being an asset finance company or a loan company or an investment company, shall regularise the excess deposit in the following manner: (a) forthwith stop accepting fresh public deposit, (b) all existing deposits shall runoff to maturity, (c) report the position of the credit rating within fifteen working days to the RBI.
- iv. Ceiling on rate of interest: An NBFC cannot invite or accept or renew public deposit at a rate of interest exceeding twelve and half per cent per annum. Interests may be paid or compounded at rests which shall not be shorter than monthly rests.
- v. Minimum lock-in period: An NBFC is prohibited from granting any loan against a public deposit or making any premature repayment of a public deposit within a period of three months from the date of acceptance of such public deposit. Provided that in the event of the death of a depositor, a NBFC may repay the public deposit prematurely, even within the lock-in period, to the surviving depositor/s in the case of joint holding with survivor clause, or to the nominee or the legal heir/s of the deceased depositor, on the request of the surviving depositor, nominee or legal heir, and only against submission of proof of death, to the satisfaction of the company.
- vi. NBFC failing to repay public deposit prohibited from making loans and investments: A NBFC-D which has failed to repay any public deposit or part thereof in accordance with the terms and conditions of such deposit, cannot grant any loan or other credit facility by whatever name called or make any investment or create any other asset as long as such default exists.

6. **Master Direction dated September 29, 2016 on Monitoring of Frauds in NBFCs (Reserve Bank) Directions, 2016**

All NBFC-ND-SIs shall put in place a reporting system for frauds and fix staff accountability in respect of delays in reporting of fraud cases to the RBI. An NBFC-ND-SI is required to report all cases of fraud of ₹1 lakh and above, and if the fraud is of ₹10 million or above, the report should be sent in the prescribed format within three weeks from the date of detection thereof. The NBFC-ND-SI shall also report cases

of fraud by unscrupulous borrowers and cases of attempted fraud.

Reporting by Statutory Auditor

The statutory auditor of the NBFC-ND is required to submit to the Board of Directors of the company along with the statutory audit report, a special report certifying that the Directors have passed the requisite resolution mentioned above, not accepted any public deposits during the year and has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts as applicable to it. In the event of non-compliance, the statutory auditors are required to directly report the same to the RBI.

7. Master Direction – Non-Banking Financial Companies Auditor’s Report (Reserve Bank) Directions, 2016

In addition to the report made by the auditor under Section 143 of the Companies Act, 2013 on the accounts of an NBFC-ND-SI, the auditor shall make a separate report to the Board of Directors of the company on inter alia examination of validity of certificate of registration obtained from the RBI, whether the NBFC is entitled to continue to hold such certificate of registration in terms of its Principal Business Criteria (financial asset / income pattern) as on March 31 of the applicable year, whether the NBFC is meeting the required net owned fund requirement, whether the board of directors has passed a resolution for non-acceptance of public deposits, whether the company has accepted any public deposits during the applicable year, whether the company has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts as applicable to it, whether the capital adequacy ratio as disclosed in the return submitted to the Bank in form NBS- 7, has been correctly arrived at and whether such ratio is in compliance with the minimum CRAR prescribed by the Bank, whether the company has furnished to the Bank the annual statement of capital funds, risk assets/exposures and risk asset ratio (NBS-7) within the stipulated period, and whether the non-banking financial company has been correctly classified as NBFC Micro Finance Institutions (“MFI”).

8. Master Direction- Non-Banking Financial Company Returns (Reserve Bank) Directions, 2016

All NBFCs are required to put in place a reporting system for filing various returns with the RBI. An NBFC-ND-SI is required to file on a quarterly basis a return on important financial parameters, including components of assets and liabilities, profit and loss account, exposure to sensitive sectors etc., NBS-7 on prudential norms on a quarterly basis, multiple returns on asset-liability management to address concerns regarding inter alia asset liability mismatches and interest rate risk, quarterly report on branch information, and Central Repository of Information on Large Credits (“CRILC”) on a quarterly basis as well as all Special Mention Account (“SMA-2”) status on a weekly basis to facilitate early recognition of financial distress, prompt steps for resolution and fair recovery for lenders.

9. Directions on Managing Risks and Code of Conduct in Outsourcing of Financial Services by NBFCs, 2017

With a view to put in place necessary safeguards applicable to outsourcing of activities by NBFCs, the RBI has issued directions on managing risks and code of conduct in outsourcing of financial services by NBFCs (“Risk Management Directions”). The Risk Management Directions specify that core management functions like internal auditing, compliance functions, decision making functions such as compliance with KYC norms shall not be outsourced by NBFCs. Further, the Risk Management Directions specify that outsourcing of functions shall not limit its obligations to its customers.

10. Obligations of NBFC-D under the Master Directions and Public Deposit Directions

NBFC-Ds are required to comply with prescribed capital adequacy ratios, single and group exposure norms, and other specified prudential requirements prescribed under the Prudential Norms. Some of the important obligations are as follows:

- (i) Income Recognition: NBFC-Ds are required to follow recognised accounting principles in connection with recognition of income. Income including interest/discount or any other charges on NPA is recognised only when it is actually realised. NBFCs may recognise income on accrual

basis in respect of the projects under implementation, which are classified as “standard”. NBFCs should not recognise income on accrual basis in respect of the projects under implementation which are classified as a “sub-standard” asset. NBFCs may recognise income in such accounts only on realisation on cash basis. Any such income recognised before the asset became non-performing and remaining unrealised must be reversed. With respect to hire purchase assets, where installments are overdue for more than three months, income shall be recognised only when hire charges are actually received. Any such income taken to the credit of profit and loss account before the asset became non-performing and remaining unrealised, must be reversed. Consequently, NBFCs which have recognised income on accrual in the past should reverse the interest if it was recognised as income during the current year or make a provision for an equivalent amount if it was recognised as income in the previous year(s).

- (ii) Asset Classification and provisioning of assets: Every NBFC-D is required to, after taking into account the degree of well-defined credit weaknesses and extent of dependence on collateral security for realisation, classify its lease/hire purchase assets, loans and advances and any other forms of credit into the following classes, namely:

- Standard assets;
- Sub-standard assets;
- Doubtful assets; and
- Loss assets.

The classes of assets referred to above shall not be upgraded merely as a result of rescheduling, unless it satisfies the conditions required for the upgradation. Further, an NBFC-D must, after taking into account the time lag between an account becoming non-performing, its recognition as such, the realisation of the security and the erosion over time in the value of security charged, make provision against sub-standard assets, doubtful assets and loss assets in the manner prescribed by RBI.

- (iii) Provisioning of Standard Assets: NBFCs are required to make a general provision of 0.40% as of March 31, 2018, which shall not be reckoned for arriving at net NPAs. The provisions towards standard assets are not needed to be netted from gross advances but shown separately as 'Contingent Provisions against Standard Assets' in the balance sheet.

- (iv) Loans against NBFC's own shares prohibited: No NBFC-D can lend against its own shares.

- (v) NBFC failing to repay public deposit prohibited from making loans and investments: A NBFC-D which has failed to repay any public deposit or part thereof in accordance with the terms and conditions of such deposit, cannot grant any loan or other credit facility by whatever name called or make any investment or create any other asset as long as such default exists.

- (vi) Capital Adequacy: Every NBFC shall maintain a minimum CAR consisting of Tier I and Tier II capital which must not be less than fifteen per cent of its aggregate risk weighted assets on balance sheet and of risk adjusted value of off-balance sheet items. The total Tier I capital, at any point of time shall not be less than 10%. The total of Tier II capital of any NBFC-D, at any point of time, must not exceed one hundred per cent of Tier I capital

- (vii) Disclosure Requirements: Every NBFC is required to separately disclose in its balance sheet the provisions made in accordance with the applicable prudential norms prescribed by the RBI without netting them from the income or against the value of assets. Further, the provisions shall be distinctly indicated under separate heads of account as under:

- provisions for bad and doubtful debts; and
- provisions for depreciation in investments.

Such provisions shall not be appropriated from the general provisions and loss reserves held, if any, by the NBFC-D and for each year shall be debited to the profit and loss account. The excess of provisions, if any, held under the heads general provisions and loss reserves may be written back without making adjustment against them.

- (viii) Fair Practices Code: The RBI has framed the fair practice code, to promote good and fair practices by setting minimum standards to be adhered to by NBFCs in dealing with customers. These guidelines require NBFCs to ensure that they meet the commitments and standards specified therein for the products and services they offer and, in the procedures, and practices their staff follows, their products and services meet relevant laws and regulations in letter and spirit, and their dealings with customers rest on ethical principles of integrity and transparency. Further, the said guidelines prescribe the requirements in connection with information to be provided and disclosures to be made by NBFCs to their customers. Accordingly, the guidelines require NBFCs to provide information on interest rates, common fees and charges, provide clear information explaining the key features of their services and products that customers are interested in, provide information on any type of product and service offered, that may suit the customer's needs, tell the customers about the various means through which products and services are offered, and provide more information on the key features of the products, including applicable interest rates / fees and charges.
- (ix) KYC Guidelines: NBFCs have been advised, vide Master Direction – Know Your Customer (KYC) Direction, 2016, as amended, to follow certain customer identification procedure for opening of accounts and monitoring transactions of suspicious nature for the purpose of reporting it to appropriate authority, (“**KYC Norms**”). Accordingly, NBFCs have been advised to ensure that a proper policy framework on ‘know your customer’ and anti-money laundering measures is formulated and put in place with the approval of the RBI. The KYC Norms also require that while preparing operational guidelines NBFCs may keep in mind to treat the information collected from the customer for the purpose of opening of account as confidential and not divulge any details thereof for cross selling or any other purposes. NBFCs may, therefore, ensure that information sought from the customer is relevant to the perceived risk, is not intrusive, and is in conformity with the guidelines issued in this regard. Any other information from the customer should be sought separately with his /her consent and after opening the account.
- (x) Guidelines on Securitization of Standard Assets: The RBI issued revised ‘Guidelines on Securitization of Standard Assets’ through its circular dated May 7, 2012 (“**Revised Guidelines**”) to banks and were made applicable to NBFCs by another circular dated August 21, 2012. The Revised Guidelines regulate assignment transactions, which were not covered under the earlier guidelines issued by the RBI. The Revised Guidelines impose a restriction on the offering of credit enhancement in any form and liquidity facilities in the case of loan transfers through direct assignment of cash flows. Further, the Revised Guidelines provide that loans can only be assigned or securitized if the NBFC has held them in their books for a specified minimum period. They also provide a mandatory retention requirement for securitization and assignment transactions.

Rating of Financial Product

As per the Master Directions, all NBFCs with asset size of ₹ 10,000 lakhs and above are required to furnish at the regional office of the RBI under whose jurisdiction the registered office of the NBFC is functioning, information relating to the downgrading and upgrading of assigned rating of any financial products issued by them within 15 days of such change.

Norms for excessive interest rates

All NBFCs are required to put in place appropriate internal principles and procedures in determining interest rates and charges for loans and advances. The Master Directions stipulate that the board of each NBFC shall adopt an interest rate model taking into account the various relevant factors such as cost of funds, margin and risk premium etc. The rate of interest and the approach for gradation of risk and the rationale for charging different rates of interest for different categories of borrowers shall be required to be disclosed to the borrowers in the application form and communicated explicitly in the sanction letter. Further, the same is also required to be made available on the company's website or be published in the relevant newspapers and is required to be updated in the event of any change therein. Further, the rate of interest would have to be annualized rates so that that the borrower is aware of the exact rates that would be charged to the account.

1. Corporate Governance

RBI vide its notification (DNBR.019/CGM (CDS)-2015) dated April 10, 2015, has laid down corporate governance guidelines for the consideration of all NBFC-Ds. The guidelines recommend that such NBFCs constitute an Audit Committee (to ensure that an information system audit of internal systems and processes is conducted at least once in two years to assess operational risks), a Nomination Committee (to ensure that fit and proper persons are nominated as directors on their respective boards) and a Risk Management Committee to institute risk management systems. Further, all NBFCs are required to obtain undertakings and a deed of covenant from all directors and furnish a quarterly statement to the RBI on change of directors along with a certificate from the managing director that 'fit and proper criteria' has been followed. All applicable NBFCs are required to disclose details pertaining to asset-liability profile, non-performing assets and movement of non-performing assets, details of exposures, etc. in their annual financial statements.

In addition to the above, NBFCs are required to rotate the partner of the chartered accountant firm conducting the audit every three years so that the same partner does not continuously conduct the audit of the company for more than a period of three years. NBFCs are also mandated to frame internal guidelines on corporate governance with the approval of its board of directors, enhancing the scope of the guidelines without sacrificing the spirit underlying the above guidelines which shall be published on the company's web-site, if any, for the information of various stakeholders.

2. Accounting Standards & Accounting policies

Subject to the changes in Indian Accounting Standards and regulatory environment applicable to a NBFC may change our accounting policies in the future and it might not always be possible to determine the effect on the Profit and Loss account of these changes in each of the accounting years preceding the change.

In such cases the profit/ loss of NBFCs for the preceding years might not be strictly comparable with the profit/ loss for the period for which such accounting policy changes are being made.

3. Reporting by statutory auditor

In addition to their obligations under the Companies Act every auditor of an NBFC, is also required to make a separate report on the accounts of the NBFC to the Board of Directors (the "**Report**") confirming:

- (i) that the NBFC-D has obtained a CoR from the RBI and is entitled to continue to hold such CoR in terms of its principal business criteria (financial asset/income pattern) as on March 31 of the financial year in which the Report is submitted;
- (ii) that the NBFC meets the prescribed net owned fund requirement.
- (iii) that the NBFC-D has complied with the provisions of the Public Deposit Directions and the Non-Banking Financial Company Returns (Reserve Bank) Directions, and its capital adequacy ratio as disclosed in the return submitted to the RBI has been correctly determined and is in compliance with the minimum capital to risk (weighted) assets ratio prescribed by the RBI;
- (iv) that the NBFC-D has complied with the liquid assets requirement as prescribed by the RBI in exercise of its powers under section 45-IB of the RBI Act.

The Report should contain reasons for any unfavorable or qualified statement or failure to express opinion on any matter by the auditor. The auditor is obliged to submit an exception report to the RBI in such a case.

Every NBFC shall submit a certificate from its statutory auditor to the regional office of the Department of Non-Banking Supervision of the RBI under whose jurisdiction the NBFC is registered, within one month from the date of finalisation of the balance sheet and in any case not later than December 30th of that financial year, that it is engaged in such business requiring it to hold a CoR under Section 45-IA of the RBI Act and is eligible to hold it.

The statutory auditor of the NBFC-D is required to submit to the Board of Directors of the company a report inter alia certifying that such company has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts and standard assets as applicable to it. In the event of non-compliance, the statutory auditors are required to directly report the same to the RBI.

4. Other Regulations

Applicable Foreign Investment Regulations

Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2017 (“FEMA 20”)

Foreign investment in India is governed primarily by the provisions of the FEMA which relates to regulation primarily by the RBI and the rules, regulations and notifications thereunder, and the policy prescribed by the Department of Industrial Policy and Promotion (DIPP), GoI which is regulated by the FIPB.

The RBI, in exercise of its power under the FEMA, has notified the FEMA 20 to prohibit, restrict or regulate, transfer by or issue of security to a person resident outside India. FEMA 20 lays down that no prior consent and approval is required from the RBI, for FDI under the “automatic route” within the specified sectoral caps. In respect of all industries not specified as FDI under the automatic route, and in respect of investment in excess of the specified sectoral limits under the automatic route, approval may be required from the relevant ministry/ministries of the Government and/or the RBI.

Foreign Direct Investment (“FDI”)

FDI in an Indian company is governed by the provisions of the FEMA read with the FEMA 20 and the Foreign Direct Investment Policy (“**FDI Policy**”). FDI is permitted (except in the prohibited sectors) in Indian companies either through the automatic route or the approval route, depending upon the sector in which FDI is sought to be made. Under the automatic route, no prior Government approval is required for the issue of securities by Indian companies/ acquisition of securities of Indian companies, subject to the sectoral caps and other prescribed conditions. Investors are required to file the required documentation with the RBI within 30 days of such issue/ acquisition of securities. Under the approval route, prior approval from the relevant ministry/ministries or RBI is required. FDI for the items/ activities that cannot be brought in under the automatic route (other than in prohibited sectors) may be brought in through the approval route. Further, as per the sector specific guidelines of the Government, 100% FDI/NRI investments are allowed under the automatic route in certain NBFC activities subject to compliance with guideline of the RBI in this regard.

Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (“SARFAESI”)

The SARFAESI Act provides for the enforcement of security interest without the intervention of the courts. Under the provisions of the SARFAESI Act, a secured creditor can recover dues from its borrowers by taking any of the measures as provided therein. Rights, with respect to the enforcement of security interest, under the SARFAESI Act cannot be enforced unless the account of the borrower has been classified as an NPA in the books of account of the secured creditor in accordance with the directions or guidelines issued by the RBI or any other applicable regulatory authority. The secured creditors must serve a 60-day notice on the borrower demanding repayment of the amount due and specifying the borrower’s assets over which the bank proposes to exercise remedies. If the borrower still fails to pay, the secured creditors, on expiry of the 60-day notice period, can: (i) take possession of the secured assets; (ii) take over the management of the secured assets along with the right to transfer by way of lease, assignment or sale of the secured assets; (iii) appoint any person to manage the secured assets; and (iv) require any person who has acquired any of the secured assets from the borrower to pay amounts necessary to satisfy the debt. The security interests covered by the SARFAESI Act are security interests over immovable and movable property, existing or future receivables, certain intangible assets (such as know-how, patents, copyrights, trademarks, licenses, franchises) and any debt or any right to receive payment of money, or any receivable, present or future, and in which security interest has been created. Security interests over ships and aircraft, any statutory lien, a pledge of movables, any conditional sale, hire purchase or lease or any other contract in which no security interest is created, rights of unpaid sellers, any property not liable to attachment, security interest for securing repayment of less than ₹10,000,000, agricultural land and any case where the amount due is less than 20.00% of the principal amount and interest are not enforceable under the SARFAESI Act. In the event that the secured creditor is unable to recover the entire sum due by exercise of the remedies under the SARFAESI Act in relation to the assets secured, such secured creditor may approach the relevant court for the recovery of the balance amounts. A secured creditor may also simultaneously pursue its remedies under the SARFAESI Act.

Insolvency and Bankruptcy Code

The Insolvency and Bankruptcy Code, 2016 (“**Code**”) consolidates laws relating to insolvency, reorganisation and liquidation/ bankruptcy of all persons, including companies, individuals, partnership firms and Limited Liability Partnerships (“**LLPs**”). The Code has established an Insolvency and Bankruptcy Board of India to function as the regulator for all matters pertaining to insolvency and bankruptcy. The Code prescribes a timeline of 180 days for the insolvency resolution process, which begins from the date the application is admitted by the NCLT. During this period, the creditors and the debtor shall negotiate and finalise a resolution plan (accepted by 75% of the financial creditors) and in the event, they fail, the debtor is placed in liquidation and the moratorium lifted. The Code stipulates an interim-moratorium period which would commence after filing of the application for a fresh start process and shall cease to exist after elapse of a period of 180 days from the date of application. During such period, all legal proceedings against such debtor should be stayed and no fresh suits, proceedings, recovery or enforcement action may be initiated against such debtor. However, the Code has also imposed certain restrictions on the debtor during the moratorium period such as the debtor shall not be permitted to act as a director of any company or be involved in the promotion or management of a company during the moratorium period.

Anti Money Laundering

The RBI has issued a Master Circular dated July 01, 2013 to ensure that a proper policy frame work for the Prevention of Money Laundering Act, 2002 (“**PMLA**”) is put into place. The PMLA seeks to prevent money laundering and provides for confiscation of property derived from or involved in money laundering and for other matters connected therewith or incidental thereto. It extends to all banking companies, financial institutions, including NBFCs and intermediaries. Pursuant to the provisions of PMLA and the RBI guidelines, all NBFCs are advised to appoint a principal officer for internal reporting of suspicious transactions and cash transactions and to maintain a system of proper record (i) for all cash transactions of value of more than ₹ 1 million; (ii) all series of cash transactions integrally connected to each other which have been valued below ₹ 1 million where such series of transactions have taken place within one month and the aggregate value of such transaction exceeds ₹ 1 million. Further, all NBFCs are required to take appropriate steps to evolve a system for proper maintenance and preservation of account information in a manner that allows data to be retrieved easily and quickly whenever required or when requested by the competent authorities. Further, NBFCs are also required to maintain for at least ten years from the date of transaction between the NBFCs and the client, all necessary records of transactions, both domestic or international, which will permit reconstruction of individual transactions (including the amounts and types of currency involved if any) so as to provide, if necessary, evidence for prosecution of persons involved in criminal activity.

Dear Mr. Sharma,

Re: CRISIL Rating for the Rs.5000 Crore Non-convertible debentures* of Shriram Transport Finance Company Limited

We refer to your request for a rating for the captioned Debt instrument.

CRISIL has, after due consideration, assigned a “CRISIL AA+/Stable” (pronounced “CRISIL double A plus rating with stable outlook”) rating to the captioned Debt instrument. Instruments with this rating are considered to have high degree of safety regarding timely servicing of financial obligations. Such instruments carry very low credit risk.

As per our Rating Agreement, CRISIL would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. CRISIL reserves the right to withdraw, or revise the rating / outlook assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information, or other circumstances which CRISIL believes may have an impact on the rating.

Further, in view of your decision to accept the CRISIL Rating, we request you to apprise us of the instrument details (in the enclosed format) as soon as it has been placed. In the event of your company not making the issue within a period of 180 days from the above date, or in the event of any change in the size or structure of your proposed issue, a fresh letter of revalidation from CRISIL will be necessary.

As per the latest SEBI circular (reference number: CIR/IMD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable CRISIL to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us for any clarifications you may have at debtissue@crisil.com

Should you require any clarifications, please feel free to get in touch with us.

With warm regards,
Yours sincerely,

Detailed Rationale

CRISIL has assigned a rating of 'CRISIL AA+/Stable' to the Rs.5000 crore non-convertible debentures of Shriram Transport Finance Company Limited (STFCL). CRISIL has also reaffirmed its ratings on the existing debt instruments, bank facilities and fixed deposit programme of STFCL at 'CRISIL AA+/FAAA/Stable/CRISIL A1+'. The ratings continue to reflect STFCL's market leadership in the pre-owned commercial vehicle (CV) financing segment, comfortable capitalization and earnings profile. These strengths are partly offset by the company's modest asset quality and average resource profile.

Key Rating Drivers & Detailed Description

Strengths

* Market leadership in the pre-owned commercial vehicle (CV) financing segment

STFCL is the largest CV financier in the country with assets under management (AUM) of Rs95,306 crore (+21% Y-o-Y) as on March 31, 2018. Of all the business segments, CV financing (HCV and M&LCV) constituted 67.6% of total AUM and grew by a strong 22.6% Y-o-Y. Passenger vehicles forming another 23.2% of the portfolio grew by 12.7% Y-o-Y. The share of the portfolio under Shriram Equipment has further come down to form just 0.5% of AUM as on March 31, 2018. In line with company's efforts to increase its presence in deep rural areas, the share of rural AUM has risen to 33% of total AUM as on March 31, 2018 as against 26% in fiscal 2017. The off-book portion of the AUM stood at 16.4% and was up 17.5% Y-o-Y. Overall, in the last few years, the share of off-balance sheet AUM has steadfastly remained around 16%.

The pre-owned vehicle loans stood at Rs80,098 crore (+16.7% Y-o-Y) and comprised 84% of AUM as on March 31, 2018 down from 87% in fiscal 2017. With company increasing focusing on new vehicle financing segment, it stood at Rs10,883 crore (+37.4% Y-o-Y) and constituted 11% of AUM end March 2018. Working capital loans constituted the remaining 5% or Rs 4,325 crore almost doubled during the year. Disbursements during the quarter stood at Rs15000 crore, of which 80% or Rs 11967 crore were for pre-owned vehicle, Rs 2464 crore or 16.4% for new vehicles and the remaining 3.6% or Rs 690 crore for business loans.

With presence of almost four decades in the pre-owned CV financing business, STFCL has created a strong and sustainable competitive advantage through deep understanding of the borrower profile and their credit behavior. They have done so by building a scalable operating model, extensive reach and strong valuation capabilities of pre-owned vehicles. The company faces limited competition from other organized financiers, including banks, in this segment, due to inherent riskiness of the target product and the customer profile. While STFCL's growth will continue to be driven by pre-owned vehicle financing business, the growth in new vehicle financing segment has also picked up, despite competition from banks and other financiers.

CRISIL believes that the business prospects for the pre-owned CV financing segment remain strong given the large unorganized market and significant entry barriers. STFCL has gradually expanded into rural markets and had 862 rural centers as on March 31, 2018. Owing to increased demand for pre-owned vehicles in deep rural areas, the company has been increasing its rural presence with the proportion of rural branches (as a percentage of total branches) rising to 48% as on March 31, 2018 from approximately 40% previous year. STFCL had also innovated in establishing ShriramAutomall India Ltd (SAMIL), a reliable platform for sale, refurbishment, and auction of pre-owned vehicles, besides enabling better price discovery of such vehicles. On January 24, 2018, STFCL announced that it would sell majority stake in SAMIL to MXC Solutions India Pvt Ltd (MXC, owner of CarTrade.com) for Rs 156.4crore; STFCL will continue to hold a large minority stake. The transaction was completed by April 2018. CRISIL believes that despite the minority stake, SAMIL's business operations will continue to be closely integrated with STFCL. Overall, CRISIL believes that STFCL has strong structural advantages over its peers, which will support its above-average growth plans and help it maintain leadership position in the pre-owned CV financing segment over the

medium term.

* Comfortable capitalization and earnings profile

STFCL's capitalization remains comfortable with networth of Rs 12,572 crore and adjusted gearing (including securitization) of 6.3 times as on 31st March 2018 (Rs 11,292 crore and 5.9 times respectively as on March 31, 2017). While the net-worth coverage for net non-performing assets (NNPA) has come down to 5.9 times end March 2018 from 6.8 times last year, the decline is primarily due to change in the NPA recognition norms during the year with company transitioning to 90 days past due (dpd). CRISIL believes that STFCL's capitalization will remain comfortable over the medium term, given its demonstrated ability to access equity markets and having a comfortable annualized return on average networth of 13.9% (11.7% for fiscal 2017). The company's tier 1 and total capital adequacy ratio stood at 14.24% and 16.87% respectively as on March 31, 2018 (15.20% and 16.94% respectively as on March 31, 2017), well above the regulatory minimum.

STFCL has a comfortable earnings profile with annualised return on average managed assets ratio (RoMA) of 1.6% as on March 31, 2018 (1.5% for fiscal 2017). For year ending March 31, 2018, the company reported net profit of Rs 1,568 crore (+25% Y-o-Y) driven by improved net interest margins amid lower borrowing costs though partially offset by higher credit costs due to increased provisioning requirements amid transition to revised NPA norms. Owing to controlled borrowing costs due to rising reliance on securitization, coupled with higher than expected annual AUM growth, the net interest margin (CRISIL adjusted-calculated on total income net of interest expenses) improved to 7.28% from 6.72% in fiscal 2017. As the company increasingly focuses on low-yield and highly competitive new vehicle financing, the pressure on margins could rise in the future.

The company's operating expense ratio for year ending March 31, 2018, though lower than its peers, has increased to 1.6% due to rise in its employee costs as the company has added almost 5000 new employees during the year to reach an employee strength of 23,819. However, in spite of such strong growth in employees, the company's cost to income ratio stood at a controlled 21.3% (22% in fiscal 2017).

Nevertheless, CRISIL believes that STFCL's profitability is expected to remain stable backed by underlying improvement in asset quality due to pick up in recoveries in CV financing business. Also, the company's strong competitive position and relatively high yields in the pre-owned vehicle financing segment will ensure better profitability than that of other CV financiers over the medium term.

Weakness

* Average, albeit improving resource profile

STFCL has an average, though improving, resource profile. It has an established track record in raising retail borrowings which helps diversify its resource profile. The dependence on securitization has gradually risen to 20% of overall borrowings (including securitization). Of the total debt of Rs 78,952 crore (incl securitization), 31% was from secured NCDs, 21% from term loans from banks, 10% from fixed deposit, 6% from sub-debt. Its average cost of borrowings stood at 9.3% for fiscal 2018 (10.12% for fiscal 2017), remained higher than that of peers. In view of the inflationary monetary environment leading to rising interest rates, the company's cost of borrowings is expected to increase in the near future. Ability to diversify resource profile and maintain competitive borrowing cost will remain key rating monitorables over the medium term.

* Modest asset quality

STFCL has a modest asset quality in its core CV financing business with asset quality in the pre-owned financing business being relatively better than that in the new CV financing segment. Reported gross non-performing loans (+90 dpd), remained high due to increased transition norms with gross and net NPA at 9.15% and 2.83% respectively as on March 31, 2018 (8.16% and 2.65% as on March 31, 2017). The absolute increase in GNPA due to transition norms was about Rs 1100 crore translating to 120 bp rise. The CRISIL adjusted provision coverage ratio stood at a comfortable 71% as on March 31, 2018 (69.3% in fiscal 2017). The impact of implementation of IND-AS on STFCL's provision coverage ratio remains one of the key monitorables.

STFCL's asset quality is linked to broader economic recovery and hence the likely pick-up in industrial activity and easing of infrastructure constraints are expected to result in higher capacity utilization of CVs, improve transporter's cash flows and ultimately lead to gradual recovery in asset quality. The company's track record in the vehicle financing business, understanding of the target customer segment and relationship based lending model will also support the same.

Outlook: Stable

CRISIL believes STFCL will sustain its strong market position in the pre-owned CV financing segment, healthy capitalisation, and moderate earnings profile, over the medium term. The outlook may be revised to 'Positive' if the company maintains its high scale while significantly de-risking business, improving asset quality and financial risk profile. Conversely, the outlook may be revised to 'Negative' if asset quality and earnings weaken significantly.

About the Company

STFCL, incorporated in 1979, is the flagship company of the Shriram group. It is registered with RBI as a deposit-taking, asset-financing non-banking financial company. STFCL provides financing for vehicles such as CVs (both pre-owned and new), tractors, and passenger vehicles. It has pan-India presence, with 1,213 branches and 862 rural centers as on March 31, 2018. STFCL is also engaged in the construction equipment (CEQ) financing business through its erstwhile wholly owned subsidiary, *Shriram Equipment Finance Company that was merged with STFCL with effect from 1st April 2015. In January 2018, STFCL announced that it would sell majority stake in wholly owned subsidiary ShriramAutomall to MXC Solutions India Pvt Ltd (MXC, owner of CarTrade.com) for Rs 156.38 crore. The transaction got completed in April 2018.

STFCL's reported total income (net of interest expense) and profit after tax (PAT) of Rs.6982 crore and Rs.1,568 crore respectively, for fiscal 2018 against Rs.5,597 crore and Rs.1,257 crore, respectively, for fiscal 2017.

Dear Sir,

Re: Rating of Shriram Transport Finance Co. Ltd (STFC)

India Ratings (see definition below) assigns the following rating to STFC:-

INR50 billion public secured non-convertible debenture: 'IND AA+'; Outlook Stable

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of India Ratings' factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings' ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the

website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings' ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, to investors.

It is important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

India Ratings Assigns Shriram Transport Finance Company's Retail Non-Convertible Debentures 'IND AA+'; Outlook Stable

08

By Pankaj Naik

JUN 2018

India Ratings and Research (Ind-Ra) has rated Shriram Transport Finance Company Limited's (STFC) retail non-convertible debentures (NCDs) as follows:

Instrument Type	Date of Issuance	Coupon Rate	Maturity Date	Size of Issue (million)	Rating/Outlook	Rating Action
Retail NCDs	-	-	-	INR50,000	IND AA+/Stable	Assigned

KEY RATING DRIVERS

Market Dominance in Used CV Financing Space: STFC is by far the largest financier of used vehicles in India. Ind-Ra estimates STFC to have three-fourth of the market share among the organised used vehicle financing space. STFC possesses strong skills in financing commercial vehicles (CVs) through its vast experience and managing credit costs within limits, despite operating mainly in an arguably weak credit profile customer category in the used vehicle segment. STFC's expertise lies in valuation of the used assets and effective collection mechanism helping in managing credit costs. However, STFC faces tough competition in the used CV financing space, as many non-banking finance companies are trying to expand into this space.

Asset Quality: STFC transitioned to 90 days non-performing asset recognition norm in 4QFY18, which led to a rise in gross non-performing asset ratio to 9.2% (FY17: 8.2%, 120+days past due). Credit cost also increased to 414bp in FY18 (FY17: 380bp). STFC focuses on shifting its portfolio towards newer used vehicles, and consequently focus on stronger credit profile customer. This transition has led to pressure on yields; however, Ind-Ra expects this to reduce credit cost volatility. STFC has expanded at a robust pace in rural geographies. Better monsoons and uptick in rural infrastructure activity can boost the utilisation levels of commercial vehicles, thereby leading to better cash flows. However, a rise in fuel price without a commensurate increase in freight rates could compress borrower's profitability, and hence their loan repayment capacity.

Reasonable Capitalisation: STFC is reasonably capitalised with tier I ratio of 14.2% in 4QFY18 (4QFY17: 15.2%). With a growth target of 18% for FY19, Ind-Ra believes internal accruals would be largely sufficient to support growth. The company plans to operate with moderate leverage along with a policy to maintain tier I ratio above 14% on a steady state basis.

Comfortable Liquidity: STFC has a positive cumulative surplus in the one-year bucket of structural liquidity statement as on 31 March 2018. The company also maintains sizeable unutilised bank lines (INR40 billion-45 billion). However, STFC has diluted its policy of maintaining large on-balance sheet liquidity by way of cash and investment in liquid mutual funds, which could have provided strong buffers in the event of a sudden liquidity crisis. STFC endeavours to maintain a matched asset liability maturity profile by restricting its reliance on short-term borrowings which would not exceed 7%-8% of the total borrowings.

Moderate Profitability: The company's profitability remained under pressure over the past few years (pre-provisioning operating profit/credit costs in FY18: 1.8x, FY17: 1.8x; FY11-FY16: average 3.2x) due to a decline in securitisation income and a rise in credit costs. Ind-Ra believes competitive pressures and the transition to newer used vehicles could lead to a compression in yields in FY19. Also, the hardening of interest rates can lead to a rise in STFC's borrowing cost, further compressing its margins. STFC's accelerated expansion in rural geographies that offer higher yields can support margins; however, ability of the company in managing credit cost remains to be seen.

RATING SENSITIVITIES

Positive: Significantly strengthened stable funding profile which could emerge through enhanced granular retail funding or/and significantly increased credit costs absorbing buffers, while maintaining the dominant franchise in the used CV financing segment could be positive for the ratings.

Negative: Through the cycle rise in credit cost leading to depletion in operating and/or capital buffers, reduced resource raising ability impacting the liquidity, and/or a significant loss of franchise could result in a negative rating action.

COMPANY PROFILE

STFC is the largest non-banking finance company in the asset finance segment in India. It is the flagship company of Chennai-based Shriram Group, which operates in consumer finance, insurance and infrastructure and energy segments.
